LALA DESHBANDHU GUPTA

(14.06.1901 - 21.11.1951)

राष्ट्रीय एकता, अखण्डता एवं समरसता तथा सामाजिक कल्याण व जनजागृति के लिए पूर्णतः प्रतिबद्ध, कटिबद्ध और एकनिष्ठ भाव से समर्पित लाला देशबन्धु गुप्ता भारत के एक महान् स्वतंत्रता सेनानी, ख्यातिलब्ध पत्रकार एवं सम्मानित विधायक थे। इनका जन्म 14 जून १९०१ ई. में हुआ था तथा इनकी मृत्यु १९५१ में हुई। अनेक वर्षों तक देश के प्रति उनकी अटूट श्रद्धा, अपूर्व समर्पण, विशिष्ट योगदान एवं देश के विकास में उनकी अनवरत सहभागिता को सम्मानित करने के उद्देश्य से उनकी स्मृति में पुनर्वासि मंत्रालय ने सन् १९५२ में देशबन्धु महाविद्यालय की स्थापना की। हरियाणा के पानीपत शहर में जन्म लेने वाले तथा आरंभ में “रतिराम गुप्ता” नाम वाले इस महान् विभूति के पुण्य कर्म से प्रभावित होकर स्वामी श्रद्धानंद और महात्मा गांधी ने उन्हें “देशबन्धु” अभिधान से अभिहित किया था जिसका अर्थ 'राष्ट्र का मित्र' होता है और यही अभिधान उनके नाम का पर्याय बन गया। वे भारत के लोगों के अधिकारों के प्रबल समर्थक थे। उन्होंने भारत में प्रेस की स्वतंत्रता का पुरजोर समर्थन किया था। १९५० ई. में अखिल भारतीय समाचार पत्र संपादकों के सम्मेलन में उन्होंने अध्यक्ष पद को सुशोभित किया था। संविधान सभा के सदस्य के रूप में उन्होंने उत्तरदायी शासन एवं दिल्ली को विधानसभा का दर्जा दिलाने के लिए सक्रिय अभियान भी चलाया था।

स्वामी श्रद्धानंद के साथ वे दैनिक 'तेज' समाचार पत्र के सह संस्थापक भी थे। उन्होंने लाला लाजपत राय के समाचार पत्र “वंदे मातरम्” के संपादक के रूप में भी कार्य किया था। लाला देशबन्धु गुप्ता ने 'इंडियन न्यूज़ क्रॉनिकल' के परिषद् में भी सेवा प्रदान की थी जो कि आज 'द इंडियन एक्सप्रेस' के नाम से जाना जाता है। ६ अगस्त २०२२ को उनके पारिवारिक सदस्यों की उपस्थिति में महाविद्यालय प्रशासन के द्वारा जिस प्रतिमा का अनावरण किया गया उसकी भव्यता, दिव्यता व उत्तंगता आने वाली पीढ़ी के लिए प्रेरिका एवं अनवरत स्मारिकास्वरूप होगी। लाला देशबन्धु गुप्ता समग्रता के साथ अनंत काल तक हमारे मन मस्तिष्क में जीवित रहेंगे। लाला देशबन्धु गुप्ता का जीवन और वृत्तांत असीम सहनशक्ति, दूरदर्शिता और सामाजिक प्रतिबद्धता का अनुपम उदाहरण है। समाज सुधार के प्रति अटल समर्पण, शैक्षणिक उत्थान के लिए उनके प्रयास और उनकी राजनीतिक सहयुज्यता ने भारत राष्ट्र के निर्माण में गहरा प्रभाव डाला है। हम, महाविद्यालय-परिवार के सदस्य सौभाग्यशाली हैं कि हम इस महाविद्यालय के अंग हैं। इस महाविद्यालय का अंग होना हमारे लिए अत्यंत गौरव की बात है।

Lala Deshbandhu Gupta was a veteran independence fighter, journalist, and respected legislator who had an uncompromising dedication to social welfare and national unity. Born as Rati Ram Gupta in Panipat town, Haryana on 14th June, 1901, he died on 21st November, 1951. In honour of his many years of devotion and the significant contributions he made to the development of the country, the Ministry of Rehabilitation in 1952 created DESHBANDHU COLLEGE. Swami Shraddhanand and Mahatma Gandhi were the ones who bestowed upon him the term Deshbandhu, which translates to "friend of the nation." This title eventually became synonymous with his name. He was a fervent advocate for the right of people in India to have access to a free press and served as Chief of the All India Newspaper Editors' Conference in the year 1950. While he was a member of the Constituent Assembly, he campaigned for a responsible administration and a legislative assembly to be established in Delhi.

Along with Swami Shraddhanand, he was the co-founder of the newspaper known as the "**Daily Tej**." In addition, he worked as an editor for Lala Lajpat Rai's publication "*Vande Mataram*." He served on the board of the Indian News Chronicle, which is now known as **The Indian Express**. His statue, which was unveiled by the college administration on the 6th of August, 2022 in the presence of his family, stands tall as an inspiration and a continual reminder for our upcoming seeds of the future. He is very much alive in our minds, and he will continue to be there for all of eternity. The life and legacy of Lala Deshbandhu Gupta exemplifies the potency of empathy, foresight, and committed societal contribution. His unwavering dedication to social reform, educational progress, and political engagement has yielded a profound influence on the nation of India.

DESHBANDHU COLLEGE – AN INTRODUCTION

देशबन्धु कॉलेज दिल्ली विश्वविद्यालय द्वारा पूर्ण रूप से अनुरक्षित संबद्ध कॉलेज है, जिसे दक्षिण दिल्ली में सबसे पुराना और सबसे बड़ा सह-शिक्षा संस्थान होने का गौरव प्राप्त है। कॉलेज की स्थापना 1952 में पुनर्वास मंत्रालय द्वारा भारतीय स्वतंत्रता सेनानी और संसद सदस्य लाला देशबन्धु गुप्ता की स्मृति में की गई थी। कला और विज्ञान के लिए एक प्रेप कॉलेज के रूप में अपनी छोटी शुरुआत से, इसने अब तक विभिन्न विषयों में सात स्नातकोत्तर और अठारह स्नातक पाठ्यक्रमों के साथ अपने दायरे का विस्तार किया है, जो प्रतिवर्ष 5000 से अधिक छात्रों का भविष्य-निर्माण करता है।

'कर्मण्येवाधिकारस्ते', जैसे बोध-वाक्य के द्वारा निर्देशित यह कॉलेज आकार और कद में वृद्धि को प्राप्त कर रहा है। नीट 2025 में कॉलेज कैटेगरी के तहत अखिल भारतीय 13वीं रैंक प्राप्त किया साथ ही इंडिया टुडे रैंकिंग 2026 में हमारे कॉलेज ने विज्ञान में अखिल भारतीय 38वीं रैंक, वाणिज्य में 43वीं रैंक और कला वर्ग में 54वीं रैंक से सम्मानित किया गया है व यह इंडिया टुडे की 2026 की रैंकिंग में सबसे ज्यादा सुधार करने वाले टॉप 10 कॉलेजों में भी शामिल है। जिसके तहत हाल ही में अंतर्विषयक अनुसंधान के लिए कॉलेज में आई-4 केंद्र (छात्र अनुसंधान केंद्र) स्थापित किया गया है। कॉलेज अपने संकाय के साथ एक मजबूत शोध प्रोफाइल को प्रस्तुत करता है, जिसने एससीआई/स्कोप्स/यू बिटकाउंट-केयर अनुक्रमित अंतरराष्ट्रीय और राष्ट्रीय रेफरीड पत्रिकाओं में 300 से अधिक शोधपत्र प्रकाशित किए हैं। कॉलेज लाइब्रेरी, जो दिल्ली विश्वविद्यालय की सबसे बड़ी लाइब्रेरी में से एक है, को डी.आर.डी.ओ. के डी.ई.एस.आई.डी.ओ.सी. 'जर्नल ऑफ लाइब्रेरी एंड इंफॉर्मेशन टेक्नोलॉजी' में प्रकाशित एक अध्ययन में 2020 में विश्वविद्यालय में 'सर्वश्रेष्ठ कॉलेज लाइब्रेरी' का स्तर दिया गया था।

Deshbandhu College, a constituent college of the University of Delhi, is the oldest and largest co-educational institution in South Delhi. Established in 1952 by the Ministry of Rehabilitation, in memory of Lala Deshbandhu Gupta, a veteran freedom fighter and Member of Parliament, it was the first college outside the University campus. Deshbandhu College was set up specially for those displaced during the Partition and it began as a humble Prep College for Arts and Sciences with just 72 students. Today it is a highly regarded institution that offers 7 post-graduate and 18 undergraduate courses and caters to over 5000 students annually. Guided by the motto of 'karmanye vadhikaraste', it continues to grow in stature.

Distinctions

Deshbandhu College proudly celebrated 70 years of its foundation this year. The college has secured an All India Rank of 13th under the Colleges Category of the NIRF (National Institutional Ranking Framework, Govt. of India) in 2025. In the India Today Rankings of 2026, it secured All India Ranks of 38, 43 and 54 in the Sciences, Commerce and Arts categories respectively. It also figures in the Top 10 Most Improved Colleges in B.A. and B.Com. in the India Today ranking in 2026. The college boasts of an accomplished faculty, who have published more than 300 research papers in SCI/SCOPUS/UGC-CARE indexed international and national refereed journals in the last academic year. In the various and generous research grants it has attracted together with a research oriented faculty, Deshbandhu College embodies a strong research infrastructure and profile. The college was awarded the 'DBT-Star College Scheme' by the Department of Biotechnology (Govt. of India), as part of which, an i-4 Centre (Student Research Centre) for interdisciplinary research has been set up. Deshbandhu College library, one of the largest in the university, was ranked the best college library in the university in 2020 in a study published in DESIDOC Journal of Library & Information Technology, DRDO.

देशबन्धु कॉलेज छात्रों को विभिन्न प्रकोष्ठों, क्लबों और सोसाइटियों के माध्यम से अपने कौशल और दक्षताओं के पोषण और संवर्धन के लिए पर्याप्त अवसर प्रदान करता है। हम अपने छात्रों को एक ऐसे वातावरण में ज्ञान और सीखने के सभी संभावित तरीकों की जांच और अन्वेषण करने के लिए प्रोत्साहित करते हैं, जो खुली बहस और चर्चा को जन्म देता है। हम न केवल जिज्ञासा की भावना पैदा करते हैं, बल्कि बाहरी दुनिया के मुद्दों और चिंताओं के साथ उनकी कक्षा की शिक्षा को समझने और जोड़ने का उत्साह भी पैदा करते हैं। कॉलेज ने अत्यधिक प्रतिबद्ध और प्रेरित एनसीसी और एनएसएस के माध्यम से समाज से जुड़ाव और आउटरीच के क्षेत्र में अपने लिए एक जगह बनाई है, जिसने अपनी गतिविधियों और प्रदर्शन के लिए कई प्रशंसा और पुरस्कार जीते हैं। समाज की बेहतरी हेतु अपना योगदान देने और लोकाचारपूर्वक कॉलेज ने हाल ही में 'उन्नत भारत अभियान योजना' के तहत 5 गाँव को गोद लिया है। संस्थान 'विद्या विस्तार योजना' में भी भागीदार है, जिसके तहत उसने अकादमिक और शोध आदान-प्रदान हेतु मणिपुर के दूरवर्ती एक कॉलेज के साथ करार किया है। इसके अलावा, कॉलेज ने छात्रों की क्षमताओं और दक्षताओं का पोषण करने और उन्हें रोजगार योग्य बनाने और जीवन-कौशल प्रदान करने में सक्षम बनाने के लिए, विभिन्न कंपनियों के अलावा, चार विभिन्न क्षेत्र के स्किल काउंसिल के साथ समझौता ज्ञापन पर हस्ताक्षर किया है।

कॉलेज ने एक कुशल आंतरिक गुणवत्ता आश्वासन प्रकोष्ठ (आईक्यूएसी) की स्थापना की है जो कॉलेज के शैक्षणिक मानकों को बनाए रखने और उसके विस्तार पर केंद्रित है। महिला विकास प्रकोष्ठ (डब्ल्यूडीसी) सतत लैंगिक समानता, लैंगिक न्याय और लिंग जागरूकता से संबंधित मुद्दों से और ऐसे तरीकों से जुड़ा हुआ है जिसका उद्देश्य है छात्र निकाय के बीच महिला सशक्तिकरण और लैंगिक मुद्दों के बारे में जागरूकता बढ़ाना। हमें न केवल अपनी विस्तृत और सुदृढ़ खेल सुविधाओं पर गर्व है, बल्कि हम खेल और शारीरिक प्रशिक्षण पर औपचारिक पाठ्यक्रम भी पढ़ाते हैं। हमारे पास अत्याधुनिक वेब एक्सेस सेंटर है जो हमारे छात्रों की आवश्यकताओं को भी पूरा करता है। कॉलेज मेधावी और जरूरतमंद छात्रों को वित्तीय सहायता भी प्रदान करता है ताकि वे कॉलेज की डिग्री प्राप्त कर अपने सपने को पूरा कर सकें।

60 प्रतिशत से अधिक हरित आवरण के साथ विशाल परिसर में अवस्थित इस कॉलेज में फ्लोरा की 35 से अधिक प्रजातियाँ, विशाल लॉन, खेल के मैदान एक परेड ग्राउंड और बॉटनिकल गार्डन है। कॉलेज परिसर एक प्रशासनिक और शैक्षणिक ब्लॉक, 200 लोगों के बैठने की क्षमता वाला एक वातानुकूलित सभागार, अच्छी तरह से सुसज्जित प्रयोगशालाओं, छात्रों के कॉमन रूम, व्यायामशाला, कैंटीन, फोटोकॉपी की दुकान, चिकित्सा कक्ष, बैंकिंग सुविधा, सेमिनार हॉल और विशाल स्मार्ट कक्षाओं से युक्त है जो ज्ञान-प्रसार और ज्ञान-निर्माण के लिए सही सेटिंग प्रदान करते हैं। कॉलेज 72 किलोवाट की स्थापित क्षमता वाली सौर पैनलों, प्रयोगशालाओं में पीएनजी, एक हरित ईंधन, वर्षा जल संचयन प्रणाली, 80 प्रतिशत एलईडी के साथ ऊर्जा संचयन प्रकाश व्यवस्था जैसी पहलों के साथ एक ग्रीन कैम्पस में बदलने की प्रक्रिया में है। प्रकाश व्यवस्था और 5 स्टार और वीआरएफ रेटिंग एयर कंडीशनिंग सिस्टम और जैविक खाद के उत्पादन के लिए एक एकीकृत कंपोजिटिंग सुविधा का निर्माण किया। कॉलेज परिसर अलग-अलग दिव्यांग व्यक्तियों के लिए निर्धारित मानदंडों के अनुसार 100 प्रतिशत सुविधाओं से युक्त है।

कॉलेज और पूरी फैकल्टी छात्रों को एक समग्र वातावरण प्रदान करते हैं, दोनों उनकी मनोवैज्ञानिक और शैक्षणिक आवश्यकताओं पर ध्यान केंद्रित करते हैं। इससे एक अनौपचारिक, घनिष्ठ, मैत्रीपूर्ण और सहयोगपूर्ण वातावरण बनता है जो कठिन परिश्रम और शैक्षणिक उपलब्धियों को प्रोत्साहित करता है।

Life and Learning at Deshbandhu

At Deshbandhu College, students are encouraged to explore all possible avenues for learning through departmental societies and clubs. The college offers the learners ample opportunities to hone their capabilities and to discover and develop their aptitude and skills. It ensures a safe space and environment that encourages open debate and discussion. Extension lectures, conferences and workshops on relevant issues are regularly held to pique their interest in research and the professional world. We aim to inculcate not just a spirit of enquiry, but also the zeal to connect classroom learning with the concerns of the world outside. In addition to departmental societies, we have various art and culture societies like the Dramatic Society, Music Society, Debating Society and many more which give students a platform to showcase their talent. Further, Deshbandhu College has created a niche for itself in the domain of social outreach through highly committed and motivated NCC (National Cadet Corps) and NSS (National Service Schemes) branches, which have won many accolades. As part of its ethos of concretely contributing to the betterment of society, the college has adopted 5 villages under the recently awarded 'Unnat Bharat Abhiyan Scheme'. It is also a participant in the 'Vidya Vistar Scheme,' under which it has tied up with a remotely located college in Manipur for academic and research exchange. Further, MoUs have been signed with four different Sector Skill Councils, in addition to various companies, to provide students with employability and life skills. The college has instituted an efficient Internal Quality Assurance Cell (IQAC) that is focussed on maintaining and enhancing the academic standards of the college. The Women's Development Cell (WDC) constantly engages with issues pertaining to gender equality and gender justice, aiming at encouraging women's empowerment and gender awareness among students. We are proud to offer not only a vast array of sports facilities, but also formal academic courses on sports and physical training. We have a state-of-the-art Web Access Centre that caters to the needs of all our students. The college also provides financial assistance to meritorious and needy students.

Green and Smart Campus

The campus comprises of the Administrative and Academic Blocks, an air-conditioned Auditorium with a seating capacity of 200, well-equipped laboratories, Students' Common Rooms, a gymnasium, a canteen, a photocopy shop, a medical room, banking facility, a seminar hall and spacious smart classrooms. These facilities provide the perfect setting for learning and growth. Nestled within the erstwhile Aravalli range, with more than 60% green cover, the campus is home to over 35 species of flora and several bird species. The open area of the campus is dotted with lawns, playgrounds, a parade ground and a botanical garden. The college is in the process of turning into a Green Campus, with initiatives like solar panels, switch to PNG in the laboratories, rainwater harvesting system, energy efficient lighting/ air-conditioning and an integrated composting facility to produce organic manure. Further, the college premises are fully equipped to ensure access to differently-abled persons.

Every program and facility in the college is geared towards the intellectual and moral growth of the students as well as towards holistically meeting their psychological and academic needs.

CHAIRPERSON'S MESSAGE

Shri Santosh Kumar Taneja
Chairman, Governing Body

सत्र 2026-2027 के अंतर्गत देशबंधु कॉलेज में प्रवेश पाने वाले सभी नए विद्यार्थियों को हार्दिक बधाई देते हुए मैं उनका स्वागत करता हूँ। शिक्षक, छात्र एवं गैर शैक्षणिक कर्मचारियों की सुसंगत इकाई के रूप में स्थापित देशबंधु परिवार के अंतर्गत छात्रों की प्रतिभाओं को विकसित होने का पूरा मौका मिलता है। जिससे उनके अंदर सार्वभौमिक मूल्यों के साथ-साथ प्रतिस्पर्धा की भावना को भी बल मिलता है। कॉलेज के छात्र केंद्रित वातावरण का उद्देश्य प्रत्येक छात्र में छिपी हुई क्षमता को विकसित करना है ताकि वह अपने नवोदित सपने और आकांक्षाओं के द्वारा समाज और राष्ट्र के हित में अपना योगदान दे सके।

देशबंधु कॉलेज का शैक्षणिक वातावरण बेहतरीन बुनियादी ढांचा और नवीनतम शैक्षिक व शोध उपकरणों से परिपूर्ण है। विविध प्रकार की वनस्पतियों से युक्त हरियाली, उत्कृष्ट खेल सुविधाएं एवं डिजिटल निर्देशिका से सुसज्जित बेहतरीन पुस्तकालय इस कॉलेज को एक अग्रणी शिक्षण संस्थान के रूप में स्थापित करता है।

तेजी से बदलते हुए इस युग में रचनात्मक योगदान देने के लिए युवा मस्तिष्कों को आकार देना देशबंधु कॉलेज के शिक्षकों की एक गहन पोषित परंपरा है। विश्व स्तरीय अनुसंधान और उच्चतम शैक्षिक कौशल से युक्त देशबंधु कॉलेज के शिक्षक आप सभी नए विद्यार्थियों का हृदय से स्वागत करते हैं।

इस नए शैक्षणिक सत्र के साथ ही हम राष्ट्रीय शिक्षा नीति 2020 के एक नए पायदान की ओर कदम बढ़ा रहे हैं। राष्ट्रीय शिक्षा नीति एक व्यापक शैक्षिक सुधार वाला ढांचा है जिसके चार वर्षीय पाठ्यक्रम के चौथे वर्ष में हमारा यह प्रथम प्रवेश है। इस नई रूपरेखा की शुरुआत करते हुए मैं पूरी तरह से आशान्वित हूँ कि यह हमारे छात्रों के शैक्षिक विकास को एक नया आयाम देगा।

इस संस्था के अध्यक्ष के रूप में मैं आपको आश्चर्य करना चाहता हूँ कि संपूर्ण देशबंधु संगठन अपने छात्रों को उत्कृष्टता की नई ऊंचाइयों को प्राप्त करने की दिशा में प्रोत्साहित करने के लिए सदैव समर्पित रहेगा।

सभी छात्र एवं छात्राओं को देशबंधु कॉलेज में उनकी एक नई शानदार पारी के लिए शुभकामनाएं!

Many congratulations and heartfelt welcome to all the forthcoming students to the scholastic precincts of Deshbandhu College in the new academic session 2026-27. The Deshbandhu fraternity, constitutive of teachers, students, and non-teaching staff work together as a coherent whole to render the institution as a perfect site for nurturing talent, inculcating universal values and instilling competitive spirit amongst students. The student-centric ecology of the college is aimed at unlocking the latent potential of each and every student so that budding dreams and aspirations blossom into fruitful contributions to the nation.

The academic spatiality of Deshbandhu College is generously graced with premier infrastructural and prime pedagogical and research instrumentalities. Blessed with verdant environs comprising of varied flora, Deshbandhu College is equipped with sophisticated laboratories, excellent sports facilities, and a capacious and well-stocked library networked through digital directory to render it as an educational space to reckon with. Armed with frontier research and teaching skills, Deshbandhu faculty endearingly welcomes college initiates to their studentship at the institution. Dedicated pedagogy committed to igniting and shaping the young minds towards creatively productive contributions in an increasingly planetary age is the deeply rooted tradition of our college.

As the new academic year dawns, we step further into the guidelines of National Education Policy-2020, a comprehensive educational reform framework, to roll out the fourth year of the various academic programs. Evenly bifurcated into seventh and eighth semesters, the fourth year comes as a major addition to the academic profile of the college. As we negotiate these transitions, I earnestly do hope that students will benefit the most from our endeavors. As the Chairperson of the College, I want to assure you that the entire Deshbandhu organization is programmed to support and encourage its students to help them achieve new heights of excellence.

Best wishes to all the students for a glorious innings ahead.

FROM THE PRINCIPAL'S DESK

Prof. Rajendra Kumar Pandey
Principal

शैक्षणिक वर्ष 2026-2027 के लिए देशबंधु कॉलेज में प्रवेश पाने वाले सभी नए छात्रों का मैं हार्दिक स्वागत करता हूँ। दिल्ली विश्वविद्यालय के प्रमुख संस्थानों में से एक देशबंधु कॉलेज ने अपने विद्यार्थियों की शैक्षणिक उत्कृष्टता और समग्र विकास के लिए निरंतर प्रयास करते हुए एनएएसी रैंकिंग में ए++ और अखिल भारतीय एनआईआरएफ रैंकिंग में 13वां स्थान बनाए रखा है।

प्रत्येक छात्र के शैक्षिक और व्यावसायिक उत्कर्ष के लिए समर्पित देशबंधु कॉलेज निरंतर ही दृढ़तापूर्वक अनुसंधान एवं शैक्षिक उत्कृष्टता के नए क्षितिज की ओर अग्रसर है। कॉलेज का उत्कृष्ट बुनियादी ढांचा, समर्पित शिक्षकगण और सहायक प्रशासन सभी मिलकर छात्रों को सहज एवं उच्च गुणवत्ता वाली शिक्षा प्रदान करते हुए उनके चरित्र में नैतिक मूल्यों का विकास करने व उन्हें इस देश के संवेदनशील नागरिक के रूप में विकसित करने के लिए प्रतिबद्ध है। 'कर्मण्येवाधिकारस्ते' का शाश्वत सिद्धांत एवं लाल देशबंधु गुप्ता के उच्च आदर्श हमारे सभी कार्य एवं प्रयासों में हमारा सतत मार्गदर्शन करते हैं जो इस कॉलेज को एक उच्चतम शैक्षणिक संस्थान के रूप में बनाए रखने की ओर हमें प्रेरित करते हैं।

देशबंधु कॉलेज छात्रों की विस्तृत शृंखला को एक आदर्श शैक्षिक वातावरण प्रदान करता है। जिससे न सिर्फ उत्कृष्ट प्रदर्शन करने वाले छात्र बल्कि अतिरिक्त सहायता की आवश्यकता वाले विद्यार्थियों को भी प्रोत्साहन मिलता है। अत्याधुनिक सुविधाओं से लैस पुस्तकालय, अच्छी तरह से सुसज्जित प्रयोगशाला और आधुनिक खेल प्रावधानों के साथ कॉलेज की आधारभूत संरचना इस प्रकार से व्यवस्थित की गई है कि यह विभिन्न सामाजिक पृष्ठभूमि और विभिन्न रुचि वाले छात्रों के सपने और आकांक्षाओं को सफलतापूर्वक साकार करने में मदद करता है। जहां एक ओर कॉलेज की निर्माण संरचना दिव्यांगों के अनुकूल है वहीं दूसरी ओर यहां की प्राकृतिक ऊर्जा पर्यावरण संबंधी सभी विषयों की ओर हमारी प्रतिबद्धता को भी दर्शाती है। इन सबके साथ ही हमारे पूर्व छात्र हमारे लिए गर्व और प्रेरणा के ऐसे स्रोत हैं जिनकी उपलब्धियां जीवन के विभिन्न क्षेत्रों में स्थापित हैं।

राष्ट्रीय शिक्षा नीति 2020 के तत्वाधान में स्नातक पाठ्यक्रम रूपरेखा को 2022 में शुरू किया गया था ताकि शिक्षा को अधिक से अधिक समसामयिक बनाते हुए रोजगार और शोध के उन्मुखीकरण द्वारा संचालित किया जा सके। सत्र 2026-2027 में हम इस नए पाठ्यक्रम के 5 वर्ष में प्रवेश करते हुए अपने विभिन्न शैक्षिक कार्यक्रमों के सातवें और आठवें सेमेस्टर का प्रारंभ कर रहे हैं। यह कॉलेज की शैक्षणिक रूपरेखा को और भी समृद्ध करते हुए एक ऐसे मजबूत छात्र समुदाय का विकास करेगा जो रोजगार एवं शोध कौशल से परिपूर्ण हो। नए पाठ्यक्रम का विस्तृत दिशा निर्देश कॉलेज और विश्वविद्यालय के वेबसाइट पर उपलब्ध हैं। देशबंधु कॉलेज सभी छात्रों को एक ऐसा सुरक्षित आधार प्रदान करता है जहां से वे आत्मविश्वास के साथ अपने सपनों और आकांक्षाओं की उड़ान भर सकते हैं।

एक बार पुनः मैं अपने सभी नए छात्रों का स्वागत करता हूँ और आशा करता हूँ कि आपके सभी सपने साकार हों!

I cordially welcome all the college novitiates to the scholastic domains of Deshbandhu College for the academic year 2026-27. Throughout its long educational trajectory spanning more than seven decades, the college, as one of the premier institute of the University of Delhi with A++ NAAC rating and an All-India NIRF ranking of 13, has persistently strived for academic excellence and holistic development of its students.

Delicately engaged with the educational and professional flourishing of every student, the college tenaciously aspires to new horizons of research and pedagogical excellence. The excellent infrastructure, dedicated instructors and helpful administration of the college are focussed on providing accessible and quality education, inculcating ethical and moral values and instilling ecological and planetary sensibilities amongst students. The eternal dictum of 'karmanye vadhikaraste' accentuating the importance of detached action and the lofty ideals of Lala Deshbandhu Gupta informs us in all our endeavours, thereby shepherding us through our journey as the best educational enterprise.

Deshbandhu College furnishes an ideal educational habitat for a broad spectrum of students, motivating those who excel and stimulating those who need extra help. With its state-of-the-art facilities of commodious library, well-equipped laboratories, and modern sport provisions, the infrastructural ecosystem of the college is so designed as to successfully help realize the dreams and aspirations of its students hailing from diverse social backgrounds and having varied interests. While the built environment of the college is divyaang-friendly, Deshbandhu territory as a whole supports and encourages eco-friendly practices. Concurrently a source of pride and inspiration, the college boasts of a glowing alumni profile comprising achievers from various walks of life.

