### **Guidelines for filling up the Value Addition Course (VAC) form for Semester III (All Courses), UGCF-NEP Academic Session 2024-25**

With reference to opting the Value Addition Course (VAC) for the 2024-25 session (Odd semester, Semester III), students are requested to fill out the online option forms through Google form by 17/04/2024, 5:00 pm, failing which it would be presumed that the student does not want to exercise his/her options as such and is comfortable with the allocation of any paper by the College. In that case, VAC Courses Committee of the College may allocate available paper to the student based on the Committee's discretion. The instructions and list of papers offered by various Departments of the College and links to apply are given below.

Students need to read the instructions **carefully** and abide by them:

1. All the students of all courses of Semester III should mandatorily fill out the option forms, choosing the **Value Addition Course (VAC)** that they want to opt for the academic session 2024-25 (**Odd semester, Semester-III**).
2. Kindly check the eligibility/ prerequisites for the course and opt only if you are eligible for particular paper/fulfil the prerequisites of that paper.
3. **Kindly do not apply for the VAC that you have already studied in pervious semesters (Semester I and Semester II).**
4. Students must not opt for any VAC paper if the syllabus of the VAC paper is similar to any core/elective/GE paper studied/to be studied as part of their curriculum. The students must consult their respective Teacher - in – charge to seek clarifications in this regard.

paper, **the paper will automatically be removed from the first choice** in the form. Students will **not be allowed to change their options** at a later stage. Therefore, follow extreme care while filling out the Google form.

6. Students will be allotted the second option/choice selected for VAC if and only if the first option/choice cannot be given due to any unavoidable cause or any exceptional case.
7. **In case of multiple submissions, only the first entry will be considered and all subsequent submissions will remain invalid.**
8. Please note that **the college does not guarantee the allotment of the chosen preferences.** The college reserves the right to drop a course offered if less than 20 students opt for the course.