Introduced under the aegis of National Education Policy-2020, the Undergraduate Curriculum Framework was rolled out in 2022 to make the education more contemporaneous and driven by orientations of job and research. As the new curriculum framework unfolds, we begin the fourth year of our various academic programs as seventh and eighth semester bifurcation. Further enriching the academic profile of the college, the programs visualize a robust student community with honed job and research skills. Detailed guidelines of the new curriculum are available on the college and university website. Students are advised to check the college website regularly for all updates and information related to academic and co-curricular activities of the college. Deshbandhu College assures a promising perch from where students can confidently take flights of their dreams and aspirations.

Once again, warm welcome and best wishes to all the college initiates.

ADMISSION PROCEDURE

For admission to Undergraduate programs of the University of Delhi, all candidates (Including those applying for supernumerary seats) must register for CUET-2026 at <https://cuetsamarth.ac.in>

The University shall consider the subject-based "Normalized Scores" as declared by the NTA in the CUET (UG)-2026 Score Card of the candidates.

Merit will be based only on the 'combination of subjects in which a candidate has appeared in CUET' as mentioned in the respective Program-Specific Eligibility.

1. GENERAL GUIDELINES

1. The applicant must be a citizen of India. (Note: 10% of supernumerary seats are reserved for foreign nationals. Candidates seeking admission under Foreign Students' category are required to apply on Foreign Students' Registry website, <http://fsr.du.ac.in>).
2. The applicant should have passed the Class XII examination of any Board/ University examination in India or in any foreign country recognized as equivalent to the 10+2 system by the Association of Indian Universities (AIU).
3. Admissions to all Undergraduate Programs at the University of Delhi will be based on the scores obtained in CUET 2026.
4. Merit will be based only on the 'combination of subjects in which a candidate has appeared in CUET' as mentioned in the respective Program-Specific Eligibility.
5. Only the scores obtained in CUET 2026 will be considered for admissions to the academic year 2026-27.
6. As per ordinance-I of University, there is no minimum age bar for admission to the undergraduate programs in the University and its colleges.
7. Gap year will not be a bar for the purpose of admission to undergraduate programs. However, such candidates must have appeared in CUET-2026 for admissions in academic year 2026-27.

2. EQUIVALENCE OF BOARDS

The applications for admission to all the UG programs in the Colleges in respect of candidates belonging to the Examining bodies of Boards / Universities recognized/accredited by the Association of Indian University (AIU) / University Grants Commission (UGC) / Ministry of Education (MoE) shall be considered in terms of the following recommendations as mentioned in the University circular letter of 13.01.2005.

- Senior School Certificate of various Boards recognized by AIU /Central Board of Secondary Education (CBSE) is considered as equivalent to the Senior School Certificate of Central Board for the purposes of eligibility to various Undergraduate programs.
- Candidates who pass various Degree / School Examination of Foreign Universities / Boards as having already been approved by the Equivalence Committee, from time to time, will be considered eligible as a matter of routine. The cases of only those Candidates who do not fall in the list of AIU /UGC /Council of Boards of School Education in India (COBSE) / MoE recognized accredited Boards/ Universities shall be referred to the University on an individual basis.

-----------------------	---

4. SEAT ALLOCATION AND ADMISSION

- On declaration of the allocation list/s, the candidate must check the lists carefully and log on to his/her CSAS-2026 dashboard for acceptance of the allocated seat, if offered.
- It is the responsibility of the candidate to login to the dashboard and check if a seat is allocated in a given round of seat allocation, and if allocated s(he) must complete all admission formalities.

4.1: ACCEPTANCE OF THE PROVISIONALLY ALLOCATED SEAT

- Once a seat has been allocated in a particular round, the candidate must 'Accept' the Allocated Seat before the last date/time specified for the given allocation round.
- The provision for acceptance of a particular Allocated Seat will be valid only for the round in which the seat was allocated to the candidate.
- In case a candidate is offered multiple seats in a particular round, s(he) must "Accept" ONE Allocated seat ONLY.
- Inactivity/no-action will be taken as non-acceptance to the Allocated Seat. It will be treated as a decline to the provisionally Allocated Seat and the candidate will no longer be able to participate in subsequent rounds of CSAS-2026

4.2: ONLINE APPROVAL BY THE COLLEGE

Once the candidate "Accept" the provisionally Allocated Seat, the concerned College will check the eligibility and documents uploaded by the candidate. The College will verify the following within the stipulated timeline:

1. Minimum Eligibility of the Candidate.
2. Program-Specific Eligibility of the Candidate.
3. Subject Mapping: UoD will consider only those CUET subjects in which s(he) has passed Class XII.
4. Validity and authenticity of Documents/Certificates submitted by the Candidate.

During the online approval process, if a college seeks more clarity/information from the candidate, it may raise a query to the Candidate (refer to Section 6.3).

After verification, the College will either 'Approve' or 'Reject' the provisionally Allocated Seat of the candidate. No application will be left unattended by the Colleges.

In case of Approval:

Once the College accords the approval, the candidate will have to pay the 'Admission Fee'.

In case of Rejection:

At the time of online verification, if an application gets rejected, the College will state the reason for rejection. For rejecting an application, the College will indicate any of the following reason/s:

1. Non-fulfillment of the Minimum Eligibility by the Candidate.
2. Not-fulfillment of Program-Specific Eligibility by the Candidate.
3. Non-fulfillment of the subject-mapping criteria.
4. Invalid documents/certificates submitted by the candidate.
5. Failure to respond to the query(ies) raised by the College within the stipulated time.

4.3: RESPOND TO QUERIES (IF ANY) DURING COLLEGE APPROVALS

- During the online approval process, if a College raises a query(ies) then the candidate must respond online (through the candidate's dashboard) within the stipulated time.
- Failure to respond to the query(ies) will lead to rejection of the Allocated Seat and the candidate will be out of CSAS-2026.

4.4: ADMISSION TO THE PROVISIONALLY ALLOCATED SEAT

- After the College approves, the candidate will have to pay the Admission Fee for the approved seat
- The admission process will be treated as complete only after successful payment of the admission fee
- If a candidate fails to pay the admission fee within the stipulated time, it will be considered as a cancellation of the provisionally Allocated Seat.
- The Allocated Seat shall be forfeited and the candidate will not be considered for any subsequent CSAS-2026 allocation rounds.
- The candidate will forfeit all the rights of the allocated seat and will not be considered for any subsequent CSAS-2026 allocation rounds.

5. SUBSEQUENT ROUNDS OF ALLOCATION

- Based on the availability of the seats that arise due to rejections, cancellations, and withdrawals, the University may announce multiple allocation rounds.
- The UoD will display the vacant seats on its admission website (admission.uod.ac.in) before every allocation round.
- All candidates who have applied for CSAS-2026 will be eligible for all allocation rounds, except those whose allocated seat/admission has been canceled for whatever reason.
- All admitted candidates who opt for the "Upgrade" option in a particular round will be considered for respective CSAS-2025 allocation round, subject to the availability of seats.
- Candidates who were allocated their first preference in any round will not be considered in subsequent rounds of allocation.

6. UPGRADE OR FREEZE

Before the announcement of a round, the University will open an "Upgrade" Window for all admitted candidates

6.1: UPGRADE

- An admitted candidate can select the 'Upgrade' option, which will allow upgradation to a higher preference submitted by the candidate. Admitted candidates who opt for upgradation will automatically be upgraded based on the allocation policy.
- Choosing the option 'Upgrade' will mean that the candidate consents to consideration of an offer of admission to a Program + College Combination of his/her higher preference in the subsequent round (if any). His/her current admitted seat will be auto cancelled if new preference/s is/are allocated.
- A candidate who opts for 'Upgrade' can also reorder the Program + College Combinations that were higher in preference than the allocated one.
- The Program + College Combination in which s(he) had taken an admission earlier will never be offered to the candidate in any subsequent round.
- Similarly, the Program + College combinations which were below in the preference order at which the candidate had taken an admission earlier will never be offered again to the candidate in any subsequent round.
- The upgrade option will not be available for the candidate who was allocated his/her first preference. It will be the responsibility of the candidate to keep checking for 'Upgrade' options in all rounds of seat allocations. Failure/inability to participate in the upgradation process will not be considered a grievance in any circumstance.
- **A candidate who gets upgraded will have to 'Accept' the upgraded seat and complete the admission procedures on the upgraded Allocated Seat/s. If a candidate does not do any activity on the upgraded seat/s, it will, by default, be considered cancelled and the candidate will be out of CSAS-2026.**
- In case, a candidate does not get upgraded, his/her admission to the earlier seat will be retained.

6.2: FREEZE

- A candidate who has taken admission on an Allocated Seat and desires to continue with it should submit a 'Freeze' request through his/her dashboard. **On selecting 'Freeze', such a candidate will never be allowed to opt for "Upgradation."**
- If an admitted candidate neither opts for upgradation nor opts for Freeze, and remains inactive for a round, the admission taken by him/her will be retained and he/she will not be considered for upgradation.

7. CANCELLATION OF PROVISIONALLY ALLOCATED SEAT/ADMISSION

1. Failure to 'Accept' the provisionally Allocated Seat within the stipulated time line will lead to the cancellation of the Allocated Seat.
2. The provisionally Allocated Seat will be cancelled if a candidate fails to pay the Admission fee within the stipulated time.
3. The provisionally Allocated Seat/Admission will be cancelled if, at any time, any of the document(s)/certificate(s) is/are found to be invalid/fraudulent.
4. The provisionally Allocated Seat/Admission will be cancelled if, at any time, it is found that a candidate does not meet the Minimum Eligibility Criteria as declared by UoD.

A candidate whose provisionally allocated seat/admission is canceled due to the above-mentioned reasons will forfeit the right to seek admission to UoD through CSAS-2026.

8. WITHDRAWAL OF ADMISSION BY THE CANDIDATE

- A candidate who has been admitted to a programme but wishes to withdraw from it can do so through his/her dashboard by selecting the 'Withdraw' option and paying a withdrawal fee of 1000.00 (non-refundable).
- A candidate who withdraws his/her admission will be out of CSAS-2025.
- He/she will forfeit his/her eligibility for admission to UG Programs of UoD.
- No further participation in any of the subsequent allocation rounds (if any) will be allowed.

There will be no option to withdraw the admission once the Spot Admission round is announced.

9. MID-ENTRY

- Through the provision of Mid-Entry, the candidates who either failed to apply for CSAS(UG)-2026 within the stipulated time (during Phase I) or could not complete Phase II, and are desirous of participating in CSAS(UG)-2026 can participate (as and when announced by the University). Such candidate can do so by paying a Mid - Entry fee of 1000.00 (non-refundable).
- A candidate who makes a Mid-Entry may be considered for allocation only after all the candidates who had applied earlier and have the merit score/s higher than the lowest declared score have been allocated.
- A candidate who applies to CSAS-2026 mid-way will not hold any right to claim the seats allocated to candidates who had applied to CSAS-2026 during the initial Application Phase.
- Allocation of seats to such candidates may be considered for subsequent rounds (if any), subject to fulfillment of eligibility criteria, availability of seats, and other CSAS-2026 rules.
- It will be mandatory for the Mid-Entrant to take admission on the seat allocated to him/her, if offered. Failure to accept the allocated seat will forfeit the candidate's admission to UoD.
- There will be no option of 'Upgrade'. The seat allocated in a particular allocation round will be final and will not be upgraded in any subsequent allocation round.
- Mid-Entry will only be considered after successful remittance of the Mid-Entry fee.
- **Merely applying through Mid-Entry does not guarantee a seat through CSAS-2026.**

Mid-Entry will not be allowed for Performance-Based Programs (B.A.(Hons) Music, B.Sc Physical Education, Health Education, and Sports), and ECA, Sports Supernumerary Quota.

10. SPOT ADMISSION

- After the completion of regular CSAS-2026 rounds, if seats remain vacant, UoD may announce Spot round/s of admission.
- Candidates who applied for CSAS-2026 but were not admitted to any College on the date of declaration of the Spot Admission round can participate in Spot Admissions.
- On the announcement of Spot Admission, the admission of all already candidates will be locked and they will not be considered for upgrades.
- Similarly, the admitted candidates will not be allowed to withdraw their admissions.
- To be considered in a Spot Admission round, the candidate will have to opt for 'Spot Admission' through his/her dashboard.
- For every Spot Admission round the University will display the vacant seats of each Program. A desirous candidate will be able to select ONLY ONE Program.
- In Spot Admissions, allocations will be done on the basis of the following criteria:
 - I Availability of seats.
 - II Program-Specific merit.
 - III Order of Preference of College.
 - IV Category.
 - V Any other allocation rules, policies, or criteria as mentioned in this document (CSAS-2026), UG BOI - 2026, or published on the admission website of UoD
- It will be mandatory for the candidate to take admission to the seat allocated in a Spot round. Failure to accept the allocated seat in the Spot Admission round will forfeit the candidate's eligibility for admission to UoD and s(he) will be out of CSAS.
- There will be no option of 'Upgrade' and 'Withdraw' during the Spot Admission rounds. **The seat allocated in a particular Spot Admission round will be final** and will not be upgraded in any subsequent round of Spot Admission rounds.

11. TIE-BREAKING RULES

In the event of a tie, where two or more candidates have the same CUET(UG) - 2025 merit score for a Program + College Combination, the following rules will be applied in the stated order to break the tie:

1. The candidate with a higher percentage of aggregate marks in the Best 3 subjects of Class XII will be given preference
2. The candidate with a higher percentage of aggregate marks in the Best 4 subjects of Class XII will be given preference.
3. The candidates with a higher percentage of aggregate marks in the Best 5 subjects of Class XII will be given preference.
4. Age of the candidate; preference will be given to the candidate having an earlier date of birth (as mentioned in the Class X certificate).

Note:

1. If the mark sheet contains both Class XI and Class XII marks, only Class XII marks will be considered.
2. Any discrepancy in the entry of marks pertaining to the Theory, Practical or Total, will be the sole responsibility of the candidate.
3. If the Class XII mark sheet contains CGPA/Grades, the candidate will have to convert the Grades into equivalent marks/percentages as per the issuing examination board (refer to Annexure II for Grade conversion).

12. REMITTANCE OF FEE

- Admission of a candidate will be deemed confirmed only after the successful realization of the Admission Fee.
- The admission fee must be paid only through the candidate's dashboard.
- If the admission fee is not successfully remitted within the stipulated time, the admission will not be considered complete under any circumstances. For all payments, candidates should use any of these payment modes: Net Banking / Debit Card / Credit Card / UPI.

12.1: VIRTUAL WALLET

- Upon the successful remittance of the Admission Fee, a virtual wallet will be created for a candidate.
- In case a candidate gets upgraded and the Admission Fee of the upgraded seat is more than the amount in the virtual wallet of the candidate, s(he) will have to pay the differential amount within the stipulated time.
- In case the Admission fee of the upgraded seat is less than the amount in the virtual wallet of the candidate, it will be auto-debited upon receiving approval from the College.

12.2: PAYMENT FAILURES

1. If the amount is not deducted from the account, the candidate must try paying again before the payment deadline.
2. Candidate must ensure a stable internet connection is used for making the online payment.
3. Candidate must use the correct credentials to make a successful payment.
4. If the amount is deducted, but a notification is not received, the candidate may seek confirmation from his/her source bank.
5. If a successful transaction is confirmed from the source Bank and the payment failure continues to be reflected on the dashboard.
6. In that case, the candidate may contact the ICICI Eazypay Payment Gateway Helpline between 9.30 a.m. to 5:30 p.m., Monday to Saturday (except second and fourth Saturdays) at the following numbers.

Phone: +91-9871985944, +91-9667640628 : Email Address: dupaymentquery@icicibank.com

For queries related to payment, please use the standard format given below:

Candidate Name	Date of Transaction	Transaction No./ID	Course Applied to	Email ID	Mobile No. entered in UoD application	Nature of query
ABCD	DD.MM/YYYY	#####	#####	#####	#####	#####

13. REFUND POLICY

Admission Fee on account of withdrawal of the admission by the candidate will be refunded completely only if the withdrawal has been made before the last date of admission, as announced by UoD. Admission fee for withdrawals done after the last date of admission will not be refunded in any circumstance.

Refunds will not be done for the following:

- a) CSAS-2026 Application Fee.
- b) Mid-Entry Fee.
- c) Withdrawal Fee.

14. MANDATORY REQUIREMENT OF PHYSICAL VERIFICATION OF ORIGINAL DOCUMENTS

At the conclusion of CSAS-2026, all admitted candidates would have to report to the admitted College and complete all the admission formalities of the concerned College, including physical verification of the documents/certificates.

Admission of a candidate is purely provisional and is subject to verification of original documents by the respective College. The College will recheck all the documents/certificates. During physical verification, if any document/certificate is found inadequate/ insufficient/ inappropriate, it will lead to cancellation of the admission, ipso facto. Further, such a candidate will forfeit the opportunity for admission to any UG Program of UoD for the Academic Session 2026-27.

15. CHANGE OF CLASS XII PASSING STATUS

The Class XII passing status of a candidate may change (due to re-totaling, re-evaluation, etc.) by the examination board after the closure of CSAS-2026 Application form. The following shall apply consequently to such a revision of passing status only during the seat allocation period:

1. Due to revision of Class XIIth passing status, a candidate may become ineligible because of not fulfilling the 'Minimum Common Eligibility' (i.e., the Candidate must have passed Class XII or its equivalent from a single recognized board) criteria. In such a case, the candidate will be ineligible at any stage of seat allocation/acceptance/document verification or even at a later stage. The admission of such candidates will stand canceled without any prior notice in this regard.
2. Due to revision of Class XIIth passing status, if a candidate fulfills the 'Minimum Common Eligibility' (i.e. the Candidate must have passed Class XII or its equivalent from a single recognized board) criteria and becomes eligible for admission, then such a candidate may apply to CSAS-2026 through Mid-Entry.

The decision of the University shall be final and binding in all such cases.

प्रवेश-प्रक्रिया

दिल्ली विश्वविद्यालय के स्नातक-स्तरीय कार्यक्रमों में प्रवेश के लिए, सभी उम्मीदवारों (अतिरिक्त सीटों के लिए आवेदन करने वाले उम्मीदवारों सहित) को CUET-2026 के लिए <https://cuetsamarth.ac.in> पर पंजीकरण करना होगा।

विश्वविद्यालय उम्मीदवारों के सीयूईटी (यूजी)-2026 स्कोर कार्ड में एनटीए द्वारा घोषित विषय-आधारित "सामान्यीकृत स्कोर" पर विचार करेगा।

मेरिट केवल 'उन विषयों के संयोजन पर आधारित होगी जिसमें एक उम्मीदवार सीयूईटी में उपस्थित हुआ है' जैसा कि संबंधित कार्यक्रम-विशिष्ट पात्रता में उल्लिखित है।

1. सामान्य दिशानिर्देश

- आवेदक भारत का नागरिक होना चाहिए (नोट: 10% अतिरिक्त सीटें विदेशी नागरिकों के लिए आरक्षित हैं। विदेशी छात्रों की श्रेणी के तहत प्रवेश पाने वाले उम्मीदवारों को विदेशी छात्रों की रजिस्ट्री वेबसाइट, <http://fsr.du.ac.in> पर आवेदन करना आवश्यक है।)
- आवेदक को भारतीय विश्वविद्यालय संघ (एआईयू) द्वारा 10+2 प्रणाली के समकक्ष मान्यता प्राप्त भारत में या किसी विदेशी देश में किसी बोर्ड/विश्वविद्यालय परीक्षा की बारहवीं कक्षा उत्तीर्ण होना चाहिए।
- दिल्ली विश्वविद्यालय में सभी स्नातक कार्यक्रमों में प्रवेश CUET 2026 में प्राप्त अंक के आधार पर होगा।
- मेरिट केवल 'उन विषयों के संयोजन' पर आधारित होगी जिसमें उम्मीदवार CUET उपस्थित हुआ है, जैसा कि संबंधित कार्यक्रम-विशिष्ट पात्रता में उल्लिखित है।
- शैक्षणिक वर्ष 2026-2027 में प्रवेश के लिए केवल CUET 2026 में प्राप्त अंकों पर विचार किया जाएगा।
- विश्वविद्यालय के अध्यादेश-1 के अनुसार, विश्वविद्यालय और उसके कॉलेजों में स्नातक कार्यक्रम में प्रवेश के लिए कोई न्यूनतम आयु सीमा नहीं है।
- स्नातक कार्यक्रमों में प्रवेश के लिए गैप ईयर रुकावट(बार) नहीं होगा। हालांकि, ऐसे उम्मीदवारों शैक्षणिक वर्ष-2026 में प्रवेश के लिए CUET-2026 में अवश्य उपस्थित हुए हों।

सीट आवंटन और प्रवेश

- आवंटन सूची/सूचियों की घोषणा होने पर, उम्मीदवार को सूचियों की सावधानीपूर्वक जांच करनी चाहिए और आवंटित सीट की स्वीकृति के लिए अपने सीएसएस-2026 डैशबोर्ड पर लॉग ऑन करना चाहिए, यदि पेशकश जाती है।
- यह उम्मीदवार की जिम्मेदारी है कि वह डैशबोर्ड में लॉग इन करे और जांचें कि सीट आवंटन के दिए गए दौर में सीट आवंटित की गई है या नहीं, और यदि आवंटित किया गया है तो उसे समस्त प्रवेश- औपचारिकताओं को पूरा करना होगा।

4.1 अनंतिम रूप से आवंटित सीट की स्वीकृति

- एक विशेष दौर में एक बार सीट आवंटित हो जाने पर, उम्मीदवार को दिए गए आवंटन दौर के लिए निर्दिष्ट अंतिम तिथि/समय से पहले, आवंटित सीट को 'स्वीकार' करना होगा।
- किसी विशेष आवंटित सीट की स्वीकृति का प्रावधान केवल उसी दौर के लिए मान्य होगा जिसमें उम्मीदवार को सीट आवंटित की गई थी।
- यदि किसी उम्मीदवार को किसी विशेष दौर में कई सीटों की पेशकश की जाती है, तो उसे केवल एक आवंटित सीट को "स्वीकार" करना होगा।
- निष्क्रियता को आवंटित सीट के अस्वीकरण के रूप में लिया जाएगा। इसे अनंतिम रूप से आवंटित सीट में गिरावट के रूप में माना जाएगा और उम्मीदवार अब CSAS-2026 के बाद के दौर में भाग नहीं ले पाएंगे।

4.2: कॉलेज द्वारा ऑनलाइन स्वीकृति

एक बार जब उम्मीदवार अनंतिम रूप से आवंटित सीट को "स्वीकार" कर लेता है, तो संबंधित कॉलेज उम्मीदवार द्वारा अपलोड की गई पात्रता और दस्तावेजों की जांच करेगा। कॉलेज निर्धारित समय सीमा के भीतर निम्नलिखित का सत्यापन करेगा:

- उम्मीदवार की न्यूनतम पात्रता।
- उम्मीदवार की कार्यक्रम-विशिष्ट पात्रता।
- विषय मानचित्रण: यूओडी केवल उन सीयूईटी विषयों पर विचार करेगा जिनमें उसने (उसने) कक्षा बारहवीं उत्तीर्ण की है।
- उम्मीदवार द्वारा जमा किए गए दस्तावेजों/प्रमाणपत्रों की वैधता और प्रामाणिकता।

ऑनलाइन अनुमोदन प्रक्रिया के दौरान, यदि कोई कॉलेज उम्मीदवार से अधिक स्पष्टता/सूचना चाहता है, तो वह उम्मीदवार से एक प्रश्न पूछ सकता है (खंड 6.3 देखें)।

सत्यापन के बाद, कॉलेज उम्मीदवार की अस्थायी रूप से आवंटित सीट को 'स्वीकृत' या 'अस्वीकार' करेगा। महाविद्यालयों द्वारा कोई भी आवेदन अनुत्तरित नहीं छोड़ा जाएगा।

स्वीकृति के मामले में:

एक बार जब कॉलेज ने मंजूरी दे दी, तो उम्मीदवार को 'प्रवेश शुल्क' का भुगतान करना होगा

अस्वीकृति के मामले में:

ऑनलाइन सत्यापन के समय, यदि कोई आवेदन खारिज हो जाता है, तो कॉलेज अस्वीकृति का कारण बताएगा। किसी आवेदन को स्वीकार करने के लिए, कॉलेज निम्नलिखित कारणों में से किसी एक का संकेत देगा:

1. उम्मीदवार द्वारा न्यूनतम पात्रता की पूर्ति न करना।
2. उम्मीदवार द्वारा कार्यक्रम-विशिष्ट पात्रता की पूर्ति न करना।
3. विषय-मानचित्रण मानदंड की पूर्ति न करना।
4. उम्मीदवार द्वारा जमा किए गए अमान्य दस्तावेज/प्रमाण पत्र।
5. निर्धारित समय के भीतर कॉलेज द्वारा उठाए गए प्रश्नों का उत्तर देने में विफलता।

4.3: कॉलेज के अनुमोदन के दौरान प्रश्नों का उत्तर (यदि कोई हो)

- ऑनलाइन अनुमोदन प्रक्रिया के दौरान, यदि कोई कॉलेज कोई प्रश्न पूछता है तो उम्मीदवार अवश्य ही निर्धारित समय के भीतर ऑनलाइन (उम्मीदवार के डैशबोर्ड के माध्यम से) जवाब दें।
- प्रश्न (प्रश्नों) का उत्तर देने में विफलता के कारण आवंटित सीट को रद्द कर दिया जाएगा और उम्मीदवार CSAS-2026 से बाहर हो जाएगा।

4.4: अनंतिम रूप से आवंटित सीट पर प्रवेश

- कॉलेज की मंजूरी के बाद उम्मीदवार को स्वीकृत सीट के लिए प्रवेश शुल्क का भुगतान करना होगा।
- प्रवेश-शुल्क के सफल भुगतान के बाद ही प्रवेश प्रक्रिया को पूर्ण माना जाएगा।
- यदि कोई उम्मीदवार निर्धारित समय के भीतर प्रवेश शुल्क का भुगतान करने में विफल रहता है, तो इसे अनंतिम रूप से आवंटित सीट को रद्द करने के रूप में माना जाएगा।
- आवंटित सीट को जब्त कर लिया जाएगा और उम्मीदवार को किसी भी बाद के CSAS-2026 आवंटन दौर के लिए स्वीकार नहीं किया जाएगा।
- उम्मीदवार आवंटित सीट के सभी अधिकारों को खो देगा और किसी भी बाद के CSAS आवंटन दौर के लिए उसपर विचार नहीं किया जाएगा।

5. आवंटन के बाद के दौर

- अस्वीकरण, रद्दीकरण और निकासी के कारण उत्पन्न होने वाली सीटों की उपलब्धता के आधार पर, विश्वविद्यालय कई आवंटन दौर की घोषणा कर सकता है।
- यूओडी प्रत्येक आवंटन दौर से पहले अपनी प्रवेश-वेबसाइट (admission.uod.ac.in) पर रिक्त सीटों को प्रदर्शित करेगा।
- सभी उम्मीदवार जिन्होंने CSAS-2026 के लिए आवेदन किया है, वे सभी आवंटन राउंड के लिए पात्र होंगे, सिवाय उनके जिनकी आवंटित सीट/प्रवेश किसी भी कारण से रद्द कर दिया गया है।
- सभी प्रवेशित उम्मीदवार जो किसी विशेष दौर में “अपग्रेड” विकल्प का विकल्प चुनते हैं, सीटों की उपलब्धता के अंतर्गत संबंधित CSAS-2026 आवंटन दौर के लिए उन पर विचार किया जाएगा।
- जिन उम्मीदवारों को किसी भी दौर में अपनी पहली वरीयता आवंटित की गई थी, आवंटन के दौर के बाद उन पर विचार नहीं किया जाएगा।

6. अपग्रेड या फ्रीज

एक दौर की घोषणा से पहले, विश्वविद्यालय सभी भर्ती किये गये उम्मीदवारों के लिए “अपग्रेड” विंडो खोलगा

6.1: उन्नयन

- एक प्रवेशित उम्मीदवार 'अपग्रेड' विकल्प का चयन कर सकता है, जो उम्मीदवार द्वारा प्रस्तुत उच्च वरीयता के लिए उन्नयन की अनुमति देगा। प्रवेशित उम्मीदवार जो उन्नयन का विकल्प चुनते हैं, आवंटन नीति के आधार पर स्वचालित रूप से अपग्रेड किए जाएंगे।
- 'अपग्रेड' विकल्प चुनने का अर्थ यह होगा कि उम्मीदवार बाद के दौर (यदि कोई हो) में अपनी उच्च वरीयता के एक कार्यक्रम + कॉलेज कॉम्बिनेशन में प्रवेश के प्रस्ताव पर विचार करने के लिए सहमति देता है। यदि नई वरीयताएँ आवंटित की जाती हैं, तो उनकी वर्तमान भर्ती सीट स्वतः रद्द हो जाएगी।
- एक उम्मीदवार जो 'अपग्रेड' का विकल्प चुनता है, वह प्रोग्राम + कॉलेज कॉम्बिनेशन को फिर से व्यवस्थित कर सकता है कि आवंटित सीट की तुलना में वरीयता में अधिक थे।
- वह प्रोग्राम + कॉलेज कॉम्बिनेशन जिसमें उसने पहले प्रवेश लिया था, किसी भी बाद के दौर में वह उम्मीदवार को ऑफर नहीं किया जाएगा।
- इसी प्रकार, प्रोग्राम + कॉलेज कॉम्बिनेशन जो वरीयता क्रम में नीचे थे, जिस पर उम्मीदवार ने पहले प्रवेश लिया था, किसी भी बाद के दौर में उम्मीदवार को फिर से पेश नहीं किया जाएगा।
- अपग्रेड विकल्प उस उम्मीदवार के लिए उपलब्ध नहीं होगा जिसे उसकी पहली वरीयता के रूप में आवंटित की गई थी। सीट आवंटन के सभी दौरों में 'अपग्रेड'

विकल्पों की जाँच करते रहना उम्मीदवार की जिम्मेदारी होगी। अपग्रेडेशन प्रक्रिया में भाग लेने में विफलता/अक्षमता को किसी भी परस्थिति में शिकायत नहीं माना जाएगा।

- एक उम्मीदवार जो अपग्रेड हो जाता है, उसे अपग्रेड की गई सीट को 'स्वीकार' करना होगा और अपग्रेड की गई आवंटित सीट पर प्रवेश प्रक्रिया पूरी करनी होगी। यदि कोई उम्मीदवार अपग्रेड की गई सीट पर कोई गतिविधि नहीं करता है, तो यह डिफॉल्ट रूप से रद्द माना जाएगा और उम्मीदवार CSAS-2025 से बाहर हो जाएगा।
- यदि कोई उम्मीदवार अपग्रेड नहीं होता है, तो उसकी पिछली सीट पर प्रवेश बरकरार रखा जाएगा।

6.2: फ्रीज

- एक उम्मीदवार जिसने आवंटित सीट पर प्रवेश लिया है और इसे जारी रखना चाहता है, उसे अपने डैशबोर्ड के माध्यम से 'फ्रीज' अनुरोध प्रस्तुत करना चाहिए। 'फ्रीज' का चयन करने पर, ऐसे उम्मीदवार को कभी भी "अपग्रेडेशन" का विकल्प चुनने की अनुमति नहीं दी जाएगी।
- यदि कोई प्रवेशित उम्मीदवार न तो उन्नयन का विकल्प देता है और न ही फ्रीज का विकल्प देता है और किसी दौर के लिए निष्क्रिय रहता है, तो उसके द्वारा लिया गया प्रवेश बरकरार रखा जाएगा और उसके उन्नयन के लिए विचार नहीं किया जाएगा।

7. अंतिम रूप से आवंटित सीट/प्रवेश रद्द करना

1. निर्धारित समय सीमा के भीतर अंतिम रूप से आवंटित सीट को 'स्वीकार' करने में विफल रहने पर आवंटित सीट को रद्द कर दिया जाएगा।
2. यदि कोई उम्मीदवार प्रवेश शुल्क का भुगतान करने में विफल रहता है तो अंतिम रूप से आवंटित सीट निर्धारित समय के भीतर रद्द कर दी जाएगी।
3. अस्थायी रूप से आवंटित सीट/प्रवेश रद्द कर दिया जाएगा, यदि किसी भी समय, कोई भी दस्तावेज/प्रमाणपत्र अमान्य/धोखाधड़ी से युक्त पाया जाता है।
4. यदि किसी भी समय यह पाया जाता है कि उम्मीदवार यूओडी द्वारा घोषित न्यूनतम पात्रता मानदंड को पूरा नहीं करता है तो अस्थायी रूप से आवंटित सीट/प्रवेश रद्द कर दिया जाएगा।

एक उम्मीदवार जिसका अंतिम रूप से आवंटित सीट/प्रवेश उपर्युक्त कारणों से रद्द कर दिया गया है, CSAS-2026 के माध्यम से यूओडी में प्रवेश लेने का अधिकार खो देगा।

8. उम्मीदवार द्वारा प्रवेश वापस लेना

- एक उम्मीदवार जिसने किसी प्रोग्राम या पाठ्यक्रम में प्रवेश या नामांकन पाया है, लेकिन वह उस प्रोग्राम या पाठ्यक्रम से अपना प्रवेश या नामांकन वापस लेने की इच्छा करता है तो वह अपने डैशबोर्ड पर जाकर निकासी विकल्प का चयन करके तथा 1000 रुपये (अप्रतिदेय शुल्क) का निकासी शुल्क जमा करके ऐसा कर सकता है।
- जो उम्मीदवार अपना प्रवेश वापस ले लेता है, वह CSAS-2026 से बाहर हो जाएगा।
- वह यूओडी के यूजी कार्यक्रमों में प्रवेश के लिए अपनी पात्रता खो देगा।
- बाद के किसी भी आवंटन दौर (यदि कोई हो) में किसी भी तरह की भागीदारी की अनुमति नहीं दी जाएगी।
- स्पोर्ट्स एडमिशन राउंड की घोषणा के बाद प्रवेश वापस लेने का कोई विकल्प नहीं होगा।

9. मध्य(मिड)-प्रवेश

- उम्मीदवार छात्र जो निश्चित अवधि में (प्रथम चरण में) CSAS-2026 के लिए आवेदन करने में या तो असफल रहे या द्वितीय चरण को पूर्ण नहीं कर पाये या CSAS-2026 में भाग लेने के लिए इच्छुक हैं तो वे उम्मीदवार छात्र मध्य-प्रवेश की प्रक्रिया के माध्यम से भाग ले सकते हैं (ऐसा तब जब विश्वविद्यालय के द्वारा इसकी घोषणा की जाती है)। ऐसे इच्छुक उम्मीदवार छात्र 1000 रुपये (अप्रतिदेय) का मध्य प्रवेश जमा करके कर सकते हैं।
- एक उम्मीदवार जो मध्य(मिड)-प्रवेश करता है, उनके आवंटन पर उन सभी उम्मीदवारों के बाद ही विचार किया जा सकता है जिन्होंने पहले आवेदन किया था और जिन्हें न्यूनतम घोषित स्कोर से अधिक योग्यता अंक आवंटित किए गए थे।
- एक उम्मीदवार जो CSAS-2026 के बीच में आवेदन करता है, उसके पास उन उम्मीदवारों के आवंटित सीटों पर दावा करने का कोई अधिकार नहीं होगा, जिन्होंने आवेदन करने के प्रारंभिक चरण के दौरान CSAS-2026 में आवेदन किया था।
- ऐसे उम्मीदवारों को सीटों के आवंटन पर बाद के दौर (यदि कोई हो) के लिए, पात्रता मानदंड, सीटों की उपलब्धता और अन्य CSAS-2026 नियमों की पूर्ति के अधीन विचार किया जा सकता है।
- यदि पेशकश की जाती है तो मिड-एंट्री के लिए अपने आवंटित सीट पर प्रवेश लेना अनिवार्य होगा। आवंटित सीट को स्वीकार करने में विफलता के लिए उम्मीदवार का यूओडी में प्रवेश रद्द कर दिया जाएगा।
- 'अपग्रेड' का कोई विकल्प नहीं होगा। एक विशेष आवंटन दौर में आवंटित सीट अंतिम होगा और किसी भी बाद के आवंटन दौर में अपग्रेड नहीं किया जाएगा।
- मिड-एंट्री शुल्क के सफल प्रेषण के बाद ही मिड-एंट्री पर विचार किया जाएगा। • केवल मिड-एंट्री के माध्यम से आवेदन करने से CSAS-2026 के माध्यम से सीट की गारंटी नहीं है।

10. स्पाॅट प्रवेश

- नियमित CSAS-2026 राउंड के पूरा होने के बाद, यदि सीटें खाली रहती हैं, तो यूओडी प्रवेश के स्पाॅट राउंड की घोषणा कर सकता है
- उम्मीदवार जिन्होंने CSAS-2026 के लिए आवेदन किया था, लेकिन स्पाॅट एडमिशन राउंड की घोषणा की तिथि तक किसी भी कॉलेज में प्रवेश नहीं दिया गया था, स्पाॅट एडमिशन में भाग ले सकती है।
- स्पाॅट प्रवेश की घोषणा पर, पहले से ही सभी उम्मीदवारों के प्रवेश को बन्द कर दिया जाएगा और उन्हें अपग्रेड करने के लिए विचार नहीं किया जाएगा।
- इसी प्रकार, प्रवेशित उम्मीदवार को अपना प्रवेश वापस लेने की अनुमति नहीं दी जाएगी।
- स्पाॅट एडमिशन राउंड में विचार करने के लिए, उम्मीदवार को अपने डैशबोर्ड के माध्यम से 'स्पाॅट एडमिशन' का विकल्प चुनना है।
- प्रत्येक स्पाॅट दौर के लिए विश्वविद्यालय प्रत्येक कार्यक्रम के रिक्त सीटों को प्रदर्शित करेगा। एक इच्छुक उम्मीदवार केवल एक कार्यक्रम का चयन करने में सक्षम होगा।
- स्पाॅट प्रवेश में, आवंटन निम्नलिखित मानदंडों के आधार पर किया जाएगा:
 - ° सीटों की उपलब्धता।
 - ° कार्यक्रम-विशिष्ट योग्यता।
 - ° कॉलेज की वरीयता का आदेश।
 - ° श्रेणी।
 - ° इस दस्तावेज़ (CSAS-2026),
 - यूजी बीओआई-2026, या यूओडी की प्रवेश वेबसाइट पर प्रकाशित कोई अन्य आवंटन नियम, नीतियां या मानदंड।

एक स्पाॅट राउंड में आवंटित सीट पर प्रवेश लेना उम्मीदवार के लिए अनिवार्य होगा। स्पाॅट एडमिशन राउंड में आवंटित सीट को स्वीकार करने में विफल रहने पर यूओडी में प्रवेश के लिए उम्मीदवार की पात्रता समाप्त हो जाएगी और वह (वह) CSAS से बाहर हो जाएगा।

- स्पाॅट एडमिशन राउंड के दौरान 'अपग्रेड' और 'विद्वृत्त' का कोई विकल्प नहीं होगा। किसी विशेष स्पाॅट एडमिशन राउंड में आवंटित सीट अंतिम होगी और स्पाॅट एडमिशन राउंड के किसी भी बाद के राउंड में अपग्रेड नहीं की जाएगी।

11. टाई-ब्रेकिंग नियम

एक टाई की स्थिति में, जहाँ कार्यक्रम + कॉलेज कंबिनेशन के लिए दो या दो से अधिक उम्मीदवारों के पास समान CUET (UG)-2026 मेरिट स्कोर है। वहाँ टाईब्रेक के लिए बताए गए क्रम में निम्नलिखित नियम लागू होंगे:

- बारहवीं कक्षा के सर्वश्रेष्ठ 3 विषयों में कुल अंकों के उच्च प्रतिशत वाले उम्मीदवार को वरीयता दी जाएगी।
- बारहवीं कक्षा के सर्वश्रेष्ठ 4 विषयों में कुल अंकों के उच्च प्रतिशत वाले उम्मीदवार को वरीयता दी जाएगी।
- बारहवीं कक्षा के सर्वश्रेष्ठ 5 विषयों में कुल अंकों के उच्च प्रतिशत वाले उम्मीदवार को वरीयता दी जाएगी।
- उम्मीदवार की आयु; पहले जन्म की तारीख वाले उम्मीदवार को वरीयता दी जाएगी (जैसा कि दसवीं कक्षा के प्रमाण पत्र में उल्लिखित)।

नोट:

- यदि अंक पत्र में कक्षा XI और कक्षा XII दोनों के अंक हैं, तो केवल बारहवीं कक्षा के अंक पर विचार होंगे।
- थ्योरी, प्रैक्टिकल या टोटल से संबंधित अंकों की प्रविष्टि में किसी प्रकार की भी विसंगतिके लिये उम्मीदवार पूरी तरह जिम्मेदार होंगे।
- यदि बारहवीं कक्षा की मार्कशीट में सीजीपीए/ग्रेड हैं, तो उम्मीदवार को जारीकर्ता परीक्षा बोर्ड के अनुसार ग्रेड को समकक्ष अंकों/प्रतिशत में परिवर्तित करना होगा (ग्रेड रूपांतरण के लिए अनुलग्नक II देखें)।

12. शुल्क का प्रेषण

- किसी उम्मीदवार का प्रवेश तभी पक्का माना जाएगा जब प्रवेश शुल्क सफलतापूर्वक जमा हो जाएगा।
- शुल्क का भुगतान केवल उम्मीदवार के डैशबोर्ड के माध्यम से किया जाना चाहिए। • यदि प्रवेश शुल्क निर्धारित समय के भीतर सफलतापूर्वक जमा नहीं किया जाता है, तो प्रवेश किसी भी परिस्थिति में पूर्ण नहीं माना जाएगा। सभी भुगतानों के लिए, उम्मीदवारों को इनमें से किसी भी भुगतान मोड का उपयोग करना चाहिए: नेट बैंकिंग/डेबिट कार्ड/क्रेडिट कार्ड/यूपीआई।

12.1: वर्चुअल वॉलेट

- प्रवेश शुल्क के सफल प्रेषण पर, उम्मीदवार के लिए एक वर्चुअल वॉलेट बनाया जाएगा।
- यदि कोई उम्मीदवार अपग्रेड हो जाता है और अपग्रेड की गई सीट का प्रवेश शुल्क उम्मीदवार के वर्चुअल वॉलेट की राशि से अधिक है, तो उसे निर्धारित समय के भीतर अंतर राशि का भुगतान करना होगा।
- यदि अपग्रेड की गई सीट का प्रवेश शुल्क उम्मीदवार के वर्चुअल वॉलेट की राशि से कम है तो कॉलेज से अनुमोदन प्राप्त करने पर इसे ऑटो-डेबिट किया जाएगा।

12.2: भुगतान विफलताएँ

1. यदि खाते से राशि नहीं काटी जाती है, तो उम्मीदवार को भुगतान की अंतिम तिथि से पहले फिर से भुगतान करने का प्रयास करना चाहिए।
2. उम्मीदवार को यह सुनिश्चित करना चाहिए कि ऑनलाइन भुगतान करने के लिए एक स्थिर इंटरनेट कनेक्शन का उपयोग किया जाता है।
3. सफल भुगतान करने के लिए उम्मीदवार को सही क्रेडेंशियल्स का उपयोग करना चाहिए।
4. यदि राशि काट ली जाती है, लेकिन अधिसूचना प्राप्त नहीं होती है, तो उम्मीदवार अपने स्रोत बैंक से पुष्टि की मांग कर सकता है।
5. यदि स्रोत बैंक से एक सफल लेनदेन की पुष्टि की जाती है और डैशबोर्ड पर भुगतान विफलता जारी रहती है तो
6. उस स्थिति में, उम्मीदवार आईसीआईसीआई ईजीपे पेमेंट गेटवे हेल्पलाइन पर सुबह 9.30 बजे से शाम 5:30 बजे के बीच, सोमवार से शनिवार (दूसरे और चौथे शनिवार को छोड़कर) निम्नलिखित नंबरों पर संपर्क कर सकते हैं-

फोन: +91-9871985944, +91-9667640628; ईमेल पता: dupaymentquery@icicibank.com

भुगतान से संबंधित प्रश्नों के लिए, कृपया नीचे दिए गए मानक प्रारूप का उपयोग करें:

उम्मीदवार का नाम	लेन-देन की तारीख	लेनदेन संख्या/आईडी	पाठ्यक्रम के लिए आवेदन किया	ईमेल पहचान	यूओडी आवेदन में दर्ज मोबाइल नंबर	सवाल की प्रकृति
ए वी सी डी	DD/MM/YYYY#####	#####	#####			

१३. शुल्क वापसी के नियम

उम्मीदवार द्वारा प्रवेश वापस लेने के कारण प्रवेश शुल्क पूरी तरह से वापस किया जाएगा, यदि निकासी प्रवेश की अंतिम तिथि से पहले की गई है, जैसा कि यूओडी द्वारा घोषित किया गया है। प्रवेश की अंतिम तिथि के बाद की गई निकासी के लिए प्रवेश शुल्क किसी भी परिस्थिति में वापस नहीं किया जाएगा।

निम्नलिखित के लिए धनवापसी नहीं की जाएगी:

क) CSAS-2026 आवेदन शुल्क।

ख) मध्य प्रवेश शुल्क।

ग) निकासी शुल्क।

14. मूल दस्तावेजों के भौतिक सत्यापन के लिए अनिवार्य आवश्यकता

CSAS (UG)-2026 के समापन पर, नामांकित सभी उम्मीदवारों को नामांकन लिये हुए महाविद्यालय में रिपोर्ट करना होगा और दस्तावेजों/प्रमाणपत्रों के भौतिक सत्यापन सहित संबंधित कॉलेज की सभी प्रवेश औपचारिकताओं को पूरा करना होगा।

उम्मीदवार का नामांकन पूरी तरह से अनंतिम है और संबंधित महाविद्यालय द्वारा मूलदस्तावेजों के सत्यापन के अधीन है। महाविद्यालय सभी दस्तावेजों/प्रमाणपत्रों की दोबारा जांच करेगा। भौतिक सत्यापन के दौरान, यदि कोई दस्तावेज/प्रमाणपत्र अपर्याप्त/अनुचित पाया जाता है, तो नामांकन पूरी तरह से रद्द कर दिया जाएगा। और फिर ऐसे उम्मीदवार शैक्षणिक सत्र 2026-27 के लिए यूओडी के किसी भी यूजी कार्यक्रम में प्रवेश के अवसर से वंचित हो जाएंगे।

15. बारहवीं कक्षा की उत्तीर्ण स्थिति में परिवर्तन

CSAS (UG)-2026 आवेदन पत्र के समापन के बाद परीक्षा बोर्ड द्वारा उम्मीदवार की बारहवीं कक्षा उत्तीर्ण करने की स्थिति (पुनर्योग, पुनर्मूल्यांकन आदि के कारण) बदली जा सकती है। केवल आवंटन काल के दौरान उत्तीर्ण स्थिति के ऐसे संशोधन के परिणामस्वरूप अधोलिखित लागू होंगे:

1.) बारहवीं कक्षा की उत्तीर्ण स्थिति में संशोधन के कारण, कोई उम्मीदवार न्यूनतम सामान्य पात्रता मानदंड पूरा नहीं करने के कारण अयोग्य हो सकता है (अर्थात्, उम्मीदवार को किसी एक मान्यता प्राप्त बोर्ड से बारहवीं कक्षा या इसके समकक्ष उत्तीर्ण होना चाहिए) ऐसे मामले में, उम्मीदवार सीट आवंटन/स्वीकृति/दस्तावेज सत्यापन के किसी भी चरण में या बाद के चरण में भी अयोग्य हो जाएगा। इस विषय/संबंध में बिना किसी पूर्व सूचना के ऐसे उम्मीदवारों का प्रवेश रद्द कर दिया जाएगा।

2.) बारहवीं कक्षा में उत्तीर्ण स्थिति में संशोधन के कारण, यदि कोई उम्मीदवार 'न्यूनतम सामान्य पात्रता मानदंड' (यानी उम्मीदवार को किसी मान्यता प्राप्त बोर्ड से बारहवीं कक्षा या उसके समकक्ष उत्तीर्ण होना चाहिए) को पूरा करता है और नामांकन/प्रवेश के लिए पात्र हो जाता है, तो ऐसा उम्मीदवार मिड-इंट्री/मध्य-प्रवेश के माध्यम से CSAS (UG) -2026 के लिए आवेदन कर सकता है। ऐसे सभी मामलों में विश्वविद्यालय का निर्णय अंतिम और बाध्यकारी होगा।

FREQUENTLY ASKED QUESTIONS (FAQs)

Q 1: Where do I find all the information related to admissions at the University of Delhi?

Ans.: All information related to admission can be found at www.admission.uod.ac.in. A Bulletin of Information is also available on the same website, which contains information about various courses offered by the University. You must visit the website regularly for all updates and schedules.

Q 2: What is the procedure for seeking admission to Postgraduate Programs in University of Delhi?

Ans.: For the academic year 2026-27, admission to all PG programs of University of Delhi (UoD) will be done through Common University Entrance Test (Postgraduate)- 2026 (CUET(PG)-2026) only. For admissions, candidate must:

- read the Bulletin of Information Postgraduate (BoI(PG)) 2026 carefully.
- ascertain his/her fulfilment of the Program-Specific eligibility for the program/s in which s(he) wish to take admission.
- have appeared in the CUET(PG) – 2026 in the Test paper(s) as per the Program Specific Eligibility of UoD.
- apply through the Common Seat Allocation System – Postgraduate 2026 (CSAS(PG)-2026) of the UoD.

Q 3: Is there a separate entrance exam to take admission in a PG Program(s) of UoD?

Ans.: For the academic year 2026-27, admission to all PG Programs of UoD will be done on the basis of score obtained in the CUET (PG) – 2026 only. Only the candidate who has appeared in CUET (PG) – 2026 and meets the Minimum Eligibility Criteria as stated in BoI (PG)-2026 will be eligible to apply for the CSAS(PG)-2026.

Q 4: Is there an option of offline submission of Application Forms for admission to PG Programs of UoD?

Ans.: It is mandatory for a candidate to apply and fill preferences, wherever applicable, online in CSAS(PG)-2026 portal of UoD (<https://pgadmission.uod.ac.in>). Application submitted through any other mode will not be accepted under any circumstances.

Q 5: I did not opt for UoD during CUET(PG) 2026-27. Can I still apply for UoD through CSAS(PG)-2026?

Ans.: Candidates who did not opt for UoD during CUET(PG) – 2026 can still apply through CSAS(PG)-2026, provided s(he) fulfils the specific program(s) eligibility criteria.

Q 6: While filling the CUET(PG) 2026-27 application, I made a mistake in my name/ date of birth. Can I make changes in the CSAS(PG)-2026 application form?

Ans.: The details submitted by candidates in the CUET(PG) 2026-27 application form such as Name, signature and photograph of the candidate have been auto-integrated by University of Delhi in the CSAS(PG)-2026 registration portal. As such, no changes will be allowed.

Q 7: While filling the Personal Section, I made a mistake in my parent's name/ category/ gender/ email id/ mobile number/ bank details. Will I be allowed to make changes since I have completed the registration process?

Ans.: Once the form is submitted, the following personal details will not be changed:

Parent's Name
Category/ Sub-Category/ Caste/Supernumerary Quota
Gender
Email ID
Mobile number
Bank Details

Q 8: Is Migration Certificate mandatory for students of University of Delhi?

Ans.: Migration Certificate is not mandatory/ necessary for students who have passed out from UoD. In place of Migration Certificate, students can upload their college ID card or any document which specifies that s(he) was a bonafide student of UoD.

Q 9: The name of my University/ Institute is not appearing in the drop-down list of the universities. What should I do?

Ans.: Candidate must select the "Other" option and then manually enter the name of the University s(he) has passed out from.

Q 10: I did not select my category (OBC-NCL/ SC/ ST/ EWS) during the registration of CUET(PG) – 2026. Can I still select my category in CSAS(PG)-2026?

Ans.: A candidate can apply in CSAS(PG)-2026 under any reserved category irrespective of his/her selection in CUET(PG) – 2026, provided s(he) has a valid certificate and fulfills the requirements given in Bulletin of Information (PG) – 2026 and CSAS(PG)-2026 documents for applying in that reserved category. However, candidate who had opted for PwBD category in CUET(PG)-2026 will not be allowed to change his/her category in CSAS(PG)-2026 as s(he) would have availed PwBD benefits (such as compensatory time, and provision of scribe) during CUET(PG)-2026.

Ans: You must appear in the subjects in which you have passed Class XII. There will be no penalty for changing the stream. Later, you may select B.(Hons) History in the CSAS(UG)-2026.

Q:46: I had English, Physics, Chemistry, Economics, Mathematics, and Music in Class XII but I did not choose Mathematics in CUET (UG) - 2026. Can I still take admission in B.A.(Hons) Economics?

Ans: For admission to B.A.(Hons) Economics, the candidates must appear in Mathematics in CUET (UG) - 2026.

Q:47: For admission to B.A.(Hons) Political Science will there be any benefit if I choose Political Science in CUET(UG) - 2026?

Ans: There is no advantage to choosing Political Science at CUET (UG) - 2026. All applicants who are meeting the eligibility will be considered at par and their CUET (UG) - 2026 scores will be used for calculating their merit.

Q:48: If a course, for example, B.A.(Hons) Psychology does not require Section III (General Test) but I appear for the same in CUET (UG) - 2026, will it affect my merit in any way for B.A.(Hons) Psychology?

Ans: No, the merit for any program will be based only on the eligibility requirements of that particular program.

Q:49: In case I score fewer marks in a subject in the Class XII board examination but got good marks in CUET (UG) - 2026 in that subject, will it affect my admission?

Ans: Class XII marks will be checked only for the minimum eligibility. For admission to a particular undergraduate program at the University of Delhi, the score obtained by the applicant in CUET (UG) - 2026 will be considered according to the program-specific eligibility of that program.

Q:50: What is the fee structure of different colleges for their undergraduate program?

Ans: Applicants are requested to check the website of the respective colleges for details of admission fees.

Q:51: Can I get admission to B. Com (Hons) at the University of Delhi without studying mathematics in Class XII?

Ans: Yes, an applicant who has not studied Mathematics in Class XII but is interested in B.Com.(Hons) at the University of Delhi must appear in CUET (UG) - 2026 in the following subject combination: Anyone Language from List A + Accountancy + Any two subjects out of which at least one should be from List B1. To appear in this combination, the candidate must have studied Accountancy in Class XII.

Q:52: When will the cut-off lists be declared?

Ans: This year there will be no cut-off Lists. Admissions will be done through CUET (UG) - 2026 scores only.

Q:53: Is it necessary to appear in CUET (UG) - 2026?

Ans: Yes, it is the only way to get admitted to the University of Delhi, except in the School of Open Learning, and Non-Collegiate Women Education Board

Q:54: How much weightage will be given to my Class XII marks?

Ans: There is no weightage to Class XII marks except in tie breaking.

Q:55: I will be taking CUET (UG) - 2026 in four subjects. In what all programs will I be eligible to apply after clearing the exam?

Ans: Please check the Program-Specific eligibility as each program has its own specific requirements. Check the Bulletin of Information (UG) for details.

Q:56: I belong to OBC-NCL category, in CUET(UG) 2026, I have submitted my certificate which was issued on January 4, 2026. Will the same certificate be applicable for admission in University of Delhi.

Ans: For admission to University of Delhi, all SC/ST/OBC-NCL/EWS/Minority/CW/KM/PwBD candidates will have to submit a valid certificate, issued in the name of the Candidate, by the competent issuing authority as mentioned in the UG Bulletin of Information.

To be considered for reservation under OBC - Non-Creamy, you must ensure that the caste is in the OBC central list issued by <http://ncbc.nic.in> and the income certificate is issued after 31st March, 2026, as stipulated.

No undertaking on behalf of incomplete/invalid/non-availability of the document/certificate at the time of applying will be accepted.

UNDERGRADUATE CURRICULUM FRAMEWORK 2022

UNDER NATIONAL EDUCATION POLICY 2020

The Undergraduate Curriculum Framework- 2022 (UGCF) is meant to bring about systemic change in the higher education system in the University and align itself with the National Education Policy 2020.

1. DEFINITIONS

1. Academic credit – An academic credit is a unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of teaching (lecture or tutorial) or two hours of practical work/field work per week.

2. Courses of study – Courses of the study indicate pursuance of study in a particular discipline. Every discipline shall offer three categories of courses of study, viz. Discipline Specific Core courses (DSCs), Discipline Specific Electives (DSEs) and Generic Electives (GEs).

a) Discipline Specific Core (DSC): Discipline Specific Core is a course of study, which should be pursued by a student as a mandatory requirement of his/her programme of study. DSCs shall be the core credit courses of that particular discipline which will be appropriately graded and arranged across the semesters of study, being undertaken by the student, with multiple exit options as per NEP 2020. The DSCs specified in the framework would be identified by the concerned Department as core courses to be taught in a Programme.

For example, for award of single discipline specific Honours degree, such as B.A. (Honours) History, B.Com. (Honours), B.Sc. (Honours) Physics and similar such programmes, DSCs shall be the core courses of History, Commerce and Physics, respectively.

However, to pursue Honours degree programme in a 'Field of Multidisciplinary courses of Study' (rather than a single discipline) such as B.Sc. (Honours) Life Sciences, B.A. (Honours) Social Sciences/ Humanities, the DSCs shall comprise of core credit courses of more than one discipline. For example, for B.Sc. (Honours) Life Sciences programme, a student shall study credit courses of three disciplines i.e., Botany, Zoology and Chemistry. DSC 1 may be of Discipline A1 (say, Botany), DSC 2 may be of Discipline B 1 (say, Zoology) and DSC 3 may be of Discipline C 1 (say, Chemistry). However, the fourth year of such honours degree programme shall be devoted to the study of only one discipline and hence the DSC courses in the VII and VIII semesters shall be of Discipline A/B/C and not a combination of these three disciplines. Please refer to the framework given as Illustration-I in Table-4.

b) Discipline Specific Elective (DSE): The Discipline Specific Electives (DSEs) shall be a pool of credit courses of that particular discipline (single discipline programme of study) or those disciplines (multidisciplinary programme of study), as the case may be, which a student chooses to study from his/her particular discipline(s). There shall be a pool of DSEs from which a student may choose a course of study. The DSEs specified in the framework would be identified by the concerned Department as elective courses to be taught in a Programme.

For example, to pursue B.Sc. (Honours) Physics, DSEs chosen should be from a pool of DSEs of Physics.

Similarly, to pursue B.Sc. (Honours) Life Sciences programme, the DSEs chosen should be a pool of courses of DSEs of Botany, Zoology and Chemistry, the core subjects for this programme of study.

However, to pursue Honours degree programme in a 'Field of Multidisciplinary courses of Study' (rather than a single discipline) such as B.Sc. (Honours) Life Sciences, B.A. (Honours) Social Sciences/Humanities, in the fourth year of such honours degree programme in the VII and VIII semesters, the student shall be required to choose DSEs from any one of the Disciplines A/B/C and not a combination of these three disciplines. Please refer to the framework given as Illustration-I in Table-4.

c) Generic Elective (GE): Generic Electives shall be a pool of courses which is meant to provide multidisciplinary or interdisciplinary education to students. GEs shall consist of a pool of courses offered by various disciplines of study (excluding the GEs offered by the parent discipline), in groups of odd and even semesters, from which a student can choose. The GEs specified in the framework would be identified by the concerned Department as GEs to be taught in a Programme.

In case a student opts for DSEs beyond his/her discipline specific course(s) of study, such DSEs shall be treated as GEs for that student.

d) Ability Enhancement course (AEC), Skill Enhancement Course (SEC) & Value Addition Course (VAC)

These three courses shall be a pool of courses offered by all the Departments in groups of odd and even semesters from which students can choose. A student who desires to make Academic Project/Entrepreneurship as Minor has to pick the appropriate combination of courses of GE, SEC, VAC, & Internship/ Apprenticeship/Project/ Community (IAPC) which shall be offered in the form of various modules as specified in the scheme of studies.

(i). AEC courses are the courses based upon the content that leads to knowledge enhancement through various areas of study. They are Language and Literature and Environmental Science and Sustainable Development which will be mandatory for all disciplines.

(ii). SEC are skill-based courses in all disciplines and are aimed at providing hands-on- training, competencies, proficiency and skills to students. SEC courses may be chosen from a pool of courses designed to provide skill-based instruction. Every discipline may provide skill based courses, some of which may be offered to students of its discipline while the rest can be open to students of all other disciplines.

(iii). VAC courses are common pool of courses offered by different disciplines and aimed towards personality building; embedding ethical, cultural and constitutional Values; promote critical thinking, Indian Knowledge Systems, scientific temperament, communication skills, creative writing, presentation skills, sports & physical education and teamwork which will help in all round development of students.

3. Major discipline

a) A student pursuing four-year undergraduate programme in a specific discipline (Core course) shall be awarded an appropriate Honours degree with Major in a Discipline on completion of VIII Semester, if he/she secures in that Discipline at least 50% of the total credits i.e., at least 88 credits in that Discipline out of the total of 176 credits. He/she shall study 20 DSCs and at least 2 DSEs in eight semesters. For instance, a student who pursues B.Com. (Honours) shall earn the minimum 88 credits from 20 DSCs and at least two DSEs in order to get Major in Commerce.

b) A student pursuing a four-year undergraduate programme in more than one discipline as Core Course (for example B.A. Social Sciences/ Humanities, B.Sc. Life Sciences, B.Sc. Physical Sciences, B.Sc. Mathematical Sciences, B.Com. and such other programmes) shall be awarded an appropriate Honours degree with Major in a Discipline on completion of VIII Semester, if he/she secures in that Discipline 80 credits out of a total of 176 credits. He/she shall study 6 DSCs and at least 3 DSEs in that discipline in the first six semesters and 2 DSCs, 6 DSEs and write a dissertation in that discipline in the VII and VIII semesters. For instance, a student who pursues four-year B.A. (Honours) Social Sciences/Humanities shall be eligible for Major in History, on completion of VIII semester, if he/she earns minimum 80 credits from 8 DSCs and at least 9 DSEs of History and writes dissertation on a topic related to History.

4. Minimum acceptable level of academic standards

The minimum acceptable level of achievement that a student must demonstrate to be eligible for the award of academic credit or a qualification is the minimum acceptable level of academic standards. The Letter Grades and Grade Points which shall be used to reflect the outcome of the assessment process of the student's performance is indicated in Table - 1.

TABLE-1

Letter Grade	Grade point
O (outstanding)	10
A+ (Excellent)	9
A (Very good)	8
B+ (Good)	7
B (Above average)	6
C (Average)	5
P (Pass)	4
F (Fail)	0
Ab (Absent)	0

5. Minor discipline

a) A student mentioned at 3 (a) above may be awarded Minor in a discipline, on completion of VIII Semester, if he/she earns minimum 28 credits from seven GE courses of that discipline. For example, if a student pursuing B.A. (Honours) History chooses seven GE courses of Political Science out of a total of ten GE courses and writes dissertation, he/she shall be awarded on successful completion of VIII Semester, Major in History and Minor in Political Science.

b) A student mentioned at 3 (b) above may be awarded Minor in a discipline, on completion of VIII Semester, if he/she earns a minimum 28 credits from six DSCs and one DSE of that discipline. For example, a student pursuing a four-year B.A. (Honours) Social Sciences/Humanities with Major in History (after securing at least 80 credits in History), may be awarded Minor in Hindi if he/she earns 28 credits from six DSCs and one DSE of Hindi (up to VI semester), on successful completion of VIII Semester.

This definition of Minor is independent of GEs for which there is a requirement of 28 credits to be treated as Minor.

Further, in case a student opts for two disciplines such as Physics and Chemistry instead of three disciplines such as Physics, Chemistry and Mathematics, major and minor shall be determined as per credits earned in the respective courses of study. The concept of Minor is relevant only when there is a Major discipline.

2. QUALIFICATION TYPE AND CREDITS REQUIREMENTS

Qualifications are formal 'awards' such as a certificate, diploma or a degree are awarded by a competent authority such as a college or university in recognition of the attainment by students of the expected learning outcomes on the successful completion of a particular programme of study. They are awarded after an assessment and evaluation of learning levels conducted by a competent body that determines the achievement by students of the expected learning outcomes to 2 given standards.

A student who exits at the end of any even semesters has to earn the requisite credits (stated in Table - 2) in order to be awarded the relevant certificate/diploma/ degree. The qualification title/nomenclature and corresponding credits requirements relevant for Level 5 to Level 8 of the undergraduate programmes are also clearly stated in Table -2.

TABLE-2

Sl. No.	NHEQ* of Level	Type of Award	Stage of exit	Mandatory credits to be secured for the award
1	Level 5	Undergraduate Certificate in the field of Study/Discipline	After successful completion of Semester II	44
2	Level 6	Undergraduate Diploma in the field of Study/Discipline	After successful completion of Semester IV	88
3	Level 7	Bachelor of (field of Study) (Honours) Discipline (for single core discipline course of study)	After successful completion of Semester VI	132
4	Level 7	Bachelor of (field of Multidisciplinary courses of Study) (for multiple core disciplines courses of study)	After successful completion of Semester VI	132
5	Level 7	Bachelor of Vocation (B.Voc.)	After successful completion of Semester VI	132
6	Level 8	Bachelor of (Field of Study/ Discipline) (Honours with Research / Academic Projects/Entrepreneurship) Discipline (for single core discipline course of study)	After successful completion of Semester VIII	176
7	Level 8	Bachelor of (field of Multidisciplinary courses of Study) (Honours)	After successful completion of Semester VIII	176

3. Structure of UGCF for Four-Year Undergraduate Programmes

The UGCF is a structure for four-year undergraduate programmes in different disciplines with multiple exit options. The details of the structure are provided below in the following Table-3.

* There shall be choice in all and III and IV Semesters to choose either one 'SEC' or in the alternative

'Internship/Apprenticeship/Project/Community Outreach' in each Semester for two credits each.

** There shall be choice in Semester III and IV to either choose a DSE or a GE.

*** There shall be choice in V and VI Semesters to choose either one 'SEC' or in the alternative

'Internship/Apprenticeship/Project/Research/Community Outreach' in each Semester for two credits each.

There shall be three choices in VII and VIII Semesters –

(I) to choose three DSEs of 4 credits each OR

(ii) to choose two DSEs and one GE of 4 credits each OR

(iii) to choose one DSE and two GE of 4 credits each.

^ 'Research Methodology' shall be offered as one of the DSE courses in VI and VII Semesters. Students can opt for it either in VI semester or VII semester. However, a student pursuing multidisciplinary studies in three core disciplines shall have to choose research methodology in VI semester, if she/he wishes to Major in one of the three disciplines in the fourth year.

Suppose a student wishes to study the Research Methodology course offered by another discipline (as one of its DSEs). In that case, he/she may opt for it provided such discipline is his minor discipline. The Research Methodology of another discipline so opted shall be treated as GE for him/her.

4. NOTE

- Entry level eligibility:** The general feeder category for entry into Level 5 is the Secondary School Leaving Certificate obtained after successfully completing Grade 12. A programme of study leading to entry into the first year of the Bachelor's degree is open to those students who have met the entrance requirements, including specified levels of attainment at the secondary level of education mentioned in the programme admission regulations. Admission to the Bachelor degree programme of study is based on the evaluation of documentary evidence (including the academic record) of the applicant's ability to undertake and complete a Bachelor's degree programme which is specified in the UGC Guidelines for Multiple Entry and Exit Scheme in Academic Programmes Offered in Higher Education.
- Number of hours of a credit course shall be defined by its component of lecture, tutorial and practical.
- Every student has to study "Environmental Science and Sustainable Development" courses I and II of two credits each in the first year (I/II semester) and the second year (III/IV semester), respectively. The AEC pool will also consist of credit courses in languages listed in the Eighth Schedule of the Constitution of India, as updated from time to time. The University of Delhi shall extend necessary support to those Colleges (where faculty is not available) which may require it in course of teaching learning in these languages.

- The course title, code, number of credits, components of lecture, tutorial and practical, prerequisites to be fulfilled for choosing that course and the department offering the course shall be spelt out for each course. A student should fulfill the prerequisites of a course to be able to opt it for study.

* Languages 1, 2, 3 & 4 offered in semesters I, II, III & IV respectively are courses of two different Languages (one of which shall be an Indian Language) to be chosen from a pool of Languages offered as GE. A student shall study two courses of each language.

DSC-1 to DSC-6 shall be core courses of either Discipline A or B.

If a student wishes to Major in Discipline A, then he/she should earn at least 80 credits from DSCs and DSEs of Discipline A. If the sum total of the DSCs and DSEs of Discipline A is less than 80 credits, then the credits earned in the dissertation written on a topic of Discipline A shall also be taken into consideration to complete the requisite 80 credits.

ACADEMIC REQUIREMENTS UNDER NEP-UGC F

- The Examination of the Ability Enhancement Course (AEC), Skill Enhancement Course (SEC) & Value Addition Course (VAC) papers studied under the Cluster Colleges, shall take place at the College of admission/enrollment.
- There shall be no REVALUATION in respect of Ability Enhancement Course (AEC), Skill Enhancement Course (SEC) & Value Addition Course (VAC) papers as these papers are evaluated by the teachers who taught the said papers. However, Examination Wing may allow rechecking in these papers as per prescribed procedure and payment of requisite fee.
- The General Elective Courses offered by the department will be taught by teachers of the same department. A student admitted in a particular programme offered by a department can opt for General Elective Courses offered by other department, for example, a student admitted under B.A. (Hons) History / B.A. (Programme) with History as one discipline cannot opt for any General Elective Courses offered by Department of History.
- A student who appears in an odd-semester examinations or who was eligible to appear in the odd semester examinations but remains absent in any or all the papers of the said semester, shall move on to the next even semester irrespective of his/her result in the said examinations provided examination form for both the odd and even semester examination is duly submitted and requisite fee paid by the candidate.
- Student who do not fulfill the promotion criteria mentioned above shall be declared fail in the promotion examination of the academic year concerned. However, they shall have the option to retain the marks in the papers in which they want to retain.
- A student who wants to re-appear for improvement in marks in a paper prescribed for semester I/III/V/VII may do so only in the semester examinations to be held in November/December. A student who wants to re-appear for improvement in a paper prescribed in semester II/IV/VI/VIII may do so only in the examinations to be held in May/June.
- A student may re-appear in any theory paper prescribed for a semester, on foregoing in writing her/his previous performance in the appear/s concerned. This can be done in the immediate subsequent semester examination only (for example, a student re-appearing in paper prescribed for semester I examination may do so along with subsequent semester III examination and not along with papers for semester V).
- A candidate who has cleared examinations of Part-3 (Semester- V & VI) /Part-4 (Semester- VII & VIII) may re-appear in any paper of V/VII or VI/VIII semester only once, at the immediate subsequent examinations on foregoing in writing her/his previous performance in the paper/s concerned, within the prescribed span period.

Note: The candidate of this category will not be allowed to join any post-graduate courses.

- In the case of re-appearance in paper, the result will be prepared on the basis of candidate's current performance in the examinations.
- The awards of the Practical / Tutorial / Internal Assessment shall be uploaded on the Samarth Portal as per the marks distribution table below: -

Practical	Credit	Maximum Marks
	1	40
	2	80
	3	120
	4	160
Tutorial	Credit	Maximum Marks
	1	40
Internal Assessment	Credit of Theory Paper	Maximum Marks
	1	10
	2	20
	3	30

Duration of end semester theory examinations of subjects shall be as per the following table:-

Credit	Duration of end term theory examinations
1	1 Hour
2	2 Hour
3	3 Hour

- There shall be no supplementary examinations.
- Letter Grades and Grade Points- A student who becomes eligible for the certificate/diploma, or Bachelor's degree as per Ordinance IX, 12(1). Such a student shall be categorized on the basis of the combined result of semester I to semester II/IV/VI/VIII examination under NEP-UGCF-2022 on a 10- point grading system with the following Letter Grades as given below:

Passing/Promotion Criteria

- A Student shall be eligible for promotion from Part-1 to Part-2 of the Course provided S/he has passed at least 50% papers of Semester-I and Semester-II taken together.
- Similarly, a student (irrespective of the Part-1 results) shall be eligible for promotion from Part-2 to Part-3 of the course provided s/he has passed 50% papers of Semester III and IV taken together.
- Similarly, a student (irrespective of the Part-1 and Part- 2 results) shall be eligible for promotion from Part-3 to Part-4 of the course provided s/he has passed 50% papers of Semester V and VI taken together.
- Students who do not fulfill the promotion criteria a, b, and c above shall be declared fail in the Part Concerned. However , they shall have the option to retain the marks in the papers in which they have secured Pass marks as per applicable rules.
- Issue of Marksheet/Grade Certificate/Transcript: Based on the grades earned, a Grade Certificate shall be issued to all the registered students by the University after every semester and a consolidated Marksheet/Grade Certificate indicating the performance in all semesters. The Grade Certificate will display the course details (code, title of the paper, number of credits, grade secured) along with SGPA of each semester and CGPA earned based on each academic year.
- Letter Grades calculation shall be as per formula provided for all the undergraduate courses as provided in the Ordinance IX except that the formula for calculating the final percentage of marks will be as follows:-

$$\text{Final Percentage} = \text{Grand CGPA based on all semesters} \times 10$$

Note: The percentage of marks will not be displayed on the Grade Certificate/Marksheet/Transcript.

- Eligibility for award of Certificate/Diploma/Degree and Division Criteria: -

A Student who passes all the papers (minimum 'Numerical Grade 4) prescribed for semester I to semester II/IV/VI/VIII examination under UGCF-2022, would be eligible for the award of UG certificate/UG diploma/Bachelor's degree. Such a student shall be categorized on the basis of the combined result of examinations as follows: -

60% or more *	First Division
50% or more but less than 60% *	Second Division
Less than 50% & declared passed *	Third Division

*based on the conversion formula from the Grand CGPA to final percentage -

$$\text{Final Percentage} = \text{Grand CGPA based on all semesters} \times 10$$

एनईपी-यूजीसीएफ के अन्तर्गत शैक्षणिक आवश्यकताएँ

- क्लस्टर कॉलेज के अन्तर्गत अध्ययन किये जानेवाले पेपर/पत्र एबिलिटी एनहांसमेंट कोर्स (एईसी), स्कील एनहांसमेंट कोर्स (एसईसी) और वैल्यू एडिशन कोर्स (वीएसी) प्रवेश/नामांकन वाले महाविद्यालय में होंगे।
 - एबिलिटी एनहांसमेंट कोर्स (एईसी), स्कील एनहांसमेंट कोर्स (एसईसी) और वैल्यू एडिशन कोर्स (वीएसी) पेपर के संबंध में कोई पुनर्मूल्यांकन नहीं होगा क्योंकि इन पेपरों का मूल्यांकन उन शिक्षकों के द्वारा किया जाता है जिन्होंने उक्त पेपर को पढ़ाया। हालाँकि, परीक्षा खण्ड निर्धारित प्रक्रिया और अपेक्षित शुल्क के भुगतान के द्वारा पत्रों की दोबारा जाँच की अनुमति दे सकता है।
 - किसी विभाग द्वारा प्रस्तावित जनरल इलेक्टिव कोर्स उसी विभाग के शिक्षकों के द्वारा पढ़ाए जाएंगे। किसी विभाग द्वारा प्रस्तावित किसी विशेष प्रोग्राम/कार्यक्रम में प्रवेश पाने वाला छात्र अन्य विभाग द्वारा प्रस्तावित जनरल इलेक्टिव कोर्सेज का विकल्प चुन सकता है, उदाहरण के लिए, बी.ए. (ऑनर्स) इतिहास/बी.ए. (प्रोग्राम) एक विषय के रूप में इतिहास के साथ प्रवेश पानेवाला छात्र इतिहास विभाग द्वारा प्रस्तावित किसी भी जनरल इलेक्टिव कोर्सेज का चयन नहीं कर सकता है।
 - कोई छात्र जो विषम सेमेस्टर की परीक्षाओं में उपस्थित होता है या जो विषम सेमेस्टर की परीक्षाओं में उपस्थित होने के लिए पात्र था, लेकिन उक्त सेमेस्टर के किसी भी या सभी पेपरों में अनुपस्थित रहता है, तो भी उक्त परीक्षाओं में अपने परिणाम की परवाह किए बिना वह सम-सेमेस्टर में चला जाएगा बशर्ते कि विषम और सम दोनों सेमेस्टारों की परीक्षा के लिए उम्मीदवार द्वारा विधिवत् परीक्षा हेतु आवेदन पत्र भरा गया है और उसके द्वारा अपेक्षित शुल्क का भुगतान कर दिया गया है।
 - जो छात्र ऊपर उल्लिखित पदोन्नति मानदंडों को पूरा नहीं करते हैं, उन्हें संबंधित शैक्षणिक वर्ष की परीक्षा में असफल घोषित किया जाएगा। हालाँकि, उनके पास विकल्प होगा कि उन्हें उस पेपर में अंक प्राप्त करने होंगे जिसमें वह लौटना चाहता है।
 - कोई छात्र जो सेमेस्टर I/III/V/VII के लिए निर्धारित पेपर में अंकों में सुधार के लिए दोबारा परीक्षा देना चाहता है वह ऐसा केवल नवंबर/दिसंबर में होने वाली सेमेस्टर परीक्षाओं में ही कर सकता है। कोई छात्र जो सेमेस्टर II/IV/VI/VIII में निर्धारित पेपर में सुधार के लिए दोबारा उपस्थित होना चाहता है, वह केवल मई/जून में होने वाली परीक्षाओं में ही ऐसा कर सकता है।
 - कोई छात्र किसी भी सेमेस्टर के लिए निर्धारित किसी भी सिद्धांत पेपर में फिर से उपस्थित हो सकता है, बशर्ते कि वह संबंधित परीक्षा में अपना पिछला प्रदर्शन लिखकर दे। यह केवल तत्काल आगामी सेमेस्टर परीक्षा में ही किया जा सकता है (उदाहरण के लिए, कोई छात्र प्रथम सेमेस्टर की परीक्षा के लिए निर्धारित पेपर में दोबारा शामिल हो रहा हो तो वह अगले तृतीय सेमेस्टर की परीक्षा के साथ भी ऐसा कर सकता है किन्तु पञ्चम सेमेस्टर की परीक्षा के साथ नहीं कर सकता है)।
 - कोई उम्मीदवार जिसने भाग-3 (सेमेस्टर-V और VI)/भाग-4 (सेमेस्टर-VII और VIII) की परीक्षा उत्तीर्ण कर ली है, वह निर्धारित अवधि के भीतर, संबंधित पेपर/पेपरों में अपने पिछले प्रदर्शन को लिखने के तत्काल बाद की परीक्षाओं में V/VII या VI/VIII सेमेस्टर के किसी भी पेपर में केवल एक बार फिर से उपस्थित हो सकता है।
- नोट: इस श्रेणी के उम्मीदवार को किसी भी स्नातकोत्तर पाठ्यक्रम में शामिल होने की अनुमति नहीं दी जाएगी।
- पेपर में दोबारा उपस्थित होने की स्थिति में, परिणाम परीक्षाओं में उम्मीदवार के वर्तमान प्रदर्शन के आधार पर तैयार किया जाएगा।

प्रेक्टिकल (व्यावहारिक)	क्रेडिट	अधिकतम अंक
	1	40

अंतिम सेमेस्टर के विषयों की सैद्धान्तिक परीक्षाओं की अवधि निम्नलिखित तालिका के अनुसार होगी:-

क्रेडिट	अंतिम सत्र के सिद्धान्त परीक्षाओं की अवधि
1	1 घंटा
2	2 घंटा
3	3 घंटा

- प्रैक्टिकल/ट्यूटोरियल/आंतरिक मूल्यांकन के अवार्ड/पुरस्कार समर्थ पोर्टल पर नीचे दी गई अंक वितरण तालिका के अनुसार अपलोड किए जाएंगे:-
- कोई पूरक परीक्षा नहीं होगी।
- लेटर ग्रेड्स एवं ग्रेड्स पॉइंट्स (ग्रेड अंक) - कोई छात्र जो अध्यादेश IX, 12(1) के अनुसार प्रमाणपत्र/डिप्लोमा या स्नातक डिग्री के लिए पात्र हो जाता है, ऐसे छात्र को एनईपी-यूजीसीएफ-2022 के तहत सेमेस्टर I से सेमेस्टर II/IV/VI/VIII की परीक्षाओं के संयुक्त परिणाम के आधार पर 10 पॉइंट्स ग्रेडिंग सिस्टम के साथ नीचे दिये गये लेटरग्रेड के आधार पर वर्गीकृत किया जाएगा:

उत्तीर्ण/पदोन्नति मानदंड

- (अ) कोई छात्र पाठ्यक्रम के भाग-1 से भाग-2 में पदोन्नति के लिए पात्र होगा, बशर्ते वह सेमेस्टर-I और सेमेस्टर-II में लिये गये पेपर्स में कम से कम 50% पेपर्स में उत्तीर्ण हो गया हो।
- (आ) इसी प्रकार, कोई छात्र (भाग-1 का परिणाम चाहे जैसा भी हो) भाग-2 से भाग-3 में पदोन्नति के लिए पात्र होगा। बशर्ते कि वह सेमेस्टर II और IV के कुल मिलाकर 50% पेपर्स उत्तीर्ण कर लिया हो।
- (इ) इसी प्रकार, एक छात्र (भाग-1 और भाग-2 के परिणाम कुछ भी हो, उन परिणामों के बावजूद) पाठ्यक्रम के भाग-3 से भाग-4 में पदोन्नति के लिए पात्र होगा, बशर्ते कि वह सेमेस्टर V और VI के 50% पेपर्स उत्तीर्ण कर लिया हो।
- (ई) जो छात्र उपरोक्त पदोन्नति मानदंड अ, आ और इ को पूरा नहीं करते हैं, उन्हें संबंधित भाग में असफल घोषित किया जाएगा। हालाँकि, उन्हें उन पेपर्स में अंक बनाए रखने का विकल्प होगा जिनमें उन्होंने लागू नियमों के अनुसार उत्तीर्ण अंक प्राप्त किए हैं।

- मार्कशीट/ग्रेड सर्टिफिकेट/ट्रांसक्रिप्ट जारी करना: अर्जित ग्रेड के आधार पर, प्रत्येक सेमेस्टर के बाद विश्वविद्यालय द्वारा सभी पंजीकृत छात्रों को एक ग्रेड सर्टिफिकेट और सभी सेमेस्टर में प्रदर्शन का संकेत देने वाला एक समेकित मार्कशीट/ग्रेड सर्टिफिकेट जारी किया जाएगा। प्रत्येक शैक्षणिक वर्ष के आधार पर अर्जित प्रत्येक सेमेस्टर के एसजीपीए एवं सीजीपीए के साथ ग्रेड प्रमाणपत्र पाठ्यक्रम-विवरण (कोड, पेपर का शीर्षक, क्रेडिट्स की संख्या, उत्तीर्ण ग्रेड) को प्रदर्शित करेगा।
- लेटर ग्रेड्स गणना सभी स्नातक पाठ्यक्रमों के लिए दिये गये फॉर्मूले के अनुसार होगा, जैसा कि अध्यादेश IX में दिया गया है सिवाय इसके कि अंकों के अंतिम प्रतिशत की गणना अधोलिखित प्रकार से की जाएगी:-

$$\text{अंतिम प्रतिशत} = \text{सभी सेमेस्टर्स पर आधारित ग्रैंड सीजीपीए} \times 10$$

नोट/ध्यान दें: ग्रेड प्रमाणपत्र/मार्कशीट/ट्रांसक्रिप्ट (प्रतिलेख) पर अंकों का प्रतिशत प्रदर्शित नहीं किया जाएगा।

- प्रमाणपत्र/डिप्लोमा/डिग्री और डिविजन मानदंड: एक छात्र जो यूजीसीएफ-2022 के तहत सेमेस्टर I से लेकर सेमेस्टर II/IV/VI/VIII की परीक्षा के लिए निर्धारित सभी पेपर्स (न्यूनतम संख्यात्मक ग्रेड 4) पास करता है, वह यूजी प्रमाणपत्र/यूजी डिप्लोमा/बैचलर डिग्री के अवार्ड/पुरस्कार का पात्र होगा। ऐसे छात्र परीक्षाओं के संयुक्त परिणाम के आधार पर वर्गीकृत किये जाएंगे, जो इस प्रकार है -

60% अथवा अधिक*	प्रथम स्थान
50% अथवा अधिक किन्तु 60% से कम*	द्वितीय स्थान
50% से कम और उत्तीर्ण घोषित*	तृतीय स्थान

- * ग्रैंड सीजीपीए से अंतिम प्रतिशत तक रूपांतरण सूत्र का आधार इस प्रकार है-
- $$\text{अंतिम प्रतिशत} = \text{सभी सेमेस्टर्स पर आधारित ग्रैंड सीजीपीए} \times 10$$

BIOCHEMISTRY

Established in 1988, the Department of Biochemistry at Deshbandhu College, University of Delhi, has developed into a vibrant centre for undergraduate education in the field of Biochemistry. The Department offers the B.Sc. (Hons.) Biochemistry programme, which integrates the principles of chemistry and biology to provide a strong foundation in understanding life at the molecular level.

Located in the modern P. C. Ray Block, the Department is equipped with ICT-enabled laboratories and contemporary teaching-learning facilities that promote experiential and research-oriented learning. Aligned with the principles of NEP 2020, the curriculum fosters interdisciplinary learning, critical thinking, scientific inquiry, and skill development in areas such as cell biology, Metabolism, molecular biology, genetics, immunology, biotechnology, and biomedical sciences. The Department actively encourages student participation in research projects, laboratory training, outreach activities, scientific presentations, and other academic initiatives. Faculty members are engaged in teaching, research, mentoring, and academic collaborations, contributing to a dynamic learning environment. The Department regularly organizes seminars, workshops, conferences, expert lectures, and hands-on training programmes to expose students to emerging developments in the life sciences. Student engagement extends beyond academics through the annual departmental festival **Biospark** and the departmental magazine named *Biospark*, which showcase scientific, creative, and extracurricular achievements. The Department also recognizes excellence through the **Nirmal & Gian Parkash Award**, presented annually to an outstanding graduating student. This award is given in the memory of parents of Dr. Mira Kushal, retired teacher of department.

The Department takes pride in its accomplished alumni, many of whom have pursued higher education and successful careers in research, healthcare, biotechnology, pharmaceuticals, diagnostics, education, and allied sectors. Committed to academic excellence and innovation, the Department continues to nurture scientifically skilled, socially responsible, and globally competent graduates prepared to contribute meaningfully to science and society.

BOTANY

Established in **1954**, the **Department of Botany at Deshbandhu College** has evolved into a distinguished centre for teaching, research, and innovation in plant sciences. With a rich academic legacy nurtured by eminent teachers and scholars, the department has earned a reputation for excellence in both curricular and co-curricular activities, fostering a vibrant environment for scientific learning and holistic development. The department is supported by a dedicated faculty actively engaged in high-quality research, publications, book writing, and innovative pedagogical practices. Its robust infrastructure includes a Wi-Fi-enabled **Smart Botany Lecture Theatre (BLT)**, three state-of-the-art laboratories, a **Plant Tissue Culture Facility**, a **Research and Instrumentation Facility**, a **well-documented Museum**, and a departmental library that complements the college library resources.

To promote experiential learning and scientific inquiry, the department regularly organizes seminars, workshops, webinars, symposia, lecture series, botanical excursions, virtual tours, documentary screenings, quizzes, and scientific debates. Capacity-building programmes are also conducted for laboratory staff to enhance technical competencies and professional development. A unique strength of the department is its diversified Botanical Garden, which serves as a living laboratory for students. The garden houses a **Herbal Garden with medicinal plants**, a **Mushroom Cultivation Training Centre**, a **Hydroponic Unit**, a **Composting Unit**, a **Navagraha Vatika**, and an **Aquatic Ecosystem Pond** enriched with aquatic flora and fauna. These facilities provide valuable skill-based training and entrepreneurial exposure in emerging areas such as sustainable agriculture, urban farming, and biodiversity conservation. The department actively promotes undergraduate research through student-led projects under the DBT Star College Scheme. It also hosts the **Himalayan Study Circle**, under the aegis of the Centre for Himalayan Studies at the University of Delhi, which focuses on biodiversity conservation, ecology, and environmental issues in the Himalayan region. The department regularly collaborates in organizing national-level academic events, including symposia on themes such as *Environment and the Himalayas*. The **Botanical Society**, “**VRINDA**”, plays a pivotal role in enriching student life by providing platforms for creativity, leadership, and scientific engagement. The society organizes its **annual festival SANJEEVANI** and publishes the student magazine **PETALS**, encouraging students to showcase their academic and co-curricular talents.

As a key discipline within the Life Sciences, Botany opens pathways to diverse careers and higher studies in Plant Biotechnology, Molecular Biology, Genomics, Bioinformatics, Agroforestry, Organic Farming, Hydroponics, Aeroponics, Environmental Science, Conservation Biology, and allied fields. The department takes pride in its accomplished alumni, who hold prestigious academic, research, administrative, and professional positions in India and abroad. Committed to excellence, inclusivity, and innovation, the Department of Botany provides a nurturing and intellectually stimulating environment that empowers students to become skilled professionals, responsible citizens, and future leaders in the biological sciences.

CHEMISTRY

The Department offers undergraduate courses in Chemistry and Industrial Chemistry. These courses are academically rigorous and their syllabi comprise of Inorganic, Organic and Physical Chemistry along with related fields like Physics, Mathematics, Biology and Computer Science with emphasis on both fundamental and applied part. In addition, the students may opt for courses in Green Chemistry, Environmental Chemistry, Industrial Chemistry, Nanotechnology, Bio-technology, Analytical Chemistry etc. The highly experienced and dedicated teaching faculty is committed to guide students at every step and groom them to become academically sound. The Department has four state-of-the-art Chemistry laboratories with latest equipment along with all lab safety measures and a very supporting laboratory staff to help students gain experimental hands-on experience.

The Department lays emphasis on research at undergraduate level as several students are associated with research projects sanctioned to the departmental faculty by UGC and DST. The teaching faculty is actively involved in guiding students for summer projects and research projects funded by DBT star college scheme and Government of India.

The students are encouraged to actively participate in the intercollege activities organized by the chemical society "**Resonance**". Lecture series are frequently arranged in the department to keep the students well versed with the latest Chemistry around the globe. Students of B.Sc. (Hons.) Chemistry and B.Sc. Industrial Chemistry are encouraged to showcase their creative writing skills under "**REACTIVE**" wall magazine. It is a matter of great pride that our alumni are pursuing higher education in reputed institutions of the country and are successfully placed in their careers.

COMPUTER SCIENCE

In today's digital age, a comprehensive education is incomplete without a strong foundation in Computer Science. This dynamic field forms the backbone of a wide range of technology-driven careers and offers immense potential for innovation and impact. Computer Science graduates are in demand across sectors, taking up diverse roles such as Data Scientists, Application Developers, Database or Network Engineers, and Web Developers. The Computer Science program equips students with foundational and advanced knowledge in key areas relevant to careers such as Data Analyst and Data Scientist, including programming (with languages like Python and C++), database management systems, operating systems, computer system architecture, data structures, and computer networks. Given the rapidly evolving nature of the tech industry, the curriculum is designed to prepare students to adapt to new developments and technologies throughout their careers. Upon completion of the B.Sc. degree, students are well-positioned to pursue higher education in fields such as MCA, M.Sc., or MBA, further enhancing their career prospects. The Department of Computer Science is proud to have produced professionals who have gone on to hold significant positions in the IT sector both in India and abroad. Our dedicated faculty emphasizes both theoretical understanding and practical problem-solving skills, ensuring that students receive well-rounded training. The department also boasts a state-of-the-art laboratory with dual-boot systems supporting both Windows and Linux platforms.

CYBERNAUTS is the premier student chapter of the Department of Computer Science led by Dr. Pankaj Kumar Kandpal (Convener) and Prof. Rakhi Saxena (Teacher Coordinator). Established as a dynamic platform for holistic growth, the chapter organizes a diverse array of academic and professional events each year, including expert talks, seminars, symposia, and technical festivals. Our core purpose is to cultivate and refine the multi-dimensional personalities of our students. Through active participation, students step beyond traditional academics to master vital life and leadership skills, including teamwork, public speaking, stress management, event organization, and seamless collaboration. Concurrently, Cybnauts provides an ecosystem for students to sharpen their technical capabilities, bridging the gap between theoretical knowledge and practical innovation, thereby paving a resilient path for their future professional stability and success. SYNTAX is the flagship annual technical festival organized by the Cybnauts chapter of the Department of Computer Science. This premier event brings together a diverse community of students from both internal departments and external colleges, spanning technical, strategic, and creative domains. SYNTAX '26 was purposefully designed to bridge the gap between theoretical knowledge and practical application. Departing from conventional academic events that often prioritize passive learning, every segment of SYNTAX '26 was structured around active engagement. The festival challenged participants through a dynamic lineup of activities, ranging from AI-driven problem-solving and strategic bidding to live stage performances and competitive gaming. The objectives were to provide a structured, execution-focused platform where students could apply academic knowledge in competitive, real-world-style scenarios, to expose participants to emerging technologies — specifically AI and prompt engineering — and their implications for careers and industry, and to build community and confidence across technical, strategic, and creative dimensions through a multi-event format. Each event was mapped to a distinct competency. Participants did not merely compete — they exercised real skills in constrained, high-stakes conditions.

B.Sc. (Prog.) Physical Science with Computer Science

ENVIRONMENTAL SCIENCE

The Department of Environmental Sciences at Deshbandhu College offers an interdisciplinary learning environment that prepares students to understand today's environmental challenges. The Department promotes scientific thinking, encourages curiosity, and develops practical skills through experiential learning. Students explore important themes such as climate change, air and water pollution, biodiversity conservation, waste management, natural resource management, and sustainable development.

The curriculum combines classroom teaching with laboratory practicals, field visits, and project-based learning. Students gain hands-on experience in environmental monitoring, ecological assessment, environmental policy, Geographic Information Systems (GIS), remote sensing, and other modern techniques used in environmental research and management. This approach enables them to relate scientific concepts to real-world environmental issues.

Learning extends beyond the classroom through seminars, workshops, expert lectures, environmental and awareness programmes. The Department also facilitates certificate courses offered by the Indian Institute of Remote Sensing (IIRS) – Indian Space Research Organisation (ISRO) through the EDUSAT programme. These courses introduce students to geospatial technologies, Earth observation, GIS, and remote sensing while providing opportunities to learn from leading scientists and experts.

The Department prepares students for higher studies and diverse careers in environmental science and allied disciplines. With a strong scientific foundation and practical training, students are well equipped to contribute to environmental research, sustainable resource management and policy development.

MATHEMATICS

“An equation for me has no meaning, unless it expresses a thought of God”

Srinivasa Ramanujan

Established in 1952, the Department of Mathematics at Deshbandhu College has consistently been a leader in cultivating analytical thinkers and promoting academic excellence. It offers a stimulating intellectual atmosphere where students are motivated to investigate, question, and comprehend the mathematical frameworks that influence our world. With a committed group of faculty members, the department prioritizes conceptual understanding, logical analysis, and practical applications. Creative teaching strategies, thorough tutorials, and an emphasis on mathematical modeling ensure that students develop a strong foundation and honed critical thinking abilities. The department, through its Mathematics Society, KSHITIJ, organizes various academic events throughout the year, including workshops, seminars, symposiums, lectures, conferences, faculty development programs, and educational trips. Additionally, it hosts its annual inter-college festival, SAMUCHCHAYAM, featuring activities like mathematical puzzles, quizzes, guest lectures, and model presentations, drawing participants from different institutions. The department takes pride in its student's achievements, who continually excel in both academic pursuits and extracurricular activities. Mathematics, we believe, is more than just a subject - it's a universal language that unlocks endless opportunities and innovations.

PHYSICS

The study of Physics is an integral part of any science or engineering course. Physics enables analytical thinking and problem solving skills exploring new perspectives to a variety of disciplines e.g. Mathematical Sciences, Life Sciences, Chemical Sciences, Lasers and Photonics, Medical Diagnostics, Internet of Things, Information and Communication Technology etc. The Physics Department, established in 1952, is one of the founding departments of this college. The mission of the Department is to develop scientific thinking for societal benefit, academic integrity and accountability, inculcate a sense of logical reasoning and strengthen problem solving skills among students. In order to cater to the requirements and expectations of the students, the Department has well equipped laboratories in all major branches of Physics viz. for Material Science, Electronics, Optics, Thermal Physics, Electricity and Magnetism, Mechanics, Computer-based labs for Statistical Mechanics, Quantum Mechanics and Mathematical Physics and has a well-equipped Nano Physics laboratory to give hands on experience to students on synthesis of nanoparticles. The Department is proud to have highly qualified, experienced and dedicated faculty who are passionate about teaching and research, which is borne by the fact that more than 70 research papers were published by them in Web of Science and Scopus-indexed and international refereed journals during the last two years. Major research areas are Astro Physics, Condensed Matter, Solar Energy, growth and characterization of Crystalline Materials, Carbon Nanotubes and Quantum Mechanics.

PHYSICA is the Physics Society of Deshbandhu College, University of Delhi, dedicated to promoting scientific awareness, innovation, and academic excellence among students. Through lectures, seminars, workshops, competitions, and interactive activities, the society provides a platform for students to explore physics beyond the classroom and develop critical thinking, leadership, and research skills. Our expectation is to create a vibrant community of learners who are passionate about science, critical thinking, and discovery. Our vision is to inspire scientific thinking, innovation, and a lifelong passion for learning among students. Our mission is to promote interest in Physics and scientific research. Encourage academic excellence and innovation. Organize seminars, workshops, and competitions. Foster leadership, teamwork, and scientific temperament. PHYSICA commenced its academic session with an inaugural programme held at Deshbandhu College, featuring an expert lecture by Prof. Manish K. Kashyap from the School of Physical Sciences, JNU, on "Recent Progress in Perovskite Solar Cells." COHERENCE'26, the flagship annual fest of PHYSICA, served as a vibrant platform for students to showcase their academic excellence, creativity, leadership, and teamwork through a variety of engaging activities and competitions. Bringing together participants from diverse backgrounds, the event successfully fostered collaboration, innovation, and healthy competition while promoting scientific awareness and intellectual growth among students. Over the course of two days, COHERENCE'26 featured an exciting blend of academic, cultural, and recreational events designed to encourage both intellectual and personal development. The successful execution of the event reflected the dedication and hard work of the organizing team and volunteers, making COHERENCE'26 one of the most significant and memorable highlights of the academic session 2025-26.

ZOOLOGY

The Department of Zoology offers two courses B.Sc. (Hons.) Zoology and B.Sc. (Prog) Life Sciences. The Department has highly qualified Faculty, a state-of-the-art lecture theatre and well-equipped laboratories. The Department boasts an elaborate Museum with additional paraphernalia to meet the requirements of the practical component of the curriculum. The Department library has a collection of over 200 books related to various disciplines in Zoology, which supplements the college library.

The Department believes in all-round development of students and encourages them to participate in both academic and extra curriculum activities. A vast array of academic activities like talks by eminent Scientists, Seminars, Symposiums, Workshops, Educational trips, and Lab visits are organized throughout the year to complement classroom teaching. The Faculty undertakes National and International projects on a regular basis to enhance their research acumen and academic skills and moreover provide research opportunities to the students. The Department has a “Zoological Society” which provides a platform for the students to hone and showcase their leadership qualities and explore their talent. The Society organizes its well-known annual cultural fest “**CHIMERA**”, an inter-college event where students from various institutions participate in culture and technical competitions. The Department is proactive in undertaking activities to promote and inculcate scientific culture among the students activities like DBT star college research projects. Colloquium and Biodiversity Club are undertaken with a vision to add more substance to the teaching-learning process. The department has three Research laboratories that also provide opportunities for post-doctoral research, summer internship, and short-term training.

During the academic session 2025-26, the Department organized a Talk and Nature Walk on “Big Butterfly Month” in Deshbandhu College on September 24th, 2025. The event aimed at raising awareness about butterfly diversity and promoting conservation efforts in urban ecosystems. The Nature Walk featured a butterfly walk within the college campus where students and faculty participated in observing and identifying various butterfly species in their natural habitat. Around 200 students and 5 faculty members participated in the talk as well as the butterfly walk. A research-based study visit was also organized to Kirori Mal College, University of Delhi, Delhi, on October 10, 2025, for fourth-year undergraduate students to gain practical exposure to animal model studies. The visit provided students with an opportunity to observe and understand the application of animal models in biological and biomedical research. A total of 62 students participated in the visit. Furthermore, a field-based study visit was organized to the National Zoological Park, Delhi, on February 24, 2026, for fourth-year undergraduate students to study faunal diversity and conservation.

B.SC. INDUSTRIAL CHEMISTRY

The Department of Chemistry offers undergraduate course in B.Sc. Industrial Chemistry. This course broadly deals with the chemistry of processing, transforming and manufacturing of raw materials of industrial importance to make it useful for mankind.

Besides the basic knowledge of Chemistry, Physics and Mathematics, the syllabus of Industrial chemistry is designed to give students a detailed theoretical and practical knowledge of environment remediation and numerous industries including petrochemicals, fuels, food additives, glass, ceramics cements, nanomaterial, alloys, dyes, polymers, pharmaceuticals etc. This course offers abundant opportunities in various industries such as chemist, quality controller, pharmacist, food inspector, research associate and many more.

Students of this course are the members of Chemical Society **RESONANCE** of the Department of Chemistry and can take part in all the activities of the same. They also have the opportunity to give their contributions in the wall magazine "**Reactive**" of the Department of Chemistry.

Students of B.Sc. Industrial Chemistry are eligible for M.Sc. in both Chemistry as well as Industrial Chemistry.

B.SC. (PROGRAMME) LIFE SCIENCES (BOTANY, CHEMISTRY AND ZOOLOGY)

The Life Sciences Society - SYNERGIA

Admission Coordinator - Dr. Arun Chhoker

Advisor – Prof. Manisha Sengar

Convenor – Dr. Rubina Chongtham

Co-Convenors – Dr. Shilpi Khurana, Dr. Bharti Badhani, Dr. Sushma Sharma

The Life Sciences Society- **SYNERGIA** has proved to be one of the most active and thriving societies in Deshbandhu College. Synergia provides an environment for students to develop real-world skills and also explore their extra-curricular interests. The society today stands as a bridge between seniors and juniors, encouraging teamwork, mentorship and the exchange of ideas. The idea has been to create a comfortable space for the students of Life Sciences from all years.

The Inaugural Event held on November 4th, 2025, marked the beginning of the society's events for the year. The event featured a scientific talk by Prof. Imtiyaz Hassan from JMI on the topic "From Molecules to Miracles- A new era in Drug Discovery". This event was followed by the Freshers Fiesta 2025 on November 7th 2025, through which the seniors welcomed their juniors featuring dance and music performances, engaging competitions and a DJ evening. Furthering the tradition of our flagship cultural event- **SYNAPSE**, the society celebrated it on February 27th, 2026. This event hosted multiple Inter-College Competitions followed by a delicious lunch. The competitions included- Photography, Fabric painting, Talent hunt, Magazine cover making and Meme making as well. This allowed students from various colleges to showcase their creativity and enthusiasm on the stage.

The Valedictory Ceremony on April 20th 2026 marked the end of the society's tenure appreciating all the members with certificates and a trophy along with the launch of the society's annual magazine TRINITY 2026. The event also featured Nitya N. Sharma an alumna of Life Sciences currently pursuing his PhD in JNU. Mr. Nitya addressed all the students, shared his academic journey and motivated everyone for the rigorous academic path. LumiFare 26' our Annual Farewell Event held on May 4th 2026 ended the academic session on a high note with engaging performances, shared memories and wishes for new beginnings.

With the perfect blend of academic excellence and extra-curriculars Synergia continues to be a cornerstone of students' life at Deshbandhu College. We wish the best for the upcoming batches of Life Sciences in Deshbandhu College.

B.SC. (PROGRAMME) PHYSICAL SCIENCE WITH CHEMISTRY (PHYSICS, CHEMISTRY, MATHEMATICS)

Physical Science which is the coordination of subjects, viz Physics, Chemistry and Mathematics. Deshbandhu College offered a multi professional course B. Sc. Physical Science (with Chemistry). These subjects complement each other as physics & chemistry and are incomplete without mathematics. The course aims at improving critical, logical and reasoning thinking ability of students in all three domains. The students gain a deep and thorough understanding of the subjects. The experienced and dedicated teachers of three departments in this course will help to boost the knowledge and skills of our students. They are encouraged to do research under mentor ship of experienced and dedicated teachers. They are always ready to solve all academic pursuits of our students.

The course also gives a chance to get knowledge of different Skill Enhancement Courses (SEC) which are Basic Analytical Chemistry, Basic Instrumentation Skills, Chemical Technology and Operating System: Linux, Renewable energy, Transportation and network flow problems and many more courses. As these help to understand the development of science and technology in today's world. In addition, "nanomaterials and nanotechnology" which have a wide range of applications in the modern world and also the topic of future research also included in the physical science course.

In addition to all the academic activities, the teachers and students of Physical Science form a society "**SPECTRA**" (the physical science society) which aims to enhance the skills of students and boost their confidence level. It gives a chance to every student to participate in their different fields of interest. Various lecture series are conducted where many renowned lecturers come and share their own knowledge with students. Society organizes cultural activities to bring out the hidden talent of students. Internships are offered by Placement cell of our college which help the students to gain the job skills which will help them from future career prospect. Society has started a series of e-Magazine for all round development of students as it will help them to develop habit of writing and presenting the information.

Students of B.Sc. Physical Science are eligible for admission to M.Sc. in Physics, Chemistry and Mathematics.

B.SC. (PROGRAMME) PHYSICAL SCIENCE WITH COMPUTER SCIENCE

The undergraduate course in B. Sc. (Prog.) Physical Science with Computer Science offers students the opportunity to study papers from the disciplines of Computer Science, Physics and Mathematics. The courses are designed to promote logical thinking, analytical skills, develop programming skills and application of knowledge of computing to solve problems in other disciplines. It covers core computer science topics and offers electives so that students can apply these skills while studying other subjects.

The programme lays down the foundation of understanding the principles of computing, mathematics, and basic sciences and apply the same to the development of applications across various disciplines of study and utility. Learners will expand their skill sets and develop professional proficiency to establish themselves to either pursue higher studies in the field of Computer Science/Applications or to pursue jobs in the IT industry such as web designers, data analysts, database manager, and software programmers, among others.

COMMERCE

Established in 1974, the Department of Commerce at Deshbandhu College has consistently upheld a tradition of academic excellence and professional development. The department has emerged as a dynamic center of learning, nurturing analytical thinkers, responsible professionals, and future leaders in the fields of commerce, finance, taxation, and business management. It provides an intellectually enriching environment where students are encouraged to explore, question, and understand the evolving dimensions of business and the global economy.

With a dedicated and accomplished faculty, the department emphasizes conceptual clarity, critical analysis, and practical application of knowledge. Through innovative teaching methodologies, interactive classroom discussions, case studies, projects, and research-based learning, students develop a strong foundation in commerce and allied disciplines, preparing them for higher education, professional courses, entrepreneurship, and the corporate world.

The Commerce Society, **COMSOC** actively organizes academic, cultural, and academic activities throughout the year. Along with its annual festival “Minerva”, COMSOC conducts various events such as The Freshlix Premier (Freshers’ Event), Financial Literacy Session – “Let’s Talk Money”, Problem-Attic – The Case Competition, and the Farewell Ceremony. These activities provide students with opportunities to interact, showcase their talents, strengthen analytical skills, and develop financial and professional awareness. Under the guidance of faculty members, COMSOC also organizes workshops, seminars, and expert talks to enrich students’ knowledge and learning experience.

ECONOMICS

Where Theory Meets Practice

The knowledge of Economics is essential both for the enlightened citizens and for the aspiring Business Executives, Civil Servants and Social Science Researchers. The study of Economics makes you aware of current Economic Status, Growth Possibilities and Challenges, Poverty, Globalization, Environment, Pollution and Issues concerned with Economic Well-Being. The new syllabus offers tremendous opportunities for making a promising career in various areas like Banking, Finance, Public sector, Multi-National Companies, Government sector and NGOs. The Department of Economics at Deshbandhu College offers students a well-rounded education for these vital fields, with academic course-work, extracurricular activities, and real-world applications.

“**ECOZEST**”, the Economic Society of the department offers extracurricular activities like quiz and debate competition, paper presentation, data analysis, union election and an annual educational trip. These activities help students develop important skills and knowledge in economics, preparing them for successful careers in a variety of fields and help them for their overall development. The department also invites eminent economists from other institutions to speak on contemporary issues like Viksit Bharat, employment, inflation, poverty, trade policies etc. A regular feature of the department has been a lecture on analysis of the Union Budget every year with serious discussion and wide participation of students.

With a faculty that includes teachers with exemplary academic background, the Department of Economics is at the forefront of economic research and education. In addition to its academic offerings, the department also encourages students to get involved in other extracurricular activities offered by other departments and societies like the Entrepreneurship Cell, Enactus, Placement Cell, Sports Society, NCC, NSS, Cultural Society and Dramatics Society.

ENGLISH

"The purpose of literature is to turn blood into ink".

T S Eliot

The Department of English offers an extensive spectrum of literary and cultural expressions by examining English texts from various global sources, including Non-British canons such as African, Australian, American, Ancient Greek, Indian and others. The curriculum encompasses a comprehensive study of various literary forms, including drama, poetry, prose, and short stories, as well as an exploration of diverse genres such as Autobiography, Travel-Writing, Essays, Science Fiction, and Films. The study of literature necessitates the capacity to situate literary texts within broader intellectual, psychological, social, cultural, and historical frameworks. The course provides students with the opportunity to gain insight into the ways in which literature engages in dialogue with various art forms and disciplines within the realms of social sciences and humanities. Additionally, this educational approach necessitates students to cultivate the cognitive faculties through which they scrutinise, evaluate, and acquire knowledge pertaining to literary structure and methodology. Our department has recently established a modernised library that provides access to current publications, articles, books, and journals for both teachers and students. The material enables students to engage in research and utilise their communicative and analytical abilities in various professional fields such as Advertising, Acting, Publishing, Teaching, Mass Communication, Public Relations, Journalism, Literary Studies, etc. The department regularly organises talks and seminars on a variety of topics, and the content of these events is documented and made available for viewing on the website of the department.

हिन्दी

देशबन्धु महाविद्यालय का हिंदी विभाग छात्र-छात्राओं में साहित्य की रचनात्मकता के साथ-साथ आलोचनात्मक दृष्टि भी विकसित करता है। छात्र-छात्राओं में आत्मविश्वास जगाकर उन्हें सक्षम बनाना विभाग की प्राथमिकता है। इसी वजह से स्नातक की उपाधि प्राप्त करने के पश्चात् वे किसी भी चुनौती को स्वीकार करने में समर्थ हो पाते हैं। विभाग प्रतिवर्ष 'विनीता अग्रवाल स्मृति रचना-पाठ और परिचर्चा' तथा अंतरमहाविद्यालयी 'साहित्यिक अंत्याक्षरी' प्रतियोगिता का आयोजन करता है। विविध सामयिक और प्रासंगिक विषयों पर मूर्धन्य विद्वानों के 'व्याख्यान' नियमित अंतराल पर होते रहते हैं। हिंदी और अन्य भारतीय भाषाओं के रचनाकारों को यथावसर आमंत्रित किया जाता है जिससे विद्यार्थियों को विभिन्न साहित्यकारों के प्रत्यक्ष संपर्क से लाभान्वित होने का अवसर मिलता है। विश्व क्लासिक कृतियों से परिचित कराने के उद्देश्य से हिंदी विभाग विशेष कार्यक्रमों का आयोजन भी करता है। सत्र 2019-20 के दौरान साहित्य परिषद् के उत्साही विद्यार्थियों ने कॉलेज की रचनात्मक प्रतिभा को प्रोत्साहन देने के उद्देश्य से 'अनुशीलन' नाम से वार्षिकोत्सव और 'नवांकुर' नाम से भित्ति पत्रिका की भी शुरुआत कर दी है। नवांकुर पत्रिका नियमित रूप से प्रकाशित हो रही है।

हिंदी (ऑनर्स) पाठ्यक्रम के अंतर्गत समय की मांग के अनुसार पिछले कुछ वर्षों में व्यापक परिवर्तन किये गए हैं। बदले हुए वैश्विक परिदृश्य में नयी चुनौतियाँ उभरी हैं। उनसे जूझने व तारतम्य स्थापित करने में यह पाठ्यक्रम विद्यार्थियों को तैयार करता है। अब उसमें साहित्य की विविध विधाओं के अतिरिक्त ऐसे विषयों का भी समावेश किया गया है, जिनसे विद्यार्थियों को रोजगार के बेहतर विकल्प उपलब्ध हो सकें जैसे कि पत्रकारिता और मीडिया लेखन, विज्ञापन लेखन, हिंदी सिनेमा, रंगमंच, भाषा विज्ञान आदि। इन विषयों के अध्ययन से हिंदी के विद्यार्थियों को सूचना क्रांति के फलस्वरूप उत्पन्न हुए अवसरों से लाभान्वित होने का मौका मिला है। विविध क्षेत्रों में हिंदी का प्रयोग बढ़ने से यह पाठ्यक्रम अधिक प्रासंगिक और उपादेय हो चला है।

देशबन्धु कॉलेज का हिंदी विभाग कई सर्वेक्षणों में देश के सर्वश्रेष्ठ हिंदी विभागों में गिना जाता रहा है।

HISTORY

Exploring the Past, Understanding the Present, Shaping the Future.

Established in 1952 during the historic period of India's Independence and Partition, the Department of History has consistently upheld the highest standards of teaching, research, and academic excellence. Enriched by the contributions of distinguished scholars and supported by a vibrant community of inquisitive students, the Department fosters critical thinking, intellectual curiosity, and a deeper understanding of the past and its relevance to the present. The Department combines traditional and innovative pedagogical approaches through lectures, seminars, debates, presentations, workshops, assignments, and the creative use of digital media. This academic session marks a significant milestone with the introduction of the Fourth Year Undergraduate Programme, reflecting the Department's commitment to academic advancement and educational reforms. The Department of History is renowned for its strong tradition of teaching and research. Its faculty actively supervise Indian and international research scholars, contributing to the growth of historical scholarship and doctoral studies.

Beyond academics, the Department is dedicated to the holistic development of its students. Students actively participate in NCC, NSS, cultural festivals, academic competitions, and inter-college debates, bringing laurels to the Department and the College through several First Prize and Runner-up achievements. Faculty members continuously mentor and encourage students to excel in both academic and co-curricular pursuits. To enrich learning beyond the classroom, the Department regularly organizes seminars, workshops, expert lectures, educational excursions, heritage walks, and visits to museums, archives, and historical sites. These experiences enable students to engage directly with historical sources and heritage, fostering a deeper and more meaningful understanding of history.

Ravish Kumar who is an award-winning journalist and author, also recipient of the Ramon Magsaysay Award (2019) is an alumnus of the Department of History. Similarly, Manish Prabhat, Indian Foreign Service (IFS) officer and distinguished diplomat, Dr. Ratan Lal, Associate Professor of History at Hindu College, Prabhu Chawla, renowned journalist, political commentator and former Editorial Director of *The New Indian Express*, are all eminent alumni of Deshbandhu College. With its rich legacy, dedicated faculty, and dynamic student community, the Department of History remains committed to academic excellence, innovation, and all-round development, preparing students to become informed, responsible, and confident citizens of the future.

PHILOSOPHY

Philosophy is an inevitable accomplishment of a self-conscious humanity that orients the learner to analyse the fact, look for deep insight and finally take a right and just decision by rejecting the wrong one. It is the study of the most fundamental issues concerning Reality, Knowledge and Value along with the basic concepts, principles and arguments of the major intellectual disciplines. While science offers us knowledge, it is only through philosophy that we can attain wisdom.

The Department of Philosophy offers DSC and DSE courses to both students of Major and Minor discipline BA (Program). The students are trained extensively in Logical Reasoning, Ethical issues, analytical thinking ability along with getting acquainted with the history and scope of Philosophy, the mother of all sciences. The Generic Elective (GE) courses offered by the department are extremely popular amongst both Honours and Program students. These courses cover a wide array of topics that hold contemporary relevance like Ethics in the Public Domain, Feminism, Bioethics etc.

The undergraduate course in Philosophy trains students to develop a philosophical orientation by practicing their analytic ability, intellectual insight and principles to bridge the gap between the theory and practice in all domains of life. They get trained to face the public domain with fairness and justice in everyday life. The department organizes National and International webinars, seminars and symposia from time to time to expose our students and faculty to the intellectual realm. Presentations and interactive sessions are organized to help students to enhance their cognitive and expository skills. Tours and trips to old age home/orphanage/differently abled person's homes are organized to connect our learners with the outer world with sensitivity and empathy. The ever increasing popularity of the subject amongst students has led to a demand of initiating an Honours course in Philosophy and the department is already committed to making the required efforts in that direction.

After successful completion of the course, one can enter into Mass communication, Civil services, Academic & Research, Law, Social work and service, BPO Training, Medical Transcription, Value Education and all other non-technical jobs. Moreover, the students pursuing this course are skilled enough of critical thinking that helps them in taking decisions in difficult situations of life.

POLITICAL SCIENCE

The Political Science Department was established in 1952. It is the top ranked discipline. The knowledge and skill imparted to the students under this course empower them to compete in various fields, such as teaching, higher academic research, law, bureaucracy, mass media, finances, and non-governmental organizations. The impressive faculty, whose publications have appeared in nationally and internationally acclaimed journals and publishing houses, has been a beacon for the students to navigate uncharted waters. The course contents blend traditional concerns with issues of contemporary relevance and reflect the philosophy that local concerns are significant even in this highly globalised world. Through its Society **Polienz**, the Department organizes many academic activities throughout the year – seminars, lectures, national and international webinars, and educational tours, allowing the students to develop hands-on knowledge. Under its auspices, the recently launched sixth e-magazine **The Rationale** has been highly lauded. Furthermore, our students have also been probatively participating in field-works and various surveys, which have helped them gain experience and skills that would stand them in good stead in the future.

The Department was proudly awarded **All India Rank 8th** in India Today College/Institution Rankings 2024.

SANSKRIT

Sanskrit, one of the world's oldest and most refined classical languages, has served as the foundation of India's intellectual, philosophical, scientific, and cultural heritage for over 3,500 years. As the principal language of the Vedas, Upanishads, epics, and an extensive corpus of Hindu, Buddhist, and Jain literature, Sanskrit continues to inspire scholarship and preserve India's rich civilizational legacy.

The Department of Sanskrit at Deshbandhu College is committed to academic excellence, holistic education, and the preservation and promotion of India's classical knowledge traditions. The Department nurtures linguistic proficiency, critical thinking, creativity, and cultural awareness through an engaging blend of classroom teaching and co-curricular activities. The faculty members of the Department of Sanskrit are actively engaged in undergraduate, postgraduate, and doctoral teaching, research, and academic mentoring.

Students are encouraged to participate in seminars, expert lectures, quizzes, debates, shloka recitation, shloka singing, and Sanskrit Antyakshari competitions, providing them with opportunities to develop confidence, communication skills, and a deeper appreciation of Sanskrit literature and philosophy.

A distinctive academic initiative of the Department is the 'Pt. Madan Mohan Jha Sanskrit Vyakhyan Mala', an annual lecture series that brings eminent scholars to the college to deliver inspiring lectures on Sanskrit language, literature, philosophy, and India's knowledge systems. The Department also celebrates 'Saraswati Vyakhyanmala' on Vasant Panchami with academic and cultural programmes dedicated to the spirit of learning and scholarship.

Through its teaching and outreach activities, the Department seeks to cultivate an appreciation of India's rich intellectual traditions while preparing students for higher education, research, civil services, teaching, translation, and other diverse career opportunities.

MODERN INDIAN LANGUAGES

BENGALI

It was British rule in India, when the first light of India's literary and cultural Renaissance arose from the heartland of Bengal and cast its golden rays across India that laid the groundwork for significant social and intellectual awakening across the country. A vast plethora of literary works, art and music from Bengal shaped the horizon of India's march towards 'modernization'. The Department of Bengali strives to uphold that legacy by nurturing performing arts, celebrating core festivals, organizing International Seminars and observing the 'International Mother Language Day', alongside its regular academic courses. The department celebrates the profound cultural heritage of Bangla through a vibrant performance of Art, Dance, Music and Plays by the students in its Annual Cultural Festival- 'Spandan'. The curriculum provided by the Department enables the students for career opportunities in areas of mass media communication, translation, performing arts, public relations and teaching. The Department in its commitment towards enriching and strengthening this genre of Indic language is proudly guiding scholars in doing meticulous research into the vast literary repository of Bengali.

PUNJABI

"Language and culture are frameworks through which humans experience, Communicate and understand reality"

Levvygotsky, 1968

This statement is appropriate for Punjabi, "Punjabi" is not only the language of Nath Jogis, Sheikh Farid, Baba Nanak and Peer, Fakhirs but it also epitomises the rich cultural heritage which adds to the diversity of our country. Even after having such profound roots Punjabi has emerged as a contemporary global language fabricating new horizons of personal and professional growth such as media, translation, performing arts, calligraphy. To cater to the needs of the students interested in creative domain and mainstream professional fronts, Punjabi Department of prestigious Deshbandhu College is committed to provide an extensive and varied platform with qualified faculty and resources.

Students who opt for Sindhi can find a career in translation work for nodal Ministries and Publishing houses as well as in the Media.

DEPARTMENT OF PHYSICAL EDUCATION & SPORTS SCIENCE

“Practice like you have never won. Play like you have never lost”.

Michael Jordan

Physical Education is considered an integral part of general education and leads to holistic development of personality through Cognitive, Affective and Effective learning. It is an art and science of promoting health by the deliberate effort of wilful adoption of physical activities and sports. The Physical Education programme aims at making the maximum contribution to the optimum development of the individual's potentialities in all phases of life by placing a student in an environment as favourable as possible. Physical education imparts in-depth knowledge of fundamental and practical guidelines for health and fitness, enabling students to start their careers in the physical education and fitness industry, which caters to the growing demand of industries worldwide. The introduction of Physical Education as a Generic Elective and VAC courses in the new NEP 2020 marks a significant milestone. The faculty member enables and encourages the students to excel in academics as well as in their domain of sports.

In today's high-tech society, the success of Physical Education lies in the physical growth and development of students in fighting against the sedentary lifestyle. It is through this approach that the students acquire the knowledge, skills, right attitude and values towards the pursuit of a physically active and healthy lifestyle. It also provides an avenue for students to express themselves through movement and physical activity.

The Department organised various workshops, seminars, symposiums, and fun activities for a healthy lifestyle, in order to encourage participation and spread awareness amongst students. Activities organised for the session 2025-26 by the department are:

- The Department of Physical Education and Sports Sciences celebrated the spirit of Yoga on 21st June 2025 on our College Campus.
- The Department of Physical Education and Sports Sciences, Deshbandhu College, proudly organised a Sports Orientation Program on the occasion of National Sports Day, observed on August 29, 2025.
- Fit India Week 2025, a celebration dedicated to fostering a culture of health, fitness, and well-being, a journey towards a healthier and more active lifestyle.
- Winter Sports Carnival for students, teachers and non-teaching staff with the objective to promote mental relief, Physical Fitness and overall well-being.

The purpose of organising the above activities was to enlighten the world with the different aspects of Physical Education, movement education, yoga and its benefits to humankind and environment.

Dear Aspirants,

On behalf of the Students' Union, it is our immense pleasure to welcome you to Deshbandhu College, University of Delhi. As you prepare to embark on a transformative academic journey, we congratulate you on taking a significant step towards becoming a part of an institution that has, for decades, upheld the values of excellence, integrity, inclusivity, and social commitment.

At Deshbandhu College, education extends far beyond the confines of the classroom. It is a space where intellect is nurtured, ideas are celebrated, diversity is embraced, and leadership is cultivated. The College offers a vibrant ecosystem that encourages students to explore their potential through academics, research, innovation, cultural pursuits, sports, and meaningful community engagement.

The Students' Union stands as a bridge between the student community and the institution, committed to safeguarding student welfare while fostering a campus culture rooted in dialogue, mutual respect, and collective growth. We strive to ensure that every student feels welcomed, represented, and empowered to contribute to the life of the College. Our endeavour is to create opportunities that inspire excellence, encourage collaboration, and help every student realise their fullest potential.

Your years at Deshbandhu College will shape not only your academic aspirations but also your character, perspective, and sense of responsibility towards society. We encourage you to participate wholeheartedly in the rich tapestry of academic societies, cultural forums, sports, innovation cells, and social initiatives that define the spirit of our institution. Every experience, every challenge, and every interaction will become a stepping stone towards your personal and professional growth.

As members of the Deshbandhu College family, let us collectively uphold the ideals of knowledge, compassion, equality, and service. Together, we can continue to strengthen the legacy of this esteemed institution and contribute meaningfully to the society we serve.

We extend our heartfelt congratulations on your admission and wish you an enriching, memorable, and successful journey at Deshbandhu College. May your time here be filled with learning, discovery, friendship, and achievements that last a lifetime.

SPORTS @ DESHBANDHU

“If sports do not hold significance in our life, we cannot nurture sportsman spirit as a “Sanskar” in our society and without such “Sanskars”, the society cannot flourish!”

Narendra Modi

Sports is considered to be the hallmark of Deshbandhu College and we are among the top best-performing colleges of the University of Delhi in sports. Sports at Deshbandhu College aims at the overall development of students and hence, offers a combination of academics as well as sports activities. Students are admitted based on proficiency in sports in various courses offered by the College. For sports excellence, opportunities and guidance are provided to the students to participate in tournaments at various levels like Inter-College, Inter-University, State, National, and International Tournaments. Students now have the opportunity to explore myriad dimensions associated with sports and win laurels. We provide infrastructure/facilities in various sports including Archery, Athletics, Badminton, Boxing, Cricket, Kabaddi, Table Tennis, Tennis, Taekwondo, Volleyball, Powerlifting, Weight-lifting, and Yoga (* Football at DDA sports complex). Students are trained in all the games under the guidance of experienced coaches throughout the year. Sports students are provided with quality sports kits and daily refreshment of healthy meals.

The faculty members enable and encourage the students to excel in academics as well as in their domain of sports. The Sports Department organizes various sports competitions, workshops, seminars and fun activities in order to encourage participation and spread awareness of sports and fitness amongst students. Eminent sports personalities & sports scientists are also invited to interact with students.

NATIONAL CADETS CORPS (NCC)

"Beware, for I am fearless, and therefore powerful"

– Mary Shelley

The NCC was introduced in Universities and Colleges in 1948 through an Act of Parliament under the chairmanship of Pt. H. N. Kunjru with the aim to groom the youth and unleash their hidden potential to face challenges, be winners in life, build leadership qualities and a spirit of sportsmanship. It also aims to create a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose.

DBC NCC Shows the Legacy of Unity, Discipline and Excellence Since its establishment in 1970, the National Cadet Corps (NCC) unit of Deshbandhu College has been a cornerstone of discipline, leadership, and service. Guided by the motto "Unity and Discipline," the unit has shaped generations of cadets into responsible citizens and future leaders. Deshbandhu College is among the few institutions in Delhi to actively host all three NCC wings, providing students with opportunities to develop leadership skills, physical fitness, and a spirit of national service.

Deshbandhu College is among the few institutions in Delhi to actively host all three NCC wings, providing students with opportunities to develop leadership skills, physical fitness, and a spirit of national service. The college has two Senior Division NCC (Army Wing) companies with a strength of 160 cadets each for girls and boys. The College also has one Senior Division NCC (Air Wing) sub unit with a strength of 50 boy cadets. In addition, Naval Wing vacancies are also available for 40 boy cadets (SD) and 10 girl cadets (SW).

NCC organizes many camps throughout the year in which the youth are trained professionally by experts from the Army, Navy and Air Force, and the Cadets are awarded 'B' certificates after proficiency in training. This enables them to obtain a 5-10% advantage in securing employment with the Armed forces, Police and CRPF. After rigorous training of three years, they are awarded 'C' certificates which make them eligible for special NCC entry scheme as commissioned officers in Indian Armed Forces. In addition, the NCC also provides various kinds of scholarships.

ARMY WING

About our ANOs ANO is an important link in the NCC organization between the Battalion/Unit and the Cadets. Colleges have NCC troops/platoons/companies that are under the command of an Assistant Professor, who has received formal NCC training at Officers' Training Academy, Kamptee. ANO is the feeder node of NCC since s/he is the one who is in direct contact with the cadets throughout the year. Under the dedicated guidance of Prof. (Capt.) Pramod Kumar and Prof. (Lt.) Sushila Singhal, the unit continues to uphold a tradition of excellence.

Benefits of NCC There are a total of 32 seats that are set aside for cadets who hold NCC Certificates, provided they have scored 50% in graduation with at least a 'B' grade in the 'C' Certificate Examination. If all this suffices, then they are eligible for SSB without even qualifying for a CDS written exam. All they have to do is to clear the SSB selection process. Other than the armed forces cadets also get a preference over other applicants in CRPF and BSF. Other than defense services there are several central and state Government organizations that give a preference to NCC cadets.

How to Join The enrollment for first year students as cadets starts just after completion of the admission process of the college and remains open till mid of September at the concerned NCC offices. Students interested in training programmes may contact the respective Associate NCC Officer (ANO). Students are advised to visit our website for further information and latest notices:

National and Prestigious Camps by DBC NCC During the year, the cadets of Deshbandhu College (DBC) NCC proudly represented the college at various prestigious national and state-level camps, including the Basic Mountaineering Course (BMC), SNIC Srinagar, SNIC Meghalaya, SNIC Kevadiya, All India Girls Trekking Expedition, Scuba Diving Camp, Army and Military Attachment Camps, Republic Day Camp (RDC), Prime Minister's Rally (PMR), Independence Day Camp (IDC), All India Thal Sainik Camp (TSC), Advance Leadership Camp (Etawah), Ek Bharat Shreshtha Bharat Camps (Gopalpur, Rourkela, and Delhi), Sports Climbing Camp (Lansdowne), Rock Climbing Training Camp (Gujarat), Sardar Patel Narmada Trek, Bihar & Jharkhand Trek, All India UP Trek, and All India Shivaji Trail Trek. Through their participation in these camps, DBC NCC cadets showcased excellence in leadership, adventure, military training, cultural exchange, and national integration, bringing pride and recognition to the institution while enhancing their personal and professional development.

Commissioned Officer The NCC unit of Deshbandhu College takes immense pride in its alumni who have successfully achieved their goal of becoming Commissioned Officers in the Indian Armed Forces. Through dedication, discipline, leadership training, and the values instilled by NCC, several former DBC NCC cadets have gone on to clear the Services Selection Board (SSB) and receive commissions in the Army, Navy, and Air Force.

Their achievements serve as an inspiration for current cadets, reflecting the unit's commitment to nurturing future leaders and contributing to the nation's defence forces. The success of these officers stands as a testament to the strong foundation of character, confidence, and patriotism developed through DBC NCC.

"From the parade ground of DBC NCC to the ranks of the Armed Forces, these officers embody the spirit of leadership, service, and commitment to the nation."

Other And SSCD Activities Beyond camps and training activities, the Deshbandhu College NCC unit actively engages cadets in various Social Service and Community Development (SSCD) initiatives aimed at fostering civic responsibility and community welfare. Throughout the year, cadets organize and participate in Har Ghar Tiranga Abhiyan, Prime Minister's Internship Scheme, blood donation camps, Swacchta Pakhwada (1Week Activities sessions), road safety and traffic awareness drives, AIIMS Trauma Centre, Blood Donation, NCC×NSS Drive. It also celebrates important national and international days such as Republic Day, Gandhi Jayanti, Constitution Day, International Yoga Day, NCC Day and World Youth Skill Day, Paper Bag Day, Indian Armed Forces Flag Day, World Food Safety Day, World Eye Donation Day. Also Participate In ShauryaVeer Marathon (Chi Camp), PNB Soldierathon These activities help cadets develop leadership, teamwork, social awareness, and a strong sense of responsibility towards society and the nation.

DBC NCC Achievements The Deshbandhu College NCC unit added several notable accomplishments to its record during the year. The unit was honoured with the NCC Achievers Award in recognition of the outstanding performance and achievements of its cadets. Adding to this achievement, Deshbandhu College was also awarded the 2nd Best Institute Award, reflecting the collective efforts of the cadets, ANOs, and the institution in promoting NCC activities and values. Another significant achievement of the unit was the successful and smooth conduct of Desh Fest, where NCC cadets played a vital role in management, coordination, discipline, security, and volunteer support, ensuring the event's seamless execution. These accomplishments highlight the commitment, leadership, teamwork, and excellence that define the spirit of DBC NCC.

AIR WING

The Air Wing NCC of Deshbandhu College comes under No. 1 Delhi Air Squadron (Flying) at Safdarjung Enclave, headed by Group Captain Sumit Mehra as its Commanding Officer and Flight Lieutenant (Prof) Kumar Shantanu as its NCC Officer (ANO). Our cadets receive specialized training in skeet shooting, aero-modelling, radio-controlled aero-model flying, and gain the unique experience of Garud microlight flying attached to the Indian Air Force. Many of our cadets have gone on to join the Indian Air Force as Commissioned and Non-Commissioned Officer, proudly serving the nation.

Flight Lieutenant (Dr.) Kumar Shantanu

Senior Division ANO Air Wing
Since 2014

The Unit has always been proactive in conducting citizen awareness drives such as VISAKA, anti-ragging campaigns, blood donation camps, and yoga camps. Beyond training, our cadets actively participate in and organize impactful initiatives like Nukkad Nataks in public places, blood donation drives to help those in need, yoga sessions, and tree plantation drives. These activities reflect their strong commitment to community service and environmental conservation.

The year began with the Annual Training Camp (ATC) held in August 2025, where cadets underwent intensive training that sharpened their leadership, endurance, and camaraderie. Two of our cadets earned the honour of representing the unit at the Chief Minister's Rally on Independence Day — a testament to the precision and dedication instilled through rigorous training. Nationally, our three cadets represented the Delhi Directorate at the All India Vayu Sainik Camp (AIVSC) 2025, held at Air Force Station Jalahalli and across Bengaluru. Their exceptional performances in microlight flying, skeet shooting, and precision drills highlighted their skills and

determination. At the Ek Bharat Shreshtha Bharat (EBSB) Camp, our two cadets engaged in enriching cultural exchanges with cadets from diverse states, deepening their appreciation for India's unity in diversity.

Additionally, our cadets took part in the other camps like Advance leadership camp Agra, Special National Integration Camp NER, All India Maharashtra trek, where the cadets showcase their culture and represent the Delhi Directorate. Our 5 cadets also proudly represented the Delhi Directorate at the Republic Day Camp (RDC) held from 28th December 2025 to 30th January 2026, where they showcased their skills and discipline in prestigious events such as Kartavya Path, the All India Guard of Honour, and the Prime Minister's Rally.

In March, they prepared for Desh' Fest 2026, continuing to grow both inside and beyond the parade ground by organizing competitions at the university level. With immense pride and honor, the NCC cadets of Deshbandhu College celebrate a remarkable achievement as we bagged the "First Runner Up" in Best Institution Award (SD) category. This recognition stands as a testament to the relentless hard work, unwavering commitment, and exemplary performance of our cadets and instructors. From 28th October last year, cadets from Deshbandhu College once again participated in the Annual Training Camp (ATC), where they further enhanced their skills in weapon handling, firing drills, and cultural performances.

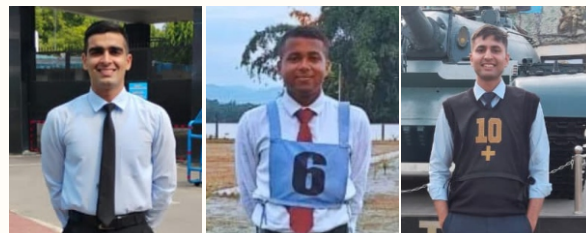

In addition, they organized poster-making competitions and delivered lecturettes on the occasion of World Environment Day, while actively participating in various unit activities throughout the year. In NCC, cadets develop a wide range of skills such as group discussions (GD) and lecturettes for personality development.

Through their hard work and dedication, six of our cadets – CUO Kamal, Flt Cdt Rohit, and Flt Cdt Rishabh, CWO Anish, CDT SGT Avay Gupta and CSUO Nitin Kumar Jakhar – not only secured recommendations through the CDS entry but also brought immense pride to the Unit by earning merit and selection into the prestigious Indian Military Academy (Dehradun), Indian Air Force Academy (Dundigal).

GIRLS' AIR WING

The Air Wing (Girls) NCC of Deshbandhu College functions under the 2 Delhi Girls Air Squadron, Group 'C' Headquarters, Safdarjung Enclave, under the leadership of Wing Commander Sandeep Kaur as Commanding Officer and Flying Officer Deepti Goel as the Associate NCC Officer (ANO) for the Senior Wing (Air Wing – Girls). She demonstrated exemplary leadership and exceptional organisational acumen, serving as Contingent Commander for DELHI DTE at the All India Vayu Sainik Camp (AIVSC) 2025, held at Yehanka, Bangalore. Under her guidance, all activities of the Girl Air Wing cadets were conducted with remarkable efficiency and discipline. Through her dedicated mentorship, she continues to inspire and shape future leaders, instilling values of integrity, responsibility, and ethical leadership.

The unit remains dedicated to the core objectives of the NCC—fostering character, leadership, and a strong spirit of service among its cadets. The unit has consistently demonstrated a proactive approach in organising citizen awareness initiatives, including Emotional Wellness Workshops,

anti-ragging campaigns, blood donation drives, and yoga camps. Beyond formal training, cadets actively engage in and lead impactful outreach activities, including Nukkad Nataks on Operation Sindoor in public spaces, winter donation drives for the underprivileged, yoga sessions, Constitution Day celebration, save water awareness campaigns and tree-plantation campaigns. These efforts reflect their deep commitment to community service and environmental stewardship.

The year commenced with Desh Fest '25, where cadets showcased exceptional precision in drill, meticulous operational planning, and seamless inter-cadet coordination. The event upheld and reinforced the high standards of excellence associated with the Delhi Directorate. Cadets further demonstrated their skills through a drill display, Guard of Honour, aeromodelling exhibition, and a special attraction, highlighting both discipline and versatility.

The NCC Air Wing (Senior Wing) marked a significant milestone with the establishment of its first-ever Rank Panel. Led by Cadet Senior Under Officer Nancy Bansal, Cadet Under Officer Sabhyata Yadav, and Cadet Warrant Officer Sonam, the panel also included Cadet Sergeants Prerna and Divya. The Rank Panel played a pivotal role in organising successful events and conducting parade classes, while consistently motivating and mentoring junior cadets, thereby fostering discipline, confidence, and leadership within the unit.

Additionally, cadets of the unit represented the Delhi Directorate at various prestigious camps and national-level platforms, demonstrating competence and leadership:

- ABVIMAS Manali (7-16 April 2025): Flight Cadet Priyanka underwent advanced adventure training.
- NIMAS White-Water Rafting, Arunachal Pradesh: Flight Cadet Shivangi exhibited leadership under challenging conditions.
- SNIC Meghalaya: Cadet Warrant Officer Sonam commanded the Guard of Honour.
- Chief Minister's Rally (15 August 2025): Cadet Sergeant Divya represented the unit alongside the Delhi Police.
- EBSB Delhi 2025: Flight Cadet Asma participated in national integration and cultural exchange initiatives.
- Independence Day Camp (31 July-15 August 2025): CSUO Prerna, Sarika, Kashish, Netra, and CUO Manasvi attended the Prime Minister's address at the Flag Hoisting Ceremony.

In March, cadets undertook extensive preparations for Desh Fest '26, organising a series of university-level competitions, including Extempore, Drill Competition, Guard Competition, Debate, Tug of War, and Dance Battle, among others. Throughout the process, cadets demonstrated exceptional leadership, coordination, and problem-solving abilities, particularly while navigating challenging situations with resilience and determination.

The Viksit Bharat Event, held at Deshbandhu College on 21 April 2026, was a visionary initiative aimed at inspiring cadets to contribute towards building a developed and transformed India by 2047. The event commenced with a traditional diya inauguration, followed by a graceful Saraswati Vandana and engaging skits that reflected the role of youth in nation-building. A series of thoughtfully designed activities fostered awareness, responsibility, and a sense of purpose among the participants. Informative and deeply motivating, the event encouraged cadets to embrace leadership, innovation, and commitment, leaving them inspired to actively participate in shaping the future of the nation.

The Senior Wing Rank Panel for the year 2026 comprised CSUO Prerna Chourasia, CUO Manasvi Chandra, CWO Aarzu, Cadet Sergeant Tanishka Choudhary, Cadet Sergeant Gunjan, and Cadet Sergeant Anchal. Under their leadership, the Girls' Air Wing continued to uphold its tradition of excellence, fostering discipline, responsibility, and teamwork among cadets.

Thus, NCC is not just about drill and parade practice; it is about shaping oneself to be confident, disciplined, and ready to contribute positively to society and the nation.

NATIONAL SERVICE SCHEME (NSS)

The National Service Scheme (NSS) unit of Deshbandhu college continued its commitment towards community service, social responsibility, leadership development, and nation- building during the academic session 2025-26. Through a variety of outreach programmes, awareness campaigns, and volunteer-driven initiatives, NSS volunteers actively contributed to societal welfare while developing values of service, discipline, and civic engagement.

Orientation and Enrolment Program The orientation program of NSS was organised on 11-09-2025 where new volunteers were enrolled and motivated to participate in community service activities and were introduced to the spirit of the National Service Scheme and its motto – Not Me, But You. This is where the journey of change makers begins.

Swachh Bharat and Cleanliness Drive On 24 September, the NSS unit organized a campus cleanliness drive to promote awareness and hygiene. The initiative emphasized the importance of maintaining a clean and healthy environment. Promoting the spirit of “Swachhta Hi Sewa,” a cleanliness drive was held on 25th September 2025 in collaboration with the National Mission for Clean Ganga. The drive saw dedicated participation and successfully inspired responsibility towards maintaining clean surroundings and protecting natural resources.

Environmental Awareness and Plantation Drive An awareness program on Shatavari was conducted to educate students about its health benefits and medicinal importance. The session highlighted the role of traditional herbs in maintaining health and wellness. Students gained knowledge about natural remedies and their significance in daily life.

Health and Social Awareness Campaigns Blood Donation Camp on 11th September 2025 was organised in the college campus. Donors were appreciated with certificates and gifts. The event successfully spread awareness about saving lives and reinforced values of service, empathy, and social responsibility. Promoting health awareness and preventive care, a Free Health Camp was organised on 24 November 2025 in collaboration with Jiva Ayurveda, Sarvodaya Diagnostics, and Clove Dental. A wide range of services, including health check-ups and consultations, were provided to students and staff. A webinar on PCOS/PCOD was conducted on 21 February to raise awareness about women's health issues. PCOS/PCOD, infertility,

weight loss yoga valuable information regarding causes, symptoms, prevention, and treatment of PCOS/PCOD were shared. Contributing to community welfare, NSS volunteers actively participated in “Nirvaan: Healthcare/ Wellness/ Peace,” a health camp focussed on accessible care and well-being. The event offered 15+ health services, including blood donation, thalassemia screening, and mental health check-ups. Volunteers played a key role in coordination and management, ensuring smooth execution.

Civic Engagement Activities The NSS Unit of Deshbandhu College organised an inclusive Job Fair on 8 August 2025 with Samarthanam Trust. The event connected persons with disabilities and general candidates with 13 companies offering roles in sectors like BPO, retail, and operations. It provided an accessible platform for employment and promoted inclusivity. A free NCMC Metro Card distribution camp was organised on 13 September 2025 in collaboration with Jeevan Aadhaar Suvidha Kendra to promote easy and cashless commuting. Held on campus, the initiative benefited students and staff, especially daily commuters. A “Run for Swadeshi” event was organised on 22 January to celebrate National Youth Day, promoting the ideals of self-reliance and patriotism among students. Promoting women’s safety and empowerment, a Self Defence Camp was held on 23 February 2026 in collaboration with the SPUWAC Unit of Delhi Police. Trainers demonstrated practical techniques to handle threats and emphasised awareness and alertness. The NSS volunteers participated in the “Run with MCD” event on 25 February, organized to promote fitness and civic awareness. Students actively took part in the run, spreading messages about health, cleanliness, and community responsibility. Continuing its commitment to social service, the NSS unit organized a three day donation drive from 18 to 20 March to collect clothes, stationery, and essentials for the underprivileged.

Impact The NSS activities provided volunteers with opportunities to develop leadership qualities, teamwork, communication skills, and a strong sense of social responsibility. The programmes contributed significantly to community welfare while nurturing responsibilities and socially concise citizens.

Achievements Active participation of volunteers in community outreach programmes. Successful organization of multiple awareness campaigns and service activities throughout the year. Enhanced student engagement in social service and leadership development. Promotion of environmental sustainability through plantation and cleanliness initiatives. Increased awareness regarding health, wellness, civic responsibilities, and social issues among students and community members. Strengthened collaboration between the college and the local community through meaningful service activities.

NSS Annual Celebrations Celebrating the spirit of Diwali, Pradeepan 8.0 – the Annual Diwali Mela – was held on 14 October 2025 at Deshbandhu College. The event featured vibrant competitions, performances, and stalls, showcasing student talent and creativity. With enthusiastic participation and support from partners and guests, it created a lively festive atmosphere and successfully promoted cultural pride, community engagement, and holistic student development. The NSS Unit of Deshbandhu College organised its annual fest Siddhi. This initiative invites individuals, student

societies, creators, and organizations to come together and co-create meaningful experiences that celebrate creativity, innovation, and social impact.

Special Days and National Celebration Commemorating the legacy of Rani Lakshmibai, a tribute event was held on 19th November 2025 at Deshbandhu College in collaboration with UDAAN. A photography workshop added creative value to the event. Marking National Constitution Day, a Pledge Taking Ceremony was held on 26 November 2025 to commemorate the adoption of the Constitution of India. Students and faculty participated enthusiastically, reaffirming their commitment to justice, equality, and fraternity. Celebrating National Youth Day, an inspiring event was held on 12 January 2026 to mark the birth anniversary of Swami Vivekananda. The programme featured motivational addresses, cultural performances, and competitions like dance, drawing, and speech recitation.

Yoga and Wellness Program On the occasion of International Yoga Day (21 June), the NSS unit organized a yoga session to promote physical and mental well-being among students. The event helped in spreading awareness about holistic health and the importance of adopting yoga as a way of life among students, faculty members, and staff.

The session commenced with a brief introduction highlighting the significance of yoga in maintaining a healthy body and a peaceful mind. Participants enthusiastically performed various yoga asanas, pranayama, and meditation practices under the guidance of experienced yoga instructors. Special emphasis was laid on correct posture, breathing techniques, flexibility, stress management, and holistic wellness.

Faculty members, NSS volunteers, non-teaching staff, and students actively participated in the programme with great enthusiasm and discipline. The session witnessed an overwhelming response, reflecting the growing awareness about the benefits of yoga in daily life.

The event concluded with a vote of thanks, encouraging everyone to practice yoga regularly and embrace a healthy lifestyle. The programme successfully reinforced the message of harmony between body and mind and inspired participants to make yoga an integral part of their daily routine.

The celebration was conducted successfully under the guidance of Prof. Ajay Pratap Singh Gahlot, Programme Officer, NSS, Deshbandhu College, with the active support of NSS volunteers and the college administration. The event served as a meaningful contribution towards promoting health, wellness, and the spirit of International Yoga Day.

GENDER CHAMPIONS CELL (GCC)

Convenors:

1. Dr. Preeti Gupta Dewan
2. Dr. Vineeta Kashyap

Gender Champions Cell is a joint initiative of the Ministry of Women and Child Development and the Ministry of Education. UGC mandates every educational institution to have a Gender Champions Cell. The process of gender socialization happens in all settings--the domestic sphere, religious institutions, educational institutions, media, etc. Schools and colleges play a pivotal role in this regard because students spend a large amount of time engaged with their peers and teachers. We can use this space and time meaningfully to shape attitudes and transform behaviours. Creating positive social norms that value and respect women and their rights is important to improve the well-being of all genders.

Gender Champions are students who are passionately interested in gender issues and who will therefore attempt to facilitate an enabling environment within their academic institutions where all genders are treated with dignity and respect. They will strengthen the potential of the young generation to advocate for gender equality and monitor progress towards gender justice. They will strive to achieve this vision through an array of activities such as seminars, talks, wall displays, street theatres, movie screenings and discussions, carried out throughout the academic year.

The Gender Champions Cell organised an enlightening talk on “Ways of Seeing and Doing: Why Gender Matters” on October 31st, 2025, under the aegis of IQAC and Viksit Bharat @ 2047. The session featured Prof. (Dr.) Meenakshi Malhotra, Department of English, Hansraj College, as the distinguished speaker. The programme was successfully coordinated under the guidance of Dr. Preeti Dewan and Dr. Vineeta Kashyap, conveners of the Gender Champions Cell. Student representatives Devaashi and Sahiraa Ramnath played an instrumental role in ensuring the smooth organisation and execution of the event.

“A gender equal society would be one where the world 'gender' does not exist; where everyone can be themselves.”

— Gloria Steinem

The Women Development Cell (WDC) was re-established on 10th January 2018, it was indeed a historic achievement of the college in taking forward the policies of women empowerment within and outside the college. The objective of WDC is to build a gender-sensitive environment by spreading awareness and knowledge about women's rights and welfare laws, develop the confidence of women, prevent sexual harassment, and promote general well-being of female students as well as the staff. Under the guidance of WDC Convenor Dr. Rama Singh, and the Committee members Women development cell has pro-actively organised several programs/webinars covering a wide range of topics like gender equality, gender sensitivity, women empowerment, fight against patriarchy, decoding bias and menstrual hygiene.

Since its inception the WDC has been organising talks and events on various national and international women oriented concerns and agendas. On 9th February 2021, the Women Development Cell of Deshbandhu College organised a **“Talking consent and boundaries”** by the eminent speaker Dr.(Ms.) Surabhi Dhingra Founder of POSHCA(NGO). On 8th March 2021, on the occasion of “International Women's Day”, the Women Development Cell of Deshbandhu College organised two webinars on **“Understanding Modern Women Prism Of Ancient Wisdom”** by the eminent speaker Annu Kalra and “Decoding Bias”, A conversation with film maker Anandana Kapur. On the occasion of “International Women's Day”, 8th march 2022, the Women Development Cell of Deshbandhu College organised a session on **“Why Women's Day?”** by the eminent speaker Dr. Hema V. Raghavan (Former Principal, Gargi College & Former Dean, Students Welfare).

On “National Girl Child Day” on 24th January 2023 a seminar was organised with great words of enlightenment by our eminent speaker Prof. Harindri Chaudhary on the topic of **“She Inspires”** educating students on the importance and gravity of the issue. A Seminar was organized in collaboration with NSS unit of Deshbandhu college on 6th March 2023 on the occasion of “International Women's Day” themed, **“DigitALL : Innovation and Technology For Gender Equality”** with our special guest speaker Dr. Charu Lata & Dr. Anshu Joshi along with our Guest of Honour Prof. Ranjana Mukhopadhyaya.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

As a post-accreditation quality sustenance measure as prescribed by the NAAC, the college established the Internal Quality Assurance Cell (IQAC) on 18th September, 2015. The IQAC being an integral part of the college works towards realizing the goals of quality enhancement by developing a system for continuous, consistent and catalytic improvement in different aspects of functioning of the college. The IQAC assures the stakeholders i.e., students, parents, teachers, staff, Management, funding agencies, prospective employers and society in general - of the accountability and transparency in the quality management system of the institution and its concern for ensuring quality of education being imparted. Internal Quality Assurance System is a step towards Excellence. The IQAC of Deshbandhu College has been largely responsible for conducting the 2nd cycle of NAAC accreditation achieving the highest grading of A++ with CGPA 3.65 in the year 2023 an improvement from 1st cycle of NAAC accreditation with a B++ grading and CGPA 2.80 in the year 2016. In order to evaluate its adherence to various quality benchmarks and parameters, the college has been participating in NIRF ranking since 2020. The college secured all India 13th rank in NIRF Rankings-2025, starting from 96 rank in 2020 which improved to 60th rank in 2021, 28th rank in 2022, 17th rank in the 2023 and 16th rank in the 2024 in college category, a testimony to the colleges to resolve to excel in quality benchmarking, adherence and assurance. It conducts various conferences, seminars and workshops to enhance the overall quality of teaching-learning process. In the last academic session, IQAC organized more than 140 conferences, seminars, workshops, FDP and other academic activities. The most notable amongst them were one international and two national conferences. The research output of the college has also shown consistent improvement both qualitatively and quantitatively with the college publishing research papers, Books, Book Chapters, Conferences, presentations and proceedings. It documents and reports various activities of the college for various requirements. A continuous follow up has been made on infrastructural resources of the college to assure a conducive and enabling environment for teaching, learning and research.

Driven by these objectives, some of the significant initiatives and milestones achieved in the past one year are as follows:

 - ii) Mental Health Awareness by the experts.

The event marked a significant institutional step toward strengthening mental health awareness, accessibility and professional support for students and staff. The program also expressed gratitude and acknowledgment to IHBAS (Institute of Human Behaviour and Allied Sciences) for extending professional collaboration and access to mental health experts.

We are extremely fortunate that IHBAS has lend us a helping hand of providing regular support and access of mental health professionals. Department of Clinical Psychology, IHBAS under its Community Clinical Psychology Services will carry out following activities for our college:

- Mental health awareness through periodical interactive sessions/discussions and deliberations
 - Activities for promotion of mental health
 - Screening for mental health problems
 - Mental health counseling or psychological first aid and referrals and
 - Capacity building activities
- 2) Mental Health & Wellness Cell of Deshbandhu College conducted “First Interactive Mental Health Session” in collaboration with IHBAS (Institute of Human Behaviour and Allied Sciences) on 30th March, 2026.

ENACTUS

Enactus Deshbandhu is more than just a college society, it is a community of students who believe that meaningful changes begin with small ideas and the willingness to act on them. Bringing together students from diverse academic backgrounds, the society provides a platform to learn, collaborate, and create sustainable solutions for real-world social and environment challenges.

Enactus Deshbandhu is the official chapter of the global Enactus network at Deshbandhu College, University of Delhi. It was founded by an undergraduate, 2nd year student along with the support of faculty Dr. Savita Singh in October, 2016. It started with 20 ordinary teenagers having a goal in mind to uplift the weaker sections of our society.

At Enactus, every project begins with understanding people and their stories. Members work closely with communities, identify challenges, and develop entrepreneurial solutions that create lasting impact. Whether it is promoting sustainability, empowering local artisans, organizing community outreach initiatives, or collaborating with NGOs and fellow student societies, every effort is driven by empathy, innovation, and a shared sense of purpose.

The society's current flagship initiative, Project Rafū, reflects this vision. By transforming textile waste into handcrafted products while creating livelihood opportunities for women artisans, the project combines environmental responsibility with social empowerment. It stands as an example of how thoughtful ideas can create sustainable impact for both people and the planet.

Beyond projects, Enactus Deshbandhu is a space where students grow as individuals. Members gain practical experience in leadership, teamwork, communication, research, marketing, finance, and project management while working alongside like-minded peers. From brainstorming sessions and field visits to campus events and national competitions, every experience encourages students to step outside the classroom and learn through action.

As Enactus Deshbandhu celebrates a decade of impact, it continues to nurture socially conscious leaders who believe that entrepreneurship is not just about building businesses, but about building better communities. For every member, the journey is one of learning, collaboration, and creating change that lasts.

The IMPACT Project
Deshbandhu Chapter

THE IMPACT PROJECT *Deshbandhu Chapter*

The IMPACT Project – Deshbandhu Chapter is a student-led consulting society committed to creating meaningful social and organizational impact through pro-bono consulting, research, and strategic problem-solving. The chapter provides students with practical exposure to consulting while supporting startups, social enterprises, NGOs, and businesses through data-driven and actionable solutions.

During the academic session 2025–26, the society commenced its activities with an Early Recruitment Drive for second and third-year students, followed by a Freshers' Orientation Programme and Recruitment Drive to onboard new members and introduce them to the fundamentals of consulting and public policy.

To foster a consulting-oriented learning environment, the society launched a series of educational social media initiatives featuring case studies, guesstimates, business problem-solving approaches, and consulting frameworks such as the McKinsey Framework, Ishikawa diagram, and other strategic tools. These initiatives aimed to develop analytical thinking and industry awareness among students.

A major highlight of the session was the successful execution of three live consulting projects through collaborations formalized via Memoranda of Understanding (MoUs):

- **IMPULSE (Social Action Mobilizer):** Delivered marketing strategy recommendations, market research, and competitor analysis to strengthen outreach and organizational positioning.
- **Mangalam Multipurpose:** Conducted market research, economic analysis, and business expansion planning, identifying growth opportunities and untapped market segments.
- **The Realty Xpert:** Developed market expansion strategies, client acquisition frameworks, brand intelligence systems, and lead management solutions to support business growth.

Through these projects, members gained valuable hands-on experience in market research, strategic consulting, data analysis, client management, teamwork, and professional communication while delivering impactful solutions to partner organizations.

Another significant achievement of the session was the launch of the First Edition of the IMPACT Casebook, a curated publication featuring consulting case studies, analytical approaches, and problem-solving methodologies. The Casebook serves as a valuable resource for aspiring consultants and contributes to building a strong consulting culture within the college.

Through its initiatives, projects, and knowledge-sharing efforts, The IMPACT Project – Deshbandhu Chapter continues to strengthen its vision of developing future consultants, promoting social impact, and creating meaningful opportunities for experiential learning among students.

CLUBS @ DESHBANDHU

ECO CLUB (DBC-EC)

प्रकृतिं रक्षामः, भविष्यं निर्मातः
Protecting Nature, Building the Future

The Eco Club of Deshbandhu College (DBC-EC) is dedicated to fostering environmental awareness, sustainability, and ecological responsibility through student-led initiatives, experiential learning, and community engagement. The Club serves as a vibrant platform for students to actively participate in environmental conservation while developing leadership, teamwork, and social responsibility.

The College campus is enriched with its Biodiversity Park, which provides a unique living laboratory for ecological studies, biodiversity conservation, and nature-based learning. Mahalingam Rock, a 100-million-year-old rock, and a serene Buddha statue add charm to the campus. The DBC-EC has made an efficient rainwater harvesting system in the college campus. Solar panels have been installed on the rooftops to harvest solar energy for electricity production. The Eco Club has taken the lead for green audits, energy conservation, waste segregation, and composting initiatives. It has facilitated institutional collaborations with governmental and non-governmental organizations engaged in green waste management, paper recycling, and e-waste recycling, strengthening the College's commitment to sustainable waste management. Over the years, the Club has significantly enhanced the campus ecosystem by expanding green cover across more than three acres through strategic plantation initiatives and restoring ecologically sensitive areas. It participates in celebrations of significant environmental occasions such as World Environment Day, Earth Day, Van Mahotsav, and other national environmental observances.

The Eco Club actively promotes awareness through national conferences, workshops, expert lectures, outreach programmes, nature walks, and environmental campaigns. Student volunteers from the Eco Club participate in plantation drives, biodiversity monitoring, habitat restoration, and sapling distribution. Eco Club organizes student-centric activities such as inter-college competitions, community outreach programmes, and awareness campaigns, enabling them to become informed and responsible environmental stewards.

Through its diverse initiatives, the Eco Club seeks to cultivate environmental ethics, inspire innovation in sustainable practices, and empower students to contribute meaningfully towards building a greener, healthier, and sustainable future.

SOCIETIES @ DESHBANDHU

Convenor of Cultural Committee: Dr. Varsha Singh, Department of English

*Holistic development focuses on nurturing the whole student
—encompassing intellectual, physical, emotional, and social growth.*

Deshbandhu College aims to actively enhance interaction among students from diverse backgrounds to promote greater mutual understanding and respect for talents and cultural heritage. The cultural committee and various cultural societies under it are committed to provide platforms and facilitate students to develop, hone and showcase their talents throughout their academic sojourn in the college.

Throughout the year, the Cultural Committee organises an array of cultural events which seek the attention and interest of all. Some of the successful events have been SPICMACAY: Deshbandhu chapter “Virasat”, in which Padam ShriKathak Guru Shovana Narayan performed classical dance, the soul-touching Qawwali by Sufi Nizami Brothers(Ustad Faizan, Hasan and Zeeshan), Kavi Sammelan, Rajasthani Folk Music, etc.

All cultural societies under the Cultural Committee organise their orientation programs, competitions, concerts and events within the campus where a large number of students participate. The Cultural Committee also prepares students to participate in an array of cultural events and competitions organised by other colleges and universities, in which students have brought laurels too. In this regard, the students of Anterdrishti: Hindi Debate Society, DDS: Nukkad Natak Society, Stageplayers: Theatre Society, Timbre: Indian Classical Music Society, Riwayat: Indian Dance Society, Art Miester: Art and Craft Society, Oculis: Film Making Society, Audaz: Fashion Society are in the top race, bagging most of the prizes and receiving applause and appreciation from all around.

Annual Cultural Fest: SABRANG

There is a time and place for everything that is College! And College Life is best experienced in a cultural fest. SABRANG, the annual cultural festival of Deshbandhu College, is the mega event of music, dance, acting, fashion show, games, food, star-evenings and whatnot. It helps students to discover new dimensions of joy, flummox the talents and creates the aura of luminaries allures, Renowned chief guests, for instance, Padam Shri Dr. Ashok Chakradhar, Gautam Gambhir (Padam Shri Awardee & Indian Cricketer), Shri Manoj Tiwari (Member of Parliament, Bhojpuri Singer and Actor), Paramveer Chakra Vijeta Shri Yogendra Yadav, Shri Dinesh Raghuvanshi (poet and writer), Mr. Hans Raj Hans (Musician and singer), Dr Rajsha Singh David, Dr Rajani Rao and Ms Brijesh Kumari(Kathak Artists), and many more have graced the occasion of annual fest Sabrang over the years.

Star-evenings are the most eagerly anticipated event during the cultural fest of the college. In the past few years, Deshbandhu College has witnessed the gracious celebrity performances, mainly by Kailash Kher, Badshah, Mohit Chauhan, Neha Kakkar, Ankit Tiwari, Shaan, Darshan Raval, Karan Randhawa, Gippy Grewal, Masoom Sharma, Nikhil D'souza and many more. Also, events like "Qawwali" by Nizami Brothers (India's Got Talent Finalists), Kavi Sammelan (Hari Om Pawar, Yusuf Bhardwaj, Deepak Gupta, Mahendra Ajnabi) adorned the college ambience magnificently.

SABRANG 2026 carried forward the vibrant legacy of Deshbandhu College's cultural fest with unmatched grandeur and youthful energy. The Cultural Committee organised the culmination of the cultural bonanza in collaboration with the Student Union Advisory Committee and the Student Union of Deshbandhu College on 16th and 17th February 2026. Prof. Dinabandhu Sahoo (Head, Department of Botany, DU), Prof. A. K. Singh (Joint Dean, Students' Welfare Office, DU) graced the occasion and the ceremony was further enriched by the presence of mesmerising Kathak artists Dr Rajani Rao and Ms Brijesh Kumari, adding classical elegance to the vibrant opening. During the two-day events, the Cultural Committee organised a wide array of inter-college competitions through various cultural societies, in which a large number of students from Delhi and NCR participated and won cash prizes of around 2.5 lakhs. The evening came alive with the scintillating live performance by the Band of Anuj Rehaan on Day-1 and an electrifying live performance by Bollywood singer Nikhil D'souza on Day-2, bringing another level of passion and zeal, creating an atmosphere of celebration which brought huge charm, appreciated and enjoyed by all.

D-Squad: The Western Dance Society

Teacher Coordinators: Prof. Seema Gupta, Ms. Saloni Gupta, Mr. Satyavir

Student Coordinators: Gungun, Priyanshi

Dance is a dream, and its addictively trippy to be into dreams. D'Squad Crew is the official western dance society of Deshbandhu college which is full of energy, passion and groovy moves, and courage to perform the best at the various platforms. We stand as a team and show our impact whenever and wherever we perform. We are not just a Dance society; we are the vision of new ideas and a better place to groom ourselves in a groovy manner. We performed all over DU colleges and outside of Delhi well and showed our impact in our every act. We build, we grow, we dance, and we are D'Squad. This year has been a dynamic and memorable one for our society, filled with numerous successful events, including those organized by D-Squad itself. Our members displayed remarkable talent and passion, actively participating in various competitions and events both on and off campus. Through their dedication and hard work, they secured several prestigious awards, bringing honor not only to the society but also to our esteemed institution. D-SQUAD organised 'TABIR- -KHWAB' along with Riwayat, a dance event envisioned to bridge the gap between Classical and Western dance forms. Our partnership with the Riwayat brought a unique energy to the festival, highlighting the beauty of diverse perspectives and talents coming together. One of the major highlights of SABRANG '26 was the energetic and captivating performance by the D-SQUAD. With their exceptional choreography and synchronized moves, they mesmerized the audience and set the stage ablaze. Another key attraction of SABRANG was the COSMIC SHOWDOWN, an inter-college competition that brought together participants from various institutions. The event was held in two segments: Group Dance Competition & Solo Dance Competition. This showdown turned out to be a thrilling and dynamic platform for students to showcase their talents across multiple domains.

Oculus: The Film Making Society

Teacher Coordinators: Dr. Deepti Gupta, M. Sonam Tomar, Dr. Narendra Kumar
Dr. Ashawani Kumar Singh

Student Coordinators: Daibik Bose, Pranav

Oculus, the film making society of Deshbandhu College established in 2017 works with the vision of creating short films, music videos, documentaries and other collaborative projects with other societies. The Im society participates in major Im-making competitions across universities. The aim of Oculus is to engage its members in quality Im-production, providing the knowledge of the real world. They educate about the basics of shooting to high budget craftsmanship of cinema. We identify ourselves as a cult of directors, writers, actors, and Im buffs in general. Over the years, Oculus has established itself as a prominent body within Deshbandhu College and beyond. Our participation in competitions and the quality of our productions often earned us recognition and accolades, further motivating members to excel in their craft. Besides practical Im-making skills, Oculus also focuses on educating its members about the theoretical aspects of cinema. We organize workshops, Im screenings, and guest lectures by Im connoisseurs. Oculus has had a highly successful and active competitive season in 2026. With multiple awards and recognitions—the society has demonstrated both artistic and technical excellence. Beyond competitions, the society remained deeply committed to internal growth and learning. Heads of various departments conducted multiple workshops for freshers, with more than six sessions led by Writing head alone. These workshops played a crucial role in fostering talent and preparing new members for future projects. The average cost per competition remained modest and manageable, and the return in terms of recognition and skill development has been substantial.

**Quizzards: The Quiz Society**

Student Coordinators: Nivedhita Nair, P.S. Sreelakshmi

"RIWAYAT"- the Indian dance society of Deshbandhu College fosters the very essence of enthusiasm, culture, hardwork and dedication at its backbone. Dance has always been one of the greatest enjoyments of human civilizations, here at Riwayat, we work towards its welfare and making sure that each individual gets a try at bringing out the best version of themselves. Throughout the 5 years, Riwayat has continued to participate and host a number of competitions and events. It has been host to a variety of talents, winners and people who fall and learn and become someone they can be proud of.

Riwayat is not only a society but home to many students who occasionally find themselves lost and confused. It provides a home, a comfort place to all the dancers scattered throughout Deshbandhu. For people when they hear 'Riwayat' the first thing that comes to mind must be dance but for us, it's family. Riwayat is a beautiful family of over 30 people who share and give and together navigate their college days and create a plethora of memories and achievements. Here at Riwayat, we celebrate dance and what it means to be a dancer.

Timbre, the Indian Music Society of Deshbandhu College, is a vibrant collective dedicated to celebrating the richness and diversity of Indian music. Under its umbrella flourish Prayaag, the society's band, and Vaaditra, its classical choir. Together, they provide a platform for students to explore, learn, and express their passion for Indian musical traditions. From soulful classical renditions to innovative musical performances, Timbre fosters an environment where talent, creativity, and a deep love for Indian music come together. As part of Deshbandhu College's annual cultural festival, SABRANG, Timbre organizes its flagship music festival, Raagotsav, which features a range of inter-college competitions including Hamsadhwani (Indian Classical Choir), Swarotsav (Indian Light Solo Singing), Octaves (Battle of Bands). The journey of Timbre this year began with an enthusiastic orientation session, followed by auditions to welcome a new generation of talented musicians into the family. Since then, the society has achieved remarkable milestones, securing First Position at IIT Roorkee and First Position at BITS Pilani in the classical choir category through Vaaditra. Timbre also participated in 40+ competitions across the Delhi University circuit, earning 10+ positions in colleges like LHMC, BRAC, Kalindi etc. Beyond competitions, the society successfully organized Jashn-e-Saaz, its signature musical event, and hosted an in-house concert that brought together performers and audiences in a celebration of music, dedication, and artistic excellence. Throughout the year, Timbre has been actively involved in all forms of musical activities and concluded this year with a heart full of memories and achievements.

PROSPECTUS 2026=27

Deshbandhu Express

The academic year 2025–26 marked a significant milestone for Deshbandhu Express as the Society was officially recognised and affiliated as the Media and Journalism Cell of the college. This recognition reflected its growing role in institutional communication, event coverage, student journalism, and representation of student voices. Throughout the year, the Media Cell remained committed to fostering informed dialogue, creative media engagement, and responsible reporting.

The session commenced in August 2025 with the appointment of the new Core Team. In September, the Society collaborated with recognised non-departmental societies to introduce their activities to students and covered major events including Fiontraí (E-Cell) and RabiRitu (Epiphany). October witnessed coverage of the flashmob organised by D-Squad and Riyawat, participation as Media and Journalism Partner for Pradeepan 8.0, the Diwali Mela organised by NSS, and the Society's annual recruitment process.

A major phase of activity began in February 2026 with extensive coverage of the college's Annual Cultural Fest, Sabrang, through photography, interviews, social media management, and design support. The Society also collaborated with the Life Sciences Society for Synergia, covered Anvesha, the International Conference organised by the Department of Philosophy, and documented Appulse '26 organised by the Commerce Society of Kirori Mal College. In March, the Society covered Samuchhayam, organised by the Department of Mathematics. April marked one of the Society's busiest months, with coverage of Origen – Jashn I Tarikh (History Society), Syntax (Computer Science Society), BioSpark (Department of Biochemistry), Abhiyeti, Aarohan (Enactus), Antardrishti, the Annual Day and Prize Distribution Ceremony, Carpe Diem (Epiphany), SMUN, Synthesis (Polienz), and Samaksh (Ek Bharat Shreshtha Bharat). During this period, the Society's official affiliation further strengthened its institutional presence.

A major highlight of the year was the flagship annual fest, Vox Populi, organised on 24 April 2026. The event featured On Air (RJ Interview Competition), First Draft (Report Writing Competition), and Prescient (Group Discussion and Debate), alongside guest interactions with Sidhant Sibal, Ravinder Kumar, and Gaurav Dwivedi, who encouraged students to engage critically with journalism, governance, and public communication. Deshbandhu Express actively represented student concerns through issue-based reporting, notably highlighting hygiene and sanitation concerns following reports of a rat being found in the college canteen. The Society also maintained an active digital presence through recurring content initiatives such as Sunday Scoop, Foodie Fridays, and Travel Thursdays, promoting engagement with current affairs, food and travel journalism, and campus developments. Overall, the academic year reflected Deshbandhu Express's continued dedication to student journalism, creative media engagement, and institutional accountability, reinforcing its role as a vital platform for communication, representation, and critical dialogue within the college community.

Devbhoomi – The Cultural Society

Convener: Dr Pankaj Kumar Kandpal

Mentor: Prof. Aparna Nautiyal

Har Ghar Dhyani is a collaborative initiative of The Art of Living and Ministry of Culture, Government of India, under the aegis of "Azadi ka Amrit Mahotsav" (AKAM), as a special offering to benefit the citizens on the occasion of 75 years of independence for our Country. The Har Ghar Dhyani initiative works through TAOL volunteers, who are aware of the benefits of Meditation, to reach out to the society and encourage people to experience Meditation. Their volunteers or Meditation Ambassadors organize sessions to educate about mental health and meditation. Memorandum of Agreement (MoA) on Knowledge Partnership was signed between TAOL & University of Delhi on 3rd March, 2023 and Prof. Ajay Kumar Singh, Head, Department of Commerce, DU, has been appointed as Nodal Officer for imparting various programs with TOAL to develop skill and capacities of students, teaching and non-teaching staff towards health & well-being at the University of Delhi. Programme like student's interactive sessions in classroom as well as One week Yes+ workshop on "Understanding the Power of Breath" have been organised to emphasize the importance of breath in controlling our mind. Teacher's interactive sessions have also been done. Furthermore, a very successful Short-Term Course (Faculty Development Program) under the Malviya Mission Teacher Training Program (MMTTP) on "Understanding the Power of Breath" was conducted in which 35 faculty members from DU learnt about Sudarshan Kriya and its benefits apart from improving life changing skills through various activities.

Himalayan Study Circle - Deshbandhu College (HSC-DBC)

Exploring Horizons, Sustaining Ecosystems

The Himalayan Study Circle (HSC) at Deshbandhu College is a premier academic and research initiative dedicated to understanding, preserving, and exploring the multifaceted dimensions of the Himalayan region. Recognizing the critical ecological, socio-cultural, and geopolitical significance of the Himalayas, the Circle serves as a vibrant platform for students and researchers across disciplines to engage with one of the world's most vital ecosystems.

Bridging Classrooms and the Cloud-Kissed Peaks The HSC-DBC aims to cultivate a deep-seated awareness of environmental sustainability and regional heritage. Through an immersive blend of academic inquiry and experiential learning, the society empowers young minds to look beyond textbooks and address real-world environmental and social challenges. Our core activities include:

- **Field Expeditions & Excursions:** Hands-on field research, ecological mapping, and socioeconomic surveys in the Himalayan terrains.
- **Academic Forums:** High-impact national seminars, conferences, and interactive workshops featuring eminent scientists, environmentalists, and policymakers.
- **Knowledge Dissemination:** Opportunities for students to contribute to research projects, monographs, seminar volumes, and collaborative publications.

A Landmark Collaboration: HSC-DBC & CHS-DU In a significant leap for undergraduate research, the Himalayan Study Circle operates under a formal Memorandum of Understanding (MOU) with the Centre for Himalayan Studies, University of Delhi (CHS-DU). This prestigious institutional alliance unlocks unparalleled opportunities for Deshbandhu students, including:

- **Shared Infrastructure:** Direct access to the advanced laboratories, extensive library resources, and state-of-the-art research facilities of CHS-DU.
- **Joint Research Ventures:** Mentorship from university faculty on cutting-edge research projects focusing on Himalayan ecology, sustainability, and climate change.
- **Capacity Building:** Specialized identity cards/access papers issued upon request to facilitate seamless collaborative learning between either institution.

Why Join the Himalayan Study Circle? Whether you are an aspiring scientist eager to conduct fieldwork, a humanities student interested in regional indigenous cultures, or an environmental enthusiast dedicated to conservation, HSC offers a nurturing space to grow. By joining the Circle, you don't just study Himalayas—you become a part of a sustainable future.

Discover. Research. Conserve.
Welcome to the Himalayan Study Circle!

The University of Delhi remains committed towards making a significant contribution to society through its research and other academic activities. In accordance with its mission, the University of Delhi has established its own incubator, the Udhmodya Foundation : a Section-8 company which helps people transform their ideas into successful ventures by giving them the tools and support they need to get through typical roadblocks and improve their chances of success. The core objective of the foundation is to drive innovation by supporting budding entrepreneurs to ideate, collaborate, develop their ideas and grow their startups. It helps in connecting startups with resources and providing incubation facilities in hybrid mode. To support and nurture innovators, various awareness programmes under Udhmodya Foundation are organized in Deshbandhu College. It helps in deepening the understanding of an entrepreneurial journey of the students. As faculty, we will be able to guide students better. As students, we will know where to begin. It will help in fostering a culture of innovation and envisioning a community of startups in Deshbandhu College.

Unnat Bharat Abhiyan

Coordinator: Prof. Varsha Baweja

Faculty Members: Prof. Ajay Pratap Singh Gahlot, Prof. Seema Gupta

Dr. Ashawani Kumar Singh, Dr. Sushma Sharma, and Dr. Arun Chhokar

President: Mr. Krish Singh

Vice-President: Ms. Vanshika Gautam

Unnat Bharat Abhiyan (UBA), an initiative of the Ministry of Education, Government of India, aims to bring transformative change to rural India by involving higher educational institutions in the development process. Deshbandhu College, University of Delhi, proudly participates in this mission as a non-technical Participating Institute (PI). With the approval of the District Magistrate, South Delhi, the college has adopted five villages: Bhati Mines, Rajpur Khurd, Chandan Hola, Sultanpur, and Satbari. The UBA unit of Deshbandhu College, under the guidance of IIT Delhi as the National Coordinating Institute, provides volunteers with a unique opportunity to build social ties, interact with India's underprivileged, and inspire them to work for society in the process of creating a stronger, healthier, and more prosperous country. Student volunteers, under faculty mentorship, frequently visited these villages to engage with the locals, understand their challenges, and collaboratively explore practical solutions.

Throughout the year, a variety of impactful initiatives were undertaken, including Prarambh'25, Independence Day, Survey Visit, Global Roti Day, Donation Drive, Diwali Celebration, Health Camp, Menstrual Health Awareness, Vivechan'25, Health Camp 2.0, Menstrual Health Awareness 2.0, Government Scheme Awareness Drive, Legal Awareness Drive Session, Historical Survey and Unnati'26. Such activities not only contribute to rural development but also enable students to step beyond the classroom and understand real-world challenges, thereby fostering a strong collaborative relationship between academic institutions and rural populations. By connecting to the rural communities and interacting with them to understand their realities, these initiatives reflect the shift from formal structures to lived values. Notably, the UBA unit successfully hosted 'Vivechan'25' a premier forum that culminated in the official launch of its bi-annual magazine, Abhyeti, Volume 4.1., in the presence of distinguished dignitaries, Mr. Suresh Chavhanke, Editor-in-Chief for Sudarshan News, Dr. Pravesh Kumar Choudhary who acts as National Spokesperson for VHP, Mr. Ramveer Tanwar who holds the title The Pond Man of India. This grand event dedicated to the critical and timely theme of "Water, Waste and Wellness," the event showcased the college's dedication to societal engagement, aligning with the mandate of the Ministry of Education's UBA initiative.

Unnati'26 stood as a remarkable blend of intellect, expression, and heritage, reflecting our commitment to social upliftment and youth empowerment. It was a celebration of not just an event, but of a shared vision for a better and more inclusive India brought to life, by the launch of Abhyeti Volume 4.2. themed "Aging Constitutionality: From Democracy to Dharma". The vibrant event was honoured by the esteemed presence of distinguished dignitaries, including Advocate in the Supreme Court of India Adv. Monica Arora, Vice President of BBICI and also an esteemed Member of Parliament Dr. Rajeev Shukla, Senior Journalist Mr. Pushpendra Kulshreshtha and renowned UPSC Mentor Mr. Shashank Tyagi. Their insightful words and inspiring presence elevated the grandeur of the celebration, igniting a spirit of motivation and civic consciousness among the attendees.

At the UBA Unit of Deshbandhu College, we believe in the power of partnerships. To implement an inclusive and sustainable strategy for rural development, we actively work with local communities, governmental organizations, non-governmental organizations, and other stakeholders. By aligning efforts, we strive to implement need-based interventions and bring about meaningful change at the grassroots level. We work to execute need-based interventions and effect significant change at the grassroots level by coordinating our efforts. Looking ahead, we remain deeply committed to continuing our work in the adopted villages. With renewed energy and vision, we plan to expand our outreach, enhance current programs, and introduce new initiatives in education, healthcare, and livelihood generation. Our goal is to uplift these communities and ensure lasting, positive transformation. We invite enthusiastic students to join us in this transformative journey. Through the Unnat Bharat Abhiyan Unit of Deshbandhu College, together we can empower rural India and contribute to building a more inclusive, equitable, and sustainable future for all. The Alumni of Deshbandhu College have built successful careers in various fields all over the world. DBC boasts a strong network of alumni comprising eminent Bureaucrats, Academicians, Researchers, Entrepreneurs, Scientists, Artists, Defense Ministers and the list is endless. We are ardent believers that the experience and perspective of our prudent Alumni can make an imperative contribution in molding the lives and attitudes of our present students. Our Alumni Association plays a major role in bridging the gap between the College and the Alumni by arranging opportunities where Alumni can interact and share their insight knowledge with our current batch of students. DBC strives to maintain incessant communication with the vibrant Alumni family.

We were fortunate enough to relive the memories and transition journey of our Notable Alumni in the First Alumni Meet organized on 20th March 2020 on Zoom platform. Deshbandhu College celebrated its 70th Foundation Day on 1st August, 2022 where our proficient Alumni were felicitated and they apprised the dominant role of the institution for their successful lives. Deshbandhu College organized Alumni Meet on 23rd March 2024 where various eminent Alumni joined the celebrations. They engaged with the college fostering a culture of affection and trust.

RESEARCH & INNOVATION

DBC i4 Centre

(Interdisciplinary, Innovations, Ideas & Inspire)

Prof. Rajendra Kumar Pandey **Prof. Varsha Baweja**

Principal/ Director Coordinator, DBT Star College Scheme
DBC- i4 Centre

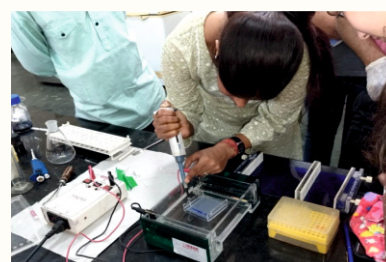

Co-Coordinator : Dr. Irengbam Rocky Mangangcha

Dy. Coordinator: Dr. Jitendra Kumar

Deshbandhu College established the i4 Centre, which stands for Inspire Interdisciplinary Ideas for Innovations. This facility was initially developed with the generous support of the Department of Biotechnology (DBT), Government of India.

The i4 Centre represents the culmination of Deshbandhu College's longstanding commitment to fostering a student-centric learning environment and promoting interdisciplinary approaches that inspire creative thinking and innovation. The Centre provides state-of-the-art infrastructure, mentorship, and resources to support undergraduate, postgraduate, and research students in their academic and research pursuits, thereby playing a vital role in nurturing the next generation of innovators, researchers, and leaders.

To strengthen research aptitude and technical competencies among students, the Centre regularly organizes a variety of capacity-building programmes. These include initiatives such as the National Workshop-cum-Training Programme for Capacity Building and Empowering Laboratory Skills and Hands-on Workshops on the Use of *Drosophila melanogaster* as a Research Model, among several other skill-development and research-oriented activities.

DBT Star College Scheme@DBC

Prof. Rajendra Kumar Pandey
Chairman

DBT Star College Scheme, DBC

Prof. Indrakant K. Singh
Project Coordinator

DBT Star College Scheme, DBC

DBT Star College Scheme was launched by DBT, Ministry of Science & Technology, Govt. of India, in 2008 to support colleges and universities offering undergraduate education to improve science teaching across the country. This scheme was initiated for improving critical thinking and 'hands on' experimental work at undergraduate (college) level in sciences.

Deshbandhu College was awarded DBT-STAR College scheme in 2019 and five departments of this college are actively involved under this scheme i.e Department of Biochemistry, Botany, Chemistry, Physics and Zoology. Total 35 minor projects are funded under the scheme that have been exposed to approximately 200 undergraduate students with the modern instrumentation and cutting edge-technologies to enhance their skills and understanding of Biological, Chemical and Physical Sciences. Various activities including webinars, seminars, invited lectures, academic tours/visit and skill enhancement workshops for students, teachers and non-teaching staff have been organized under the scheme.

i4 Centre under DBT Star College Scheme

DBC- i4 Centre

Prof. Varsha Baweja
Coordinator, DBT Star College Scheme
DBC- i4 Centre

Co-Coordinator : Dr. Irengbam Rocky Mangangcha

Dy. Coordinator: Dr. Jitendra Kumar

Inter-disciplinary, Innovations, Ideas and Inspire gave rise to DBC i4 Centre, working under the objectives of DBT Star College Scheme, providing an infrastructural platform, instrumentation platform and promoting the research activities. The Centre provides a niche for the faculty members without core research grant to conduct research activities within the institute with all instrumentation resources. We graciously welcome all the colleges of Delhi University and institutes of other universities to the Centre to promote science and technology through research and development. The Centre is well equipped for Biotechnology Classes, Training and Basic Research facility for the student and faculty members. The DBC i4 Centre also has a well maintained presentation area having a touch screen monitor with internet facility.

Bioinformatics Laboratory

Group Leader: Dr. Irengbam Rocky Mangangcha,
Department of Zoology

Our laboratory focuses on integrating network biology, transcriptomics, and computer-aided drug design (CADD) to understand the molecular mechanisms underlying complex human diseases and to identify novel diagnostic biomarkers and therapeutic targets. We employ high-throughput transcriptomic analyses (RNA-seq and microarray), differential gene expression profiling, functional enrichment, protein-protein interaction (PPI) network analysis, and systems biology approaches to identify key regulatory genes and pathways. These findings are further translated into therapeutic discovery through AI-assisted drug target prioritization, molecular docking, molecular dynamics simulations, and virtual screening of small molecules. By combining computational biology with experimental validation through national and international collaborations, our laboratory aims to accelerate precision medicine and contribute to the development of innovative diagnostics and targeted therapies for diseases such as cancer, renal disorders, and other complex multifactorial conditions.

Bioorganic Materials Research Laboratory

Group Leader: Dr. Pratibha Kumari, Department of Chemistry

The Bioorganic Material Research (BMR) Laboratory was established in 2017 to conduct research on the design and development of novel organic and bioorganic materials for their applications in environmental remediation, catalysis, sensing, and medicinal chemistry. The BMR research group is also involved in the green synthesis of functional nanomaterials, metal-organic frameworks, and covalent-organic frameworks. The research group has developed various bio-based sensors for detecting contaminants and biomarkers. This lab received research grants from different government funding agencies such as the University Grants Commission (UGC), the Science and Engineering Research Board (SERB), and the Defence Research and Development Organization (DRDO). Presently, Ph.D. students, Project Assistants, MSc and BSc trainees are undertaking their research training in the lab. The BMR lab has research collaborations with esteemed National and International academic and research institutes. We quote “One single mind creates an idea but many minds make it a reality” and believing in the same we always welcome new minds to our team to transform the ideas into reality in order to benefit humanity with the real power of science.

Catalysis & Bioinorganic Research Laboratory (CBR)

Group Leader: Dr. Umesh Kumar, Department of Chemistry

The CBR lab established in 2017 with aim to perform cutting-edge research in the area of Inorganic Chemistry, especially in Coordination Chemistry, Organometallics, Supramolecular Chemistry, Materials Chemistry, Bioinorganic Chemistry and Catalysis. This research group involves in synthesizing new coordination and organometallic compounds (including air and moisture sensitive) for catalytic and biological evaluations. The CBR lab catalysis lies at the heart of clean and cost-effective energy generation and storage. On the other hand in biological activities, we design the molecules for anticancer and antimicrobial studies. The CBR lab received the funding from University Grant commission (UGC) and Science and Engineering Research Board (SERB), Department of Science and Technology, New Delhi, India. The CBR lab gives training for Ph. D. Thesis, M.D./M.Sc. Dissertation and UG/PG trainee. We also have collaboration with various national and international academic/research institutes.

Drosophila Laboratory

Group Leader: Prof. Varsha Baweja, Department of Zoology

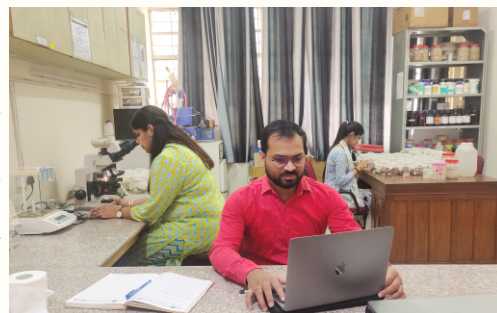

Research on *Drosophila melanogaster* (fruit fly) has played a pivotal role in advancing health science due to its genetic similarity to humans, short life cycle, and ease of maintenance. Many fundamental biological processes—such as development, neurobiology, aging, and disease mechanisms—are conserved between *Drosophila* and humans, making it an excellent model for studying complex human disorders like neurodegenerative diseases, and metabolic disorders. This lab integrates *Drosophila* research into education by teaching undergraduate students about its development through hands-on experience—such as observing life stages, studying embryogenesis, and conducting basic experiments. Furthermore, this laboratory not only conducts cutting-edge research using *Drosophila* but also provides hands-on internship opportunities to undergraduate and postgraduate students, provide them with practical exposure to experimental techniques, critical thinking, and data analysis, nurturing their interest in biomedical research and preparing them for future scientific careers.

Insect Reproduction Laboratory

Group Leader: Prof. Kamal Kumar Gupta, Department of Zoology

The Insect Reproduction Laboratory was established in 1999 at Deshbandhu College. The laboratory has adequate infrastructure and expertise to pursue research in Insect-Plant Interaction, Insect Reproductive Behavior and Physiology, Vector Biology and Management. The principal investigator has completed seven research projects funded by various Indian funding agencies. Eight scholars have completed their Ph. D. degree from the University of Delhi and other Universities from this laboratory. At present, two students are continuing research in this laboratory. Besides, the laboratory provides opportunities for summer internships to undergraduate and postgraduate students. Forty one research papers have been published in the journal of national and international repute from the research work conducted in the laboratory. Research scholars in the laboratory regularly attend national and international conferences to present their research findings. For more details, visit:

Medicinal Plant and Health Research Lab

Principal Investigator: Prof. Sunil Kayesth, Department of Zoology

The Medicinal Plants and Health Research Lab focus on exploring medicinal plants for their therapeutic potentials and health application, with an emphasis on linking traditional plant use to modern scientific validation.

Key Research Area:

1. Screening medicinal plants extracts and their secondary metabolites for antimicrobials, antioxidant, anti-inflammatory, antidiabetic activities to combat increasing antimicrobial resistance (AMR), a global threat, and other lifestyle disorders as an alternative herbal medicine.
2. The lab works on plant secondary metabolite profiling using advanced techniques like, GC-MS, LC-MS, HPLC, NMR, SEM and TEM etc. to explore drug-like properties.
3. The lab also explores nano formulations of plant extracts and secondary metabolites to enhance the drug delivery system, and in-silico drug target prediction.

The lab collaborates across departments/Universities/Institutes/Countries and contributes to publication in SCOPUS and ISI indexed journals, and also, organizes National and International Conferences in the field of Natural Products and Human Health.

Molecular Biology Research Laboratory (MBR Lab)

Group Leader: Prof. Indrakant K. Singh

MBR lab follows an unconventional research approach with a concept of integrative applied science wherein the team tries to answer a few unresolved biological problems. The lab uses bioinformatics and basic molecular biology techniques to screen the best-hit molecules and design new candidate drugs, bioinformatics tools, and diagnostic kits. MBR lab's research interest revolves around diseases such as Cancer, Tuberculosis, and Rare genetic disorders. In a decade-old journey of Dr. Singh's basic research, Young Scientist Award (2013) by SERB, Raman-Post Doctoral Fellowship (2016) by UGC, Chemical Ecology-Visiting Post-Doctoral Fellowship (2019), ICMR-DHR Long Term International Fellowship for Young Bio-medical Scientists (2019-20 & 2022-23), Delhi University Excellence Award for Teacher in Service 2021, DHR Long Term Fellowship for Training in Indian Institute (2022) and Fellow institute of eminence 2022 are some of his hard-earned achievements which extend to awards like Best Researcher, 2017 and Best Teacher, 2018 by Grace India Trust India. Prof. Singh is a life member/Fellow/member of many prestigious academic societies, including the RSB, AMCA, IBS, and AIMI, ESI, BSI. Dr. Singh has published more than 60+ quality research articles in peer-reviewed journals of international repute, 50+ Presentations/proceedings, 30+ Book chapters, and 7 Books. Presently, 3 major projects are ongoing in the lab, funded by ICMR and DHR (Govt. of India) and lab accommodates one post-doctoral fellow and seven Ph.D. students. Dr. Singh also filed two patents (India & USA) on Mycobacterium tuberculosis. However, MBR lab faces limitations of funding and resources like high end equipments, still trying to resolve them through international (USA, Germany, Czech Republic) and national (IIITD, AIIMS, IITD, THSTI, MAMC and JMI) collaborations with other prestigious labs with expertise in that area.

RESEARCH IN SOCIAL SCIENCES

Determinants, Livelihood Outcomes, and Household Vulnerability of Labour Migration in Bihar: Evidence from Saran, Siwan, and Gopalganj Districts

Group Leader: Dr. Awadhesh Kumar Singh, Department of Political Science

Co-PI: Dr. Vimal Nayan Pandey, Department of Political Science

Dr. Rakesh Kumar Singh, Department of Economics

Sanctioned by: Indian Council of Social Science Research

The study will contribute to policy discourse through empirical data, fieldwork across and academic publications. The goal of this project is to produce evidence-based identifications of the features of the labour movement in Bihar. The project will inspect the features that encourage migration as well as the vulnerability of migrant households using complete field studies. It also includes household-level data assembling. This project will be offering scientifically verified evidence to assist migratory governance, rural development, employment creation. The initiative of this project is to contribute to national policy discourse as well as produce peer-reviewed papers, policy briefs, conference presentations, and stakeholder consultations. This project also will include research staff as well as students in fieldwork. The initiative also gave possibilities for capacity building, enhancing the Department's dedication to high-caliber social science research and public policy engagement.

Kapalika Tantra in Buddhism: A Study of its Origin, Practices and Development in Odisha

Principal Investigator: Dr. Sunny Kumar, Department of History

Sanctioned by: Indian Council of Social Science Research

The project focuses on the origin, practices and historical development of Kapalika Tantra within Buddhist traditions, with special reference to Odisha. Odisha occupies an important place in the history of Buddhism and Tantric traditions in India. The region witnessed the growth of several Buddhist centers, ritual practices and religious interactions that contributed to the development of Tantric Buddhism. This research is intended to examine how Kapalika elements emerged, evolved and became associated with Buddhist thought and practice in the socio-cultural context of Odisha.

The research aims to explore the ritual, philosophical and historical dimensions of Kapalika Tantra in Buddhism. It will study relevant textual sources, historical records, archaeological evidence, regional traditions and scholarly interpretations to understand the nature and significance of this tradition. The project is expected to contribute to a deeper understanding of Buddhist Tantra, regional religious practices and the cultural history of Odisha.

सारण प्रमंडल में पर्यटन विकास: सांस्कृतिक धरोहर, ग्रामीण पर्यटन और आर्थिक सशक्तिकरण का एक अध्ययन

Group Leader: Dr. Sonu Kumar, Department of History

Sanctioned by: Indian Council of Social Science Research

यह अध्ययन सारण प्रमंडल की सांस्कृतिक धरोहर एवं ग्रामीण पर्यटन की संभावनाओं का मूल्यांकन करता है। इसका उद्देश्य यह समझना है कि पर्यटन के विकास के माध्यम से स्थानीय रोजगार, आय सृजन तथा आर्थिक सशक्तिकरण को किस प्रकार बढ़ावा दिया जा सकता है। साथ ही, यह अध्ययन क्षेत्र में सतत एवं समावेशी पर्यटन विकास के लिए आवश्यक अवसरों और चुनौतियों का भी विश्लेषण प्रस्तुत करता है।

Traditional Knowledge Systems and Health Practices among Meghalaya Tribes: Implications for Sustainability and Community Well-Being

Co-Project Incharge (Co-PI): Dr. Abhishek Pratap Singh, Department of Political Science

Sanctioned by: Indian Council of Social Science Research

This major research project explores the rich repository of traditional knowledge systems (TKS) and indigenous healthcare practices preserved by the diverse tribal communities of Meghalaya (primarily the Khasis, Jaintias, and Garos). In a world rapidly pivoting toward sustainable living, understanding how these communities utilize local flora, fauna, and cultural rituals to maintain community health is vital. This study investigates the socio-cultural, ecological, and economic dimensions of these practices, aiming to document them before they fade and assess their viability for modern community well-being and sustainable healthcare frameworks.

The right book to the right user at the right time.

The Deshbandhu College library is a vibrant knowledge resource centre that supports teaching, learning, and research through a rich collection of print and digital resources. Equipped with modern ICT infrastructure, the library is connected to the University of Delhi's campus-wide network and provides seamless access to a wide range of electronic resources through the Delhi University Library System (DULS).

The library provides a comprehensive range of services, including Reference Service, Circulation Service, Question & Syllabus Bank, Book Bank Service, Current Awareness Service, and Reprographic Service. All library books are barcoded and made easily searchable through the online public access catalog (OPAC). The library houses a massive collection of over 129669 books, 47 periodicals, 16 Newspapers and 450 CDs, catering to the diverse academic needs of students and faculty. At the beginning of the new academic session, an orientation program is conducted to familiarize students with library resources, facilities and services.

The library is also a registered member of One Nation One Subscription (ONOS), a Government of India initiative, operational since 1 January 2025. It also provides an e-facility for visually impaired students and houses a dedicated computer laboratory equipped with a scanner and internet connectivity. Users can access the library catalog online, while two touchscreen information kiosks within the library enable quick and convenient catalog searches.

Facilities & Services

- CCTV monitoring with 32 high-definition cameras ensuring security across the library premises.
- Two 40-inch LED screens at the circulation counter for monitoring library transactions through library software.
- Web-OPAC facility
- Air-conditioned reading room facilities for both teachers and students.
- Teachers' Information Resource Center
- Students' Information Resource Center
- Library Seminar Room
- Digital Library providing access to ONOS and other e-resources through the college website.
- SMS service for users about transaction log (Check-out/Check-in) of library books.

OTHER FACILITIES

- **Girls' Common Room:** A spacious, air-conditioned common room for female students along with attached washroom facilities and a female security attendant, located on the first floor in the Admin Block, adjacent to the faculty department rooms.
- **Boys' Common Room:** Located adjacent to the canteen.
- **Canteen:** Traditional, sumptuous food at reasonable cost, run on contract near the main gate; a coffee and snack kiosk behind the New Science Block offers light bites on the go.
- **Photocopying Service:** Available on the college premises on a payment basis.
- **Web Access Centre:** The whole campus is Wi-Fi enabled; computers provide faculty and students access to online journals and University of Delhi content.
- **Medical Room:** Adjacent to the college office, for basic first aid.

Photo Credit: Sharpshooters & DBC

- **Banking:** A Punjab & Sind Bank branch and ATM operate on campus.
- **Auditorium:** Fully air-conditioned, with good seating for seminars, conferences, and other activities.
- **Seminar/Conference Facilities:** Two air-conditioned, IT-enabled committee rooms (ground and first floor), a large conference room, and a small seminar room in the library.
- **Laboratories:** Well-equipped labs for Biochemistry, Botany, Chemistry, Mathematics, Physics, and Zoology; Computer Science has its own dedicated practicals centre.
- **Botanical Garden:** A well-maintained garden with diverse flora, a pond ecosystem, a thriving mushroom culture unit, a Bonsai collection, a nursery and a Japanese-style rock garden — also a source of experimental material for class work.
- **Aravalli Biodiversity Park:** 3.75 acres of jungle converted into a biodiversity park with nearly 2,000 varieties of flora, four grass varieties, and a 1,000-billion-year-old rock from the Delhi Aravalli range, the oldest rock formation on earth.
- **Sustainable Energy:** An expanding solar power capacity to reduce reliance on non-renewable energy.
- **Parking:** Gated, guarded parking facility for staff round the clock.
